DISTRIBUTION OF CARS. There is no use of disguising the fact that an intense feeling prevails in this region with respect to the distribution of Cars. It is charged that certain parties, in which the Railroad are interested, receive as many cars as they desire, while others are cut off with scarcely any.

THE CHESTER COUNTY MURDER. The United States Marshal, referring to the murder of Miss Sharpley, says: "We know of no parallel for it, and that was the murder of Wesley Patton, a youth murdered by James Boyl, on Sunday, August 1st, 1859, in the town of Pottsville."

CAPITOL AT WASHINGTON. It is proposed to enlarge the Capitol at Washington. The Committee on Public Buildings of the U. S. Senate, offer a preliminary bill for the best plan for the enlargement.

FOREIGN NEWS. By the steamer Atlanta and Hermann we have later dates from Liverpool and Bremen. Each brought a number of passengers. No political news of any importance.

BOUNTY LAND. The Hon. A. H. H. Stuart, Secretary of the Interior has issued a circular, directing all duties to be collected on the Bounty Land Law, giving certain instructions by which all such claims can be finally secured to the applicant.

FUGITIVE SLAVE LAW. The operation of the law is creating much sensation among the colored population in this and other States, particularly in New England, where they have previously fled.

AMONG THE BILLS PASSED BY THE CONGRESS. The following bills have been passed by the Congress, scarcely any more to be expected than that abolishing dogging in the navy.

THE WESTERN WEST. We publish the following extract from a letter received a few days since from Hon. Alexander Ramsey, Governor of Minnesota Territory.

NEW MEXICO AGAIN. The following from the Washington correspondent of the N. Y. Journal of Commerce, indicates the possibility of a still further discussion of the questions that so lately distracted the country.

CATAWAUGA IRON WORKS. The following from the Philadelphia Commercial List, gives the history of these interesting works, and the effects of different tariff regulations upon their prosperity.

A VOLUME FROM MISSISSIPPI. A volume from Mississippi, containing a series of lectures, delivered by W. P. F. Leake, D. D., at the request of the Board of Trustees of the University of Mississippi.

THE TEA PLANT. Junius Smith, of S. C., has demonstrated that the tea plant may be successfully cultivated in the United States. He states that the tea plant is indigenous to China, and that he has introduced it into the United States.

LIBERIA. The following information will be found useful to those interested in the cause of colonization. Liberia has an area of territory amounting to about 19,000 square miles, or 12,000,000 acres.
