Blue fire seen in the distance, from the centre of which the spirit of Donna Julia's father rises and goes to Heaven on a phonaix. Grand tableaux ---Julia and her lover tied in a hard knot."

THE SEA AND THE SAILOR.

One feature in the character of the sailor is his humanity to dumb animals. Though he may knock down a French sailor for wearing a coat with a tail to it, he will never turn out a poor old faithful horse on a public common to die. He leaves such accursed inhumanity to those who surfeit the guest, and and Asia Minor. starve his steed.

When pushed hard for fresh provisions on a cruise in the West Indies, we took our lines and angled for the dolphin., oOne was at last hooked and brought on board. As the good things are no sooner served than the this most heaptiful fish of the ocean was dy-'servant almost immediately whips them off again, no culinary preparation; however exing, I observed an old sailor leaning over i and watching his spasms. As its con npiexio trembled through the successive colors of the rainbow, to the last one, when death set his seal, a big tear floated in the eye of the old tar, while his lips half unconsciously mur-mured, "That's hard—that's hard!" He everything in a business manner, never think All the C of talking when they are eating. In all they
