With an approving constitution the properties of more than one hundred thousand and spare not. With an approving constitution of the partonage of his sall who thing reasonamy is the property of those of truth, and the skilful and christian antagonist invite all who study reasonamy, laths way of drawing hundreds and thousands of doubtful character, to force a greate of more than one hundred thousand and spare not. With an approving constitution the property of the sall way of dawing hundreds and thousands out. It puts it into the power of twelve men, let way of dawing hundreds and thousands out. It puts it into the power of twelve men, on the way of dawing hundreds and thousands out. It puts it into the property out. It puts it into th progress of Temperance and the spread and every ho influence of the gospel is denied by no one. What theme then more appropriate to the solemn duties of the ministry; what enterprise within the field of human effort, calls more earnestly for the united labors and prayers of

society-not in taxes to support the Gospel, to promote education, and institutions of cessary use, in the ordinances of religion, in learning; to improve, adorn and elevate the the composition of medicine, or for purposes character of the place; but taxes, self-impos-ed it is true, but expended for that which produces disorder, mental and moral degrarance, care should be taken to discriminate between their necessary use, on the one hand am free to admit that alcoholic liquors are useful for the purposes aforesaid, but deny there is any justifiable pretext for their com-

one case, there is an appeal to conscience, in the other to vitiated appetite. Entertaining necessarily flow from that business. "The pects of families. It is crippling the energies pose. tree is known by its fruit." And what are

of itself an ularming fact, and should awaheld out to customers ! What mean the impression of the evil. posing sign, the nicely arranged decanters. sparkling with the fiery stimulant; and the er-ready-at-hand caterer to minister to the

If a man violates the laws of honesty, which require him to respect the property of his neighbor, he is usually dealt with accorthat a man is not only accountable for an im-moral act, but all the consequences which with all its associate evils as a natural conse- wares for sale on the Holy Sabbath, a chrisquence, and who will deny their magnitude? tian community would be shocked. But So glaring are they, that no man of reason these places, where intoxicating beverages or sobriety can or will stand up in its defence. I would not be understood as affirming the later process occupation pursued the later process occupation in the standard of the mischievous occupation pursued the later process of the standard of the stand ing that Intemperance is the source of all the erils with which society is afflicted. But I do say there is no form of wretchedness the utter extinguishment of all the manly

do say there is no form of wretchedness and honorable feelings of those who frequent which it does not promote, and that it is the parent of most of the vices and crimes These dram-shops may be regarded as which bow down our species to dust, humiliacommon nuisances, and are exerting a pescommon nuisances, and are exerting a per tilential influence in the community.

There is no discredit in keeping a well-regulated house for the entertainment of travellers and strangers—a house thus kept is a public accommodation, and the keeper of such house is entitled to the esteem and respect of the community. But the house, spect of the community. But the house, friends of Temperance and of God, be margined as the broad platform of the community and ready to back them in the benevotent in the benevotent as general thrown together as general thrown together as general thrown together as general to the outer prise. Let then the public grievance in the public grievance in the public grievance in the benevotent in the ben tion and crime. In most cases it hurries its victim to speedy ruin. It deadens the sensibilities, throws a blight over all the kindlier feelings of the human heart ;-it mars the spirits beauty and brutalises the feelings of its lictim. It brings discord into families and destroys the peace of its inmates. It entails on society disease, poverty, crime, ignorance, and every form of wretchedness and perpetu-ates these evils from generation to generation. It clouds the intellect, debases the affections, parrows down the soul, and compietery annimitates every exatted reening or pietery and love, and brings with it such an accumulation of bad influences, that it not accumulation of bad influences, the market with the bare bad accumulation of bad influences. only darkens the prospects for eternity, but not to be ranked with the honorable pursuits measures of relief and reform. Let the completely destroys every fair promise of Heaven and future blessedness. It imposes grievous burdens on society in tax-

a way as to awaken thought and attention to it, and to reach some practical result, by bringing the evil home to the business, and bosoms of those among whom we live, and carnest efforts to guard against future attacks, if practicable to put in operation some measures to abate the evil and by the blessing of or his war-whoop be heard at our doors,

pledged until Society is emancipated, redeemed and disenthralled from the curse and

Though fools spurn Hymen's gentle powers
We, who improve his golden hours
By sweet experience know
That marriage, rightly understood.
Gives to the tender, and the good
A Paradise below.

