saying he is willing to sign his name to a strained a point and placed them at \$242,- lieries of the Region are only continued in operation Mr. Viet of Pottsville then made his appearance, paper to that effect. Now here is no motive 360. Now we ask, in the name of common by water hauled, a considerable distance, to supply and began to enlighten the natives on sundry topics. for misrepresentation, because these persons justice, can men, who will deliberately and their engines. A slight shower fell here about 12 belong to Mr. Bigitth's party, and we are wilfully make statements, which they cansame mistake as our informant evidently be trusted ? Can men, who are so utterly re-did who reported to us his remarke at the can men, who are so utterly re-the weather, for a week past, has been almost willing to believe that they labor under the not help but know to be incorrect-can they parched and the roads accordingly dusty. did, who reported to us his remarks at the gardless of truth or consistency, be supposed intolerably hot-the thermometer ranging above time, I saw some person, who very much resembled Jones, E-q., was called to the Chair, and a large Court House. We deem this statement ne- honest in their pretended labors for the intercessary; in justification of the publication ou ests of the Commonwealth ? Are they fit to our part, and any person can have the names be leaders, even of the Locofoco party?

of the parties who gave us the information . We now submit the facts and let them by calling at our office, if they desire them. speak for themselves. We append the Gov-A few remarks as regards the Coal Tax : ernor's Proclamation, to which is annexed a -The project of taxing Coal was first recommended by Gov. Wolf about twenty years Sinking Fund, I two of them, Banks and citizens no less by his affable and pleasant manners ago. It was also recommended, we believe, Bickel, Locofocos ad declaring, under oath, than by his mouser, and as here a bright ornament by Gov. Porter, and also by the State Treathat sit hundred and fifty nine thousand, one to the Profession surer during Gov. Shunk's Adminstration. hundred and twenty two dollars and ninety It has always been a favorite measure with eight cents (\$659,122 98) of the State debt

that party, and every recommendation to tax our staple has emanated from the Locofocos. Even last winter two of the Locofoco Canal Commissioners, Messrs. Gamble and Painter, made statements that Coal ought to be taxed, and sent them in to the Board of Revenue Commissioners, urging their endorsement and recommendation of the measure to the Legislature. No Whig Governor, member of selt to be longer gulled by Locofoco asserthe Legislature, or State Treasurer, has ever tions.

recommended a tax on Coal in this State, and the people need not be under any apprehens FENNSFLVANIA, SS sion that Coal will be taxed if the Whigs remain in the ascendency. The only danger arises from the success of Locofocoism ; and although Mr. BIGLER may now be opposed to taxing Coal, we have no security from his

past life that he will not sign such a Bill, if his party should pass it. He voted for the Wilmot Proviso-he now denounces it-he voted for the Kidnapping Bill" as it is called -he now denounces it—and on nearly every question that he has not been on bath sides, he has been on the u cong' side, and, therefore, the people can only place such confidence and reliance upon his future course, as his past Bets are calculated to inspire. We will close this atticle by merely stating the people can be this atticle by merely stating We will close this atticle by merely stating the people can be this atticle by merely stating we will close this atticle by merely stating the same object. The the same object is all revenues, and to hold and apply the same object of the same object thereon accruing, firmly and voted for the Kidnapping Bill" as it is called

We will close this atticle by merely stating that F. W. Hughes Esq., in alluding to our publication and some remarks made by B. Bartholomew Esq., was very profuse in the terms, "fool." "knave," and "liar;" and he also discovered a typographical error, in our last paper, which though a small affair, he harped on it considerably, and it was the only part of his speech that seemed to delight his audience—but he received, on the following day, such an unmerciful castigation from B. Bartholomew Esq., that we, out et sheer compassion, refuse pursuing the subject further.
WORKING OF THE TARNEF OF 1846 The Asia which sailed from New York on Wednesday, took ou S995,396 00 in specie. There is more coing going out of the country than comes in from California. The ship ments from the port of New York alone, since the first of Lanuart will reach about thirty year one thousen of said debt, so that the said Commissioners, on the first Monday of September, in the since a constantly accound and probled.

than comes in from California. The ship ments from the port of New York alone, since the first of January will reach about thirty millions of dollars, more than has ever been exported from the whole country in any one year heretofore. The imports at the port of New York, for August, were as follows:: Year. Dutiable. Free. Total. 1851-812,531,249 & 8638,334 \$13,169,583 1850-10,750,339 246,249 10,996,585 Showing an increase of upwards of two millions of dollars, in a single month at that
