WHIG NOMINATIONS.

FOR GOVERNOR, WILLIAM F. JOHNSTON, of Armstrong FOR CANAL COUNISSIONER, JOHN STROHM, of Lineaster.

JOUGES OF THE SUPREME COURT. RICHARD COULTER of Westmoreland, JOSHUA A COMLY of Montour, GEORGE CHAMBERS, of Franklin WILLIAM M. MEREDITH, of Philadelphia, WILLIAM JESSUP, of. Susquehanna

## BREAKERS AREAD.

In a recent article upon the scarcity of change, and the enormous quantities of specie exported from the United States, we alluded exported from the United States, was another to the certain results to be anticipated in Cocheneal the financial affairs of this country. Every Crude sulpetre business man has been looking forward to a business man has been looking forward to a Brass, old crisis in our monetary affairs as inevitable. Gum Arabac Even the Free Trade papers are beginning to Kelp Even the Free trade papers of the can no Karnes wacknowledge the corn," since they can no Karnes Mother of Pearl longer conceal the truth, but, as it determined to hold to their Free Trade doctrines, and Madder conscious of the exposure that awaits them Palm leaf unmanufacand their British friends, when the eyes of Rattan and reedthe people are opened to the whole truth, the people are opened to the whole truth, Sumac they are already beginning an attempt to Weld parry the blow, by crying out that "Tatiffs Tin in sheets or plates 15, do 2½ per cent, Tin in pigs, bar or blocks 5 do 1 per cent. following from the Money articles of the Ledger—the writer has been in a similar thing bordering on FREE TRADE in this and vein for several weeks past :

The last news from Europe is not commercially as tavorable as cadid be desired. Cotton is down. Breadstuffs are down, and Provisions are very dull. Breadstuffs are down, and Provisions are very dull. Trade also shows less animation; though the market is considered in a healthy condition. There is one other feature exhibited by the last news not one other feature exhibited by the last news not occupied to improve our money market, and that calculated to improve our money market, and that 14, while the price of British securities has shown considerable improvement. American stocks on the British market are no better. This argues one of two things, either that that market holds as many of our securities as it sould have a constant that the constant in the con

nue duties. Improvement companies will give almost any interest, and will take almost anything atmost any interest, and win take almost anything in exchange for their bonds in time of excitantial so that, when speculation in canals and ratiroads is rife here, bonds will go abroad and manufactured goods will come in, in spite of any barriers that Congress is likely ever to interpose. Again in paper of the 17th: We have three days later news from Europe !

we have fince days fater news from Europe by the arrival at New York; yesterday, of the fast steamer Asia.: Like that brought by the Frankin, it is quite unlavotable commercially. Cotton is down another fit per pound, the sales for the week reaching only some 30,000 bales. Under remarkatreaching only some second parts. Onder remarks the big tavorable weather throughout England, Scotland and Ireland, the market for Breadetin's was also further depressed. These facts considered in contribute depressed. turther depressed. These facts considered in con-nection with the amounteement, by the Board of Trade, of a large increase and export of Cotton mainfactures may be considered as assemble to Trade, of a large increase and export of Cotton manufactures may, be considered as especially unfavorable. OPthis sucrease of Cotton goods there also doubt a large supply on the market, thus culting off the hope of an advance in the price of cour great staple by a bare market of cotton manufactures at the opening of the next season. Notacitha

selves, we cannot be charged with agitating the subject with any sinister design or for political effect. The truth will out. The policy, or rather the impolicy of our government, is beginning to have its legitimate effect. While it is observable that every country in Europe, which is now in a flourishing condition, exports more than it imports, the reverse is, the case-with all others, that, like ourselves, are blind to their own interests, and import more than they

If "tariffs have nothing to do" with bringing about such a state of financial affairs as we are now rapidly approaching, how does it happen that all similar revulsions, with and examine it. and there is no remedy for it but a change in our governmental policy. Such crises must inevitably continue to visit us until Protection to our own interests is adopted.

The very fact that the Tariff is at all alluded to, in connection with the foreseen danger. shows that it has something to do with it:-The people will naturally look for a cause to explain these difficulties, and there is none plainer or more palpaple than the suicidal effects of the Tariff of 46 upon the interests of the country. They are intimately con-Ledger, or other kindred Free Trade prints, into a contrary opinion.

