EW MUSIC BOOKS-JUST PUBLISHED Cantica Laudis, or the American Book of Church Music. By Lowell Mason and George James Webb. The opinions of connent musicians who have examfued its pages fully warrant the assertion that this amined its pages fully warrant the assertion that this is the most attractive and well-able collection of Church Music, ever published in this country. In addition to a copous selection of the best old times, it is believed that it contains a larger amount and greater variety of truly beautiful New Music than any previous similar work has done. Most of this is drawn from the high-est sources, as the compositions of Berthoven, Mozart, Guick F. ROOT Eas, of New York Cure Orand Agent for Ly. Co. Ma. Insurance Company.
