

# SUPPLEMENT TO MINERS' JOURNAL.

POTTSVILLE, OCTOBER 25, 1851.

## PROPOSALS FOR CARRYING THE MAIL IN PENNSYLVANIA.

Extract from the act of Congress of 3d of March, 1815, Section 18.

"And be it further enacted, That it shall be the duty of the Postmaster General, in all future lettings of contracts for the transportation of the mail, to let the same, in every case, to the lowest bidder tendering sufficient guarantee for faithful performance, without other reference to the mode of such transportation than may be necessary to provide for the due delivery, certainty, and security of such transportation; for shall any new contractor hereafter be required to purchase out, or take at a valuation, the stock or vehicle of any previous contractor for the same route."

Bidders will be careful to read the forms and instructions appended to this advertisement. They are requested to state, in their proposals, the mode by which they intend to convey the mail. Where the size and weight of the mails, or the speed called for in the schedules, shall require it, the contracts will be made for coach, steambot, or railroad conveyance, as the case may be, and consequently, such routes will be lot to bids proposing such mode of conveyance. In all other cases, the routes will be assigned to bids proposing the cheapest mode of transportation.

Railroad companies are especially notified that their regular bids are to be understood as including the supply of each office on the line of their respective roads, not over a quarter of a mile from a depot. Separate proposals for offices more than a quarter of a mile off will be considered.

PROPOSALS for carrying the mails of the United States from the 1st day of July, 1852, to the 30th of June, 1856, inclusive, in PENNSYLVANIA, will be received at the Contract Office of the Post Office Department, in the city of Washington, until 10 a. m. of the 9th of February, 1852, to be decided by the 1st of March, 1852, on the routes and in the manner and time herein specified, viz:

### Pennsylvania.