## CUBAN INSURRECTION.

York, on Tuesday, bringing Cuban dates to the 17th. About 800 or 1000 men, accompanied by a great number of women and children, assembled near reincipe on the 4th, framers of the Tariff of 1846, were a the masses on a true and broad issue, it makes not be a candidate for that post, and have I under pretence of celebrating a religious feet under presence of cencorating a rengious rest of ignoramuses, and did not know anyits appeals to local passions and prejudices, not stated to Christopher, whom the people tival. The Governor, auticipating; some set of ignorantuses, and the following and thus cruelly deceives and disappoints thing about the business and policy of the difficulty, sent a detachment of Dragbons' to thing about the business and policy of the difficulty, sent a detachment of Dragbons' to the disperse them. A regular skirmish ensued country, or they were bribed by England. It those who put their trust in it. Here are therefore say it shall not be as you wish." in which the Government Troops were forced is notorious that the Tariff Bill of 1846 was the queries: to retire, with the loss of 20 to 60 men, variously stated. The Insurrectionists, num- the House of Lords, before printed copies Slave Law as it now stands, without modifibering 500 to 1500 men, then betook themselves to the mountains, where they were re-

American and British Tariffs Compared!

Things for the People to ponder on! We find in the New York Leader, a very Tariffs of 1842 and 1846, compared with the British Tariff:

er duty upon raw materials than is charged upon the commodities into which they enter. We ask the close attention of our readers to the following comparative table of duties charged upon raiv materials and articles used in manufactures, under our tariff of 1842, with those now charged under our present ruinous tariff of 1846, and also, to the third column, in which it will be seen, that in England they are all admitted duty free:

Tariff of Tariff of English 30 pr ct Coarse wool Antimony\_crude Burr stones unwrought 10 gui 10 do 5 do 10 do 10 do 5 do 5 do 6 5 do

Will our readers now believe there is anymalous Tariff of Mr. WALKER; or rather will they not see a species of suicidal legisla-

we do not produce, but which enter into our their carpets are tawdry; their patchwork manufactures, discriminate against the labor quilts surpass even the invariable ugliness of object country, and indayor of foreign labor, this fabric; their cut glass is clumsy; their of our country, and in favor of foreign labor. England admits everything free that enters phenists took apoil another manufacture manufactures, in order to enable her to manufacture cheap—that is the reason why their daguerrectypes are the she lets currently come in July 1992 and cleaning to do with Tariffy. \_\_\_ A "Woman's Rights" Man. - A Ten-

attempted to murder his wife on Monday of last week, by cutting her throat with a razor.

A deep wound was inflicted, exposing the windpipe, but it did not causes immediate death. After this murderous attempt he cut his own throat with a broad axe, completely dividing the windpipe.

It is supposed, he intended to murder his whole family, consisting of his wife, wife's

mother, and five children, as he gathered them together in the house, and closed the doors and windows before assaulting his doors and windows before assaulting his wifed to attend.

wife. The latter, however, wrested the rather than the beautiful his been passed by the Vestry of Trinty Church, Pottsville.

and then screamed for help. She is not ex-

Military .- A Volumeer Company is about nelly, in Seventh street near Shippen. This woman's husband came home intoxicated, Infantry. From twenty five to thirty names have and had a quarrel with her. He threw a stool at her, which hit the woman Roney, knocking her down three or four steps of tairs, and causing the injuries of her person shove mentioned.

even by the poorest, through the agency of Life Insurance.

Every man who loves his family ought to get his life insured. Every man in debt, and owning, roperty, ought to have his life insured, test at his death his property may be sacrificed. There are but few who rould not save a small som annually to insure their lives; which if not invested in this way would be spent perhaps in trifles, and their families thus left to penury and want.

Life insurance is becoming just as common in this country as Fire insurances and about be more so Wives persually your husbands—you ran save enough in your bonschold affiliss to pay the annual premium without feeling it—and the teffection that you are printivided for, will alone be a fair recompense for the outvided for, will alone be a fair recompense for the outvided for the same the lives of your husbands for your own benefit, and the amount cannot be touched by their creditors in case of their death.

Fall information on this subject can be obtained on application to B. BANNAN as the Office of the Miners' Journal of the property of the sure of their death.