Poetry.

We would lay a wager, that the following air was composed by a bachelor, whistling to keep his courage up. We find it floating loosely about without credit as is usually the case with thor

THE WIND. The wind is a bachelor, Merry and free;
He roves at his pleasure
O'er land and o'er sea,
He ruffles the lake,
And he kisses the flower,
And he sleeps when he lists
In a Jessamine bower. He gives to the cheek if the maiden its bloom He tastes her warm kisses, Enjoys their perfume; But, truant-like, often The sweets that he sips

On lovelier lips

A HAPPY THOUGHT. Some sweet warbler in the London Times, unters lowing beautiful sentiment. Let us lay it to It contains gentle but reaching reproof: There is a voice within me, And 'tis so sweet a voice. That its soft lispings win me, Till tears start to mine eyes Deep from my soul it springeth Like hidden metody; And evermore it singeth This song of songs for me This world is full of beauty, As other worlds above. ind if we did our duty

It might be full of love RLUE EYES. There beameth from the eye of blue A radiance fair and bright.

As from the stars come gently down, Mid the watches of the night; Nor sparkling gems, nor jewels bright, Can rival that pure, hallowed light. A dark and flashing eye may speak Or a proud and fearless mind, Imbrued with aspirations high— With lotly thought refined; Of spirkling wit, of fancies rare, Of lighter web than gos-amer But a pure unsullied soul looks out om the bright eye of blue-The token of a guileless heart,

Forever warm and true,
And thoughts of heaven, of hopes on high

cious animals ever tamed. Herr, accordingly
in our Borough. in our Borough.

I feel assured that this audience will agree with me in the opinion, that the estimates here made are far below the reality. That the extent of the evil even in a physical point of view, is far greater than has been stated.

If this beso, then is this an over-burthened of the evil indeed, with taxes levied between the leviel indeed of the evil indeed, with taxes levied between the mischief they do in took a double berth on the steamer "Julia Dean."—Putting down the names on the would do much to restrain the sale of intoxicating drinks, and would effectually bring of the evil even in a physical point the evil under the control of law and public old tiger) second berth. Herr temarked that the coli was a queer old fellow, accustomed the third point of view, is far greater than has been stated.

