BY DR. A. M. MAURICEAU, FROFFSSOR OF DISEASES OF WOMEN. Teentieth Edition. 18mo .- pp. 250. Price, 0 10

THIS WORK IS INTENDED ESPECIAL LY FOR THE MARRIED or those contempla-

LY FOR THE MARRIED at those called plat-ing marriage, as it discloses important secrets which: should be known to them particularly. Here, every ismale—the wife, the mother—the one sither building into womanhood, or the out in the decline of years, in whom nature contemplates as important change—can discover the outer, symp toms, and the most efficient remedies and most cor-tain mode of egre, in every complaint to which her out a subject

tain mode at care, in every comparison to have a sex is subject. The revelations contained in its payes have proved a bleasing to thousands, as the innumorable letters received by the submet (which he is permitted by the writers to publish) will attest.

Extract of a Letter from a Gentleman in Dayton, ().

"DR. A. M. MAURICAU-My Dear Sire: The Married Woman's Private Medical Companion, for which Longhased rate delier to your address cause safely to hand. I would not have troubled you with 4-17 seriety to manu. I would not have troubled you with these few lines, but that I am impelled by a senat of gratitude, for myself and wife, to give utterance to our sincere and heartfolt emotions. "My wife has been perceptibly sinking for some three years or more in consensations of hear more than amine the human bowels after death ; and hence Muffs, Boas, Victorias & Fur Trimmings. **Buffs, Boas, Victorias & Fur Trimmings.** D. CUREN: FANUX PURAISR, WOULD s most respectively call the attention of all per-surgin want of any atticle in the Faury Fur husiness that he has now roady a splendid assertiment of the above meanload atticles, made of every description of Furs, and in the great variety of shapes that are now fashionable; which he offers to sell at very rea-nonable profile, at his FUR STORE, No 38 North 20 street, (we doors below Arch.) Philadelphin. Merchanis purchasing to sell again, would find it considerably to their advantage to call and examine his nock and judge for themseives. D'The full market price always given for SKINS oferety description. the prejudice of these well-informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDI-**CINES** is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the heatinful action of which entirely depends upon the regularity of the unary organs. The blood, which takes its red color from the agence. of the liver and lungs, before it pass hourished heart, being thus purified bard stomach, courses by food coming to veins, renews every part of freely tem, and triumphantly mounts the banfevery description. The store is always closed on Saturdays. D. II. (OHEN, D. H, COHEN, No. 52 N. 21 st., (two doors below Arch.) Philada. Nov. 16, 1850 The following are among the distressing va-riety of human diseases in which the VEGE-TABLE LIFE MEDICINES are well known DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid pure healthy bile, instead of the stale and actid kind; Flatnlency, Loss or Aprentize, Heart-guran, Headache, Restlessonses, ILL-TEAPER, ANXIETY, LANGUOR, and MELANCHOLY, which Extract from a Letter. Competence and Health are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its sure, "LARCASTER, PA, Oct. 24, 1847. "MY DEAR SHI: I know you will have the kind: ness to bear with me in enerosching upon your time, while I acknowledge (in behalf of myself and wifej the obligations we feel ourselves under to you in hav-ing made known certain matters, contained in your most invaluable "Married Worman's Private Medical Companion." It has been worth its weight in gold to me. If I express myself rather warmly, you will see that I can not do so too warmly, when I inform Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days. Diarrhoga and Cholara, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative se-cretion of the mucous membrane so that I can not do so too warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I chitained your book through the merest curiosity I look upon it as one of the most fortunate events of my life. I had here a super the state of the state of the state of the state had been stated by the state of the state o regular circulation, through the process of perspi-ration in such cases, and the thorough solution of had been married some ten years, and was he faher of seven children. I was long struggling uncessingly to the end that I might gain a moderate competency. all intestinal obstruction in others. ot seven children. I was iong arragging unc-asingly to the end that I micht gain a moderate competency, but the results of my utmost exertions at the end left me about where I was at the beginning of e.t. year; and that only, with the most slinted economy, suffi-cing with barely the necessaries of life. Fhally, this constant effort was beginning to have its effect upon my health: I felt the necessaries of perseverse. "This constant, uncessing struggle on my jeft was imperative, in consequence of the prostrate condi-tion of my wife (with occasional intermission for six years, much of the time contined to her bed and of coarse incapable of taking the charge and sharge; ment of household affairs. Her coudition arise from causes of which I was innorant. Oh! what would I have given had I the six years to live overlagant What would my wife have given to have beedpared the long days and still longer nights postrate on a bed of sickness I—all of which would has been avoided, had I then seen a copy of 'THE-MERTED WOMAN'S PERVATE. MEDICAL CONTANDS he joints. readful diseases From a Physician.

avail henself of the infr

These Medicines have now been before the public for a period of **FIFTEEN YEARS**, and during that time have maintained a high charac-ter in almost every part of the globe for their ex-traordinary and immediate power of restoring per-fect health to persons suffering under nearly every kind of disease to which the human frame is liable.

It was to their manifest and sensible action in Shore the and Configurations taken at this agente vita talea

It was to their manifest and sensible action in purifying the springs and channels of life, and en-duing them with renewed tone and vigor, that they were indebted for their name. Unlike the host of pernicious quackeries which beast of vegetable ingredients, the LIFE MEDI-CINES are purely and solely vegetable; and contain neither Mercury, nor Animony, nor Arsonic, nor any other mineral, in any form whatever. They are entirely composed of ex-tracts from raro and powerful plants, the virtues of which, though long known to several Indian ther property in Tome and Louxing, incured against ose or during by fire at the lowest rate of premam. MARINE INSURANCE - They also insure Vessels, of which, though long known to several Indian tribes, and recently to some eminent pharmaccutical chemists, are altogether unknown to the ignorant pretenders to medical science ; and were never before administered in so happily efficacious combination. The first operation is to loosen from the coats

of the stomach and bowels the various impur-ties and crudities constantly settling round them; and to remove the hardened foces which collect in the convolutions of the small intestines. Other in the convolutions of the analy interimet and interimet of the sum of the su Costiveness, with all its train of evils, or sudder Diarrhora with its imminent dangers. This fact is well-known to all regular anatomists who ex-

the heat Family Médicine now before the public

It has been computed that during the last

eventy years, three millions of persons have

annually been benefited by the use of these Medicines; a fact which epeaks volumes in favor of their contive properties—a single trial will place them beyond the reach of competition in the estimation of every pritient. By their use the

the estimation of every patient. By their use the blood is restored to a pure and healthy state; freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phomiz Bitters, a ramedy that will do for them all that medicine can possibly effect. The genuine of these medicures are now put up in the state of these medicures are now put up

with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the United States.
