BWAPPING CLOTHES.

The New York correspondent of the Philadelphia Sun perpetrates the following: An instance of the dangerous effects of swappin An instance of the dangerous elects of swapping your clothing without fairly searching the pockets, happened lately: a man had been importuned so much by the Jews to buy or swap, that he thought he would make a trade to keep them off him.—The story has been written in verse, and when sung to the tune of "The Red, Red Rose," has a resurrent effect. Undertuned the had a cost. very pretty effect. He first wished he had a coat

I wish I had an old grey coat.
I'll tell you what I if do:
I'd take it down to Chatham street
And swap it with a Jew.

He then tries to find one:

I'rummaged bare, my wardrobe rare,

And found a coat to trade:

And chuckled too; to think a Jew.

A fool would coon be made He then takes the coat and trades it off for a nev I therefore went, where I was bent

To trade old things for new, And straight way get; a bran new set Of clothes so neaf and true. He discovers that he had left some money But now I grieve, to think I'd leave pockets, and laments over his loss.

That old coat with a lew ; ... For what I'd sold, Politained some gold' Jingos! what shall I do' He tears his trowers in his rage, and come-dow

the Jew: I'll tear my trow-ers off of me. Because they will not do . To take a strut-with my new coat I swapped with that old Jew.

He thinks of other days gone by : But oh! the thoughts of other days,
When that old rout was new,
They baunt me still, and ever will:
Confound that darn'd old Jew!

Wit and Linnor.

sation turned to the next Presidential election. and the prospects of Webster, Fillmore, Scott,
Cass, and others were discussed at large,
After some time, a solemn individual who
had listened in stlenge, addressed the party

My friends, you are all of you wrong.

give general satisfaction to all those who may call
apon him.

A HARDE accompliance to the three could not be a served and the se

sound judgement, that the character either of man or beast, could be ascertained by looking at the parentage from which he had descended; and as an illustration of this, he used humorously to relate the incident that the East Indies, one of his ancestors, being a sea captain, had gone thither, and returned with a wife-a Mongolian lady-whom he married during his absence. And the blood of that cross still continues to cling to the decendants two centuries afterwards, despite of all their efforts to eradicate it, so that down to the present day, in one branch or another of the family, one of these confounded E/ Indians would occasionally be making his appearance. Trans. N. Y. Ag. Society

ALUE OF DUNG HEAPS. The dung heap will, under the careless ystem, more rapidly diminish in bulk than n value, so that a load of it unrotted is not worth much more than half a load of wellrotted manure; while the whole bulk of the hean after rotting in this way, may be worth. perhaps, two-thirds or three-fourths of the whole bulk in its original state. When carefully prepared, the whole heap is worth as much as in its original state; indeed. more, the labor spent upon it not being lost and as the bulk of the heap does diminish

in the same proportion.

somewhat, the value of a given bulk increses

. BIRDS PICKING FRUIT. As the season is coming on for the depredation of birds, I beg to report my expen-ence of last year, when I saved my currants and gooseherries, by winding colored worsted round and across my bushes; and my tin with strong thread in the different trees two pieces being hung near enough together to clash with the wind, which sound, with the bright reflection of the sun, certainly frightened' them away; and I had my due share of fruit, which the preceding year. I was obliged to relinquish to them. - Agit
