- FROM CALIFORNIA The Steamer Georgia, from Chagres, with dates to the 10th, arrived at New York on Sunday morning last. She brings \$1,500. 000 on freight, and an equal amount in the hands of passengers—the largest amount ever brought by passengers at any one time. On account of the strong current running out of the mouth of the river, the Georgia could not land her passengers, as usual, at Chagres, but was obliged to run down to Navy Bay, where the passengers took the new Railroad, now in prosecution across the Isthmus. This was the first time it was ever used, on the 5th of December. It is represented to be in good running order as far as Gatoon. It is expected to be completed to Bazon Salsoda in two months, thus avoiding nearly forty miles of dangerous riv-OFFICE & DRUG STORE MAR- er navigation, and almost a day in time. The result Real Estate, No. 3, being a water method for the folious in the dicted months ago. It was foretold here, in London. A leading protectionist London journal warned you to look out for the influence of British gold. Yes, here, in England, where politicians know as well how much money to pay for votes-here, where whole boroughs are purchased for so many bags of British sovereigns—as at St. Albans here money was raised to corrupt the American ballot-box, and turn the elections in favor of the Democratic party! The grand object, of course, was to prevent the possi-bility of a high protective tariff in the United States, so that English manufacturers could send their goods to our markets under a low tariff, and consequently enrich them-The Lot is 60 feet front by 320 feet deep, fronting on another street in the rear.
