and very delicious. It is strongly fragrant, of a very pleasant, agreeable odor. It grows in a moist place of a few feet in cir-

cumference, near the house." Mandrakes are very common in various parts of our country, and we have knows

them successfully used as a medicine by those those skilled in the diseases of cattle. We

have known mandrake ten prescribed by an

old farmer, for the cow of a widow, which

everybody supposed to be dying, but, to the

astonishment of all, it recovered rapidly af-

ter the mandrake tea was given. Mandrake

have been known from very ancient times as

a soporific of considerable virtue ; small do-

ses of its bark have done good in cases of

hysteric disorders ; but if used in large dose

it has caused convulsions. It is recorded in

some works, that there is in the province of Pekin, in China, a kind of mandrake so val-

uable that a pound of its root is worth three

 Mr. I. P. Hoyt-Dear Sir.-Having used youg German Washing Powder, 1 can cheerfully recomend at to every person for washing and schubbling, believing it to be a great sating of time and in two blever in the subscription.

THE TRUE DIGESTIVE FLUID, or GASTRIC Julce: Trepared from Rennet, or the fourth stomach of the Ox, after directions of Baron Liebic, the great Physiological chemist, by J. B. Houghton, M. D. of Philadelphia, Pa. This is a truly wonderint itemedy for Indigestion, Dyspepsin, Jaundice, Liver Complaint, and Debility, Garing after Nature's own method, by Nature's own Agent, the Gastrie Junce. Italf a tenapoonful of Pepsin, Infused different will digst or dissoive, Five pounds of Roast Beef in about two hours, out of the stomach. Pepsin is the chef element, or Great Digesting prin-ciple of the Gastrie Junce. It is extiacted from the Digestive Riomach of the Ox, thus forming an Artifi-tic Riomach and Intestines. It is extiacted from the Digestive Riomach of the Ox, thus forming an Artifi-cial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a com-plete and perfect stubativity of the study of this preparation, the pains and evils of Indigestion and Dyspepsia a reremoved, just as they would be by a healthy flomach. It is doing wonders for Dyspeptics cutting cases of Debility. Emaciation, Nervous De-ciline, and Dyspeptic Commission, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree reurious and remarkable.'
