### THE SMALL NOTE LAW.

The passage of the law of last Session has subjected the business community; and in fact all classes of our citizens, to great inconvenience for want of change. With the disappearance of the small notes, specie and particularly the smaller change, seems to have disappeared also with them. ### THE TARIFF.

The Washington Correspondent of the Philadelphia! Inquirer writes as follows: Under the operations of the present Tariff, one of two things is obvious-either our manufactures must be wholly destroyed, and the country placed at the mercy of foreign

markets, or the workingmen of this country nate laborers of England. The capitalists fortunately discovered, and Whitely arresof the country are comparatively but little interested in the matter, for capital need ted. know no equatry.
