 The following from the Philadelphia In-gurer incets our beartiest approbation.—
 Mr. Geis's Stable.

 The comments contain the doctrines we have long beep advocating, as the true policy of our Government:
 Image: Comment in the control of the Charleston Mercury, which tor years has been regarded as the leading a unjuncation paper of South Carolina, contains a curnous article for that region and that particular
 Image: Curnous article for that region and that particular

controls uttrie for that region and that particular journal. It advocates encouragement and protection for home mechanics, and thus in fact, adopts the

Temporary Clerk. There were present, Rev. Messrs, Hunt of Wv-Locofoco from the New England States vo-ted for Protection. The whole party, North, South, East and West, with the execution of The approaching 'Election is one of vast importance, and every Whig and every friend of Protection: to and the protection: to South Cardina is, that the friend of Protection in the country should be sensible of the interests at stake, and act ac-cordingly. Our last Legislature showed us to what exient men would prostitute the re-sponsibilities entrusted to them by the peo-ple, and how willingly they would become the tools of any species of mennered again, it will be with their eves the tools of any species of mennered again, it will be with their eves the tools of any species of mennered again.

its origin. "Encourage your own Mechanics.-Do not send invitation as a Corresponding Member.

the tools of any species of moneyed corrup-tion. We want men elected to our next as-sembly who cannot be bought by individuals for corporations, however powerful, but who will exceed the exports from sizty to serently will consult the best interests of the State, and the general good of the country, by east-ing their votes for the measures brought be-tore them without "fear, favor or affection." We have heard of mammoth corporations, was shipped to Eurone last week. This acand their boasted intentions, to control the was shipped to Europe last week. This ac-interests of the county. They would crush counts for the great scarcity of silver for the pare-the cources will have so the county be latter or no business done in the pare-the cources will be the county be latter or no business done in the pare-the cources will be the services of a Minister in his stead. The meeting was adjourned on Wednesday and all kinds of labor extremely dull. Whenever afternoor, to hold is next session at Pinegrove. every individual enterprise to which we are change, to take the place of the small notes indebted for the magnitude of the coal trade, driven out of circulation. The exportation tebanks and pediars retire in digitst, and a kindly, of this region, and on which the prosperity of specie, principally silver, within a few brotherly feeling is experienced, which is the source indebted is the following statistics : afternoon, to hold its next session at Pinegrove. together with the following statistics :

of every community-depends, and pervert the best interests of the commonwealth to their own selfish aggrandizement. They have al-for foreign iron, coal, &c. all of which ought to be made and mined at home. Locotoco-ism benefits the country in rather a strange people do their duty at the ballot box-let

abroad; if you have none around you capable of the task, it will be time enough to look else where. It is a wrong idea, to suppose nothing is services ble that is made at home. We know of many in-stances where men have refused to purchase work nuede by their neighbors, and sent to a distant city for the articles they needed, and paid a third more for them, when behold' they had been manufacture. It was full of good, substantial truths, and will, no end and sont a way to cell by the were mainthose of the the distant city.

at monopoly and corruption. Let them rise in their might and silence—foreser silence such monstrous usurpation. WHIGN AND PROTECTIONISTS OF SCHUYLKHLL. Recollect that the Election will take place on the 8th of Getober, oply two weeks from Tuesday next. Now is the time for action. Up and at Locofocoism—let every vestige of it bedriven from Schuylkill counter. it bedriv