Western States, with provisions something to "sleeping out" and had a peculiar fancy—like the following: Every individual, who the would sleep on nothing but straw! The or retorm, assume the position, that the traffic in intoxicating drinks is immoral, optraffic in intoxicating drinks is immoral, optown munity, not indeed, with taxes levied and collected for the legitimate purposes of the following is considered, with taxes levied and collected for the legitimate purposes of the following is considered, with taxes levied and collected for the legitimate purposes of the following is considered, with taxes levied and collected for the legitimate purposes of the following is considered, with taxes levied and collected for the legitimate purposes of the following is considered, with taxes levied and collected for the legitimate purposes of the following is considered, with taxes levied and collected for the legitimate purposes of the following is considered and collected for the legitimate purposes of the following is considered and collected for the legitimate purposes of the following is considered. required to give bond and security to the it with a full supply of that article. Busiamount of 3 or 5 thousand dollars, condiness and preparation to start, went on. Just tioned for the payment of all costs and cama- before the last bell, Herr and the tiger made ges that can be proved to have arisen from their appearance in the cabin opposite the his sale of liquors; and every individual who state room door. The Clerk hearing an unuis convicted of selling without such bonds sual stir in the cabin, opened his office door, dation; poverty, wretchedness and prema-iure death. From how many houses goes forth the dark stream of tribulation, of whose bitter waters, the innocent are compelled to traffic out of the hands of irresponsible and he did not relish the appearance of Col. Aldrink, producing sorrow in many hearts and unprincipled men, and to increase the responsibility of the business in proportion to its the party ashore. He felt a repugnance to danger to the community. The expediency that undertaking, and concluded to allow A THOMPSON, VENITIAN BLIND MANUFACT A three houses and the friends of this view, I, in common with the friends of this view, I, in common with the friends of finds its victims in every classin society, and street, between Market and Chesnin streets, Philadelphia, where he will keep always on hand or make to order, Inchand narrow Stat Windows Blinds, of the most fashionable kind, of the beat making iterials and workmanship, and at the shortest notice. What are the tests which we usually apart of which will be disposed of on the lowest terms. The But it may be asked, why agitate this sub- ness, (or himself) which was brought into tree is known by its fruit." And what are of society, and pouring in a constant stream tree is known by its fruit." And what are of lingation into our Courts of Justice. It ject at all? Why ask for legal enactments the state room by the trembling waiter, who the legitimate fruits growing out of the sale crowds our Alms Houses with paupers, and to coerce and restrain the public in alcholic had forgotten to bring with the liquor the rethe legitimate fruits growing out of the sale and use of intoxicating drinks as a beverage? crowds our Alms Houses with paupers, and to coerce and restrain the public in alcholic had forgotten to bring with the liquor the remaining water, who had forgotten to bring water, who had been proportion water. evils as the direct consequence. And is not peaceable and temperate portion of our comevils as the direct consequence. And is not present and temperate pointed of our conic it by, any legal means. It is a sufficient re- corner, which he did, and stepping quickly this a crime defined and punishable as such munity with intolerable pecuniary burdens. this a crime defined and punishable as such by law? But, answers the dealer in this article, I admit the consequences as stated by you. I admit that Intemperance destroys life, order, peace, happiness, and love, yet I am in no sense answerable for these consequences. I keep and sell that which production. Now the mare feet, that such places in connection with the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is so that it must not be molested by legal enaction. The man was so fright end of an opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is so that it must not be molested by legal enaction of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by those whose opportunities enable in the desecration of the Christian Sabbath. It is said by the went for water. The man was so fright end of the went for water. The man was so the the desecration of the Christian Sabbath. It is said by the went for water. The man was so the the desecrat quences. I keep and sell that which produces all these deplorable results, but I compel no man to buy it. True, but you keep and sell it with a full knowledge that it creates sell it with a full knowledge that it creates of itself an ularming fact, and should awa- of itself and itself madness, disease, poverty, riot, crime, and sold awa- one poverty, riot, crime, and so ners go unwhipt of Justice? And is there Herr, and the party sought a back, which not quite as little hope of banishing murder when found happened to be driven by a son and fraud, and theft from society as Intem- of the Emerald Isle. At first sight the driver. perance? And who does not know that utterly refused to take the "baste" but was discased appetite. It is a maxim in morals, that a man is not only accountable for an immoral act, but all the consequences which flow directly or indirectly from it.

But let the business in question be tried by its fruits. What are they? Intemperance were to open their stores, and expose their with all its associate evils as a natural consequence. that it does more to corrupt, and deprave the bach was obliged to take rooms for his friend

Never to judge a person's character by external appearance. Always take the part of an absent person who is censured in company, so far as truth and propriety will allow. Never to think the worse of another on ccount of differing from me in political or

religious opinions.

Never to dispute with a man more than seventy years of age, nor with a woman, nor an ethusiast. Not to affect to be witty, or to jest so as to wound the feelings of another. To say as little as possible of myself and

those who are near me. To aim at cheerfulness without levity. Not to obtrude my advice unasked. Never to court the favour of the rich by flattering either their vanity or their vices. To speak with calmness and deliberation the motives to duty, as men, as Christians, on all occasions, especially in circumstances as the advocates of Temperance and reform, which tend to irritate. which tend to irritate. Frequently to review my conduct; and note

On all occasions to have in prospect the

The regular forces, always under arms in Prussia, amount to 120,000 men. Beside these, there are called out for drill every year
