themselves much sirkness. Persons of delilitated constitutions will find these Bitters advantageoug to their health, as we know from experience the salutary effect they have upen weak systems." Judge M. M. Noah, a gentleman with great scien-tific and literary attainments, nald in his New York Weekly Messenger. January 6, 1850.-Dr. Hooffand's Getman Bitters.--Uere is a preparation which the leading presses in the Union appear to be unanimous n recommending, and the reasen is obvious. It is made after a prestription furnished by the late Dr Christopher Withelm Hooffand, Professior of the Uni-versity of Jena; Private Physician to the King of Prussia, and one of the greatest medical writers Ger-many has ever produced. He was emphatically the enemy of Asambag, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He spectally recommended it in liver com-plaint, dyspepsia, debility, vertico, acidity of the stas-inach.-constipation, and all complaints arising from a disorded condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its scotlener, and ever al of the eductor speak of its effects from their own individual expe-rience. Under these circumstances, we feel warrant-eff, not only nealling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) pre-paration, but in fecomine nding the article to all affici-ed.'' anily effecting cures of the utmost impor-The most incredulous are convinced-the f of disease and pain. never fails while there remains sufficient life to

restore a natural and healthy action to the capillary vessels of the body, and equalize the circulation of the blood . By this means a controlling power is gained over the protionalignant forms of disease, which can-not be obtained from any lother remedy. Such is the power of this combination that it penetrates to every portion of the human frame; every hone and muscle, vein and ligatent is searched out and made sensible of its purifying and healing influence. Hence it comes it copes as readily with internal as external diseases. Numerous matances are por necord where this reme-dy has reatored health to patients so near the grace

Numerous instances are no record where this rema-dy has restored health to patients so near the grav-that the most powerful internal remedies failed to pro-duce any effect. Such has frequentily breat the case in Infammation of the Bowels. No patient need ever die with this disease where the Magnetic folintment can be obtained. That dangerous Epidemic known as the *Patrid Erysipelas*, can always be cuired by this reimedy. For *Infammation of the Bowels*, his ointment is the most complety remedy prepared. In 99 cases out of 100 it will afford entire relief to the worst cases of

Mone Evinesce. Mone Evinesce. The Philadelphila Saurday Gassite, the best family newspaper published in the United States, the editor says of Dr. Hoofland's German Bitters.—" It is seldom into we reconsured what are termed Patent Medicines to the confidence and patronage of our rusders; and, therefore, when we recommend' Dr. Hoofland's Ger-man Bitters, we wish it to be distinctly understood that we are not speaking of the nothings of the day, that are noised about for a hief period and then forgoticu after they have done their goil'y race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself." Nernows Headache

the first her her hearty approval, of the Faculty teelf." Evidence upon evidence has been received (like the oregoing) from all sections of the Union, the last, hree years, and the strongest testimony in its favor, s, that there is more of it used in the practice of the egular Physicians of Philadelphia than all the other noticums combined, a fact that can easily be establish-d, and fally proving that a scientific preparation will neet with their quict approval when presented even a this form. in thirty minutes. For nervous diseases this reme is of immense value. Affections of the spine, they matism, limeness, pl rate sore throat, bronchitis, bruises, scald head, scrofula, bruises, scald head, scrottal, sait theom, erystpelas, cholera morbus, agus in the fine or breast, hurns inflamed eyes, fever sores, &c. will be immediate; relieved by the use of this remedy.
