steat revolution of affairs will also occur in An innustal Horm will pass over the land, the which the Austrians' will disappear like in Then the different States of Italy will unite medices into one great nation, and Rome will be the tentile april of the Italian Republic; for here to princes shall exist no more. At this time the restant Religion will have to contend much must athests; men will pronounce it a worn-out as and faith in a divine Saviour will decay, as were Finally, however, a new defender of the honor will appear, and the worldly power of Popo will be destroyed forever, and the really intim church rise in influence and power. The rice will be pensioned, and none shall exist after the

if it be asked, where are they? no one will be able

that are an abomination to the Lord. Then a wo-man will arise who shall preach the true religion, and all nations will be converted unto the doctaines NINE YEARS OF THE FUTURE.

A state of the proper progress of Republicantism and free Principles—The final Millensium of the World.

Mr. Elias Schneider, of this place, transes for us the annexed singular Prophecy of the German—he introduces it with the lowing explanation:

REMARKABLE PREDICTION.

The article below is a translation of a small Gerapumphlet, several copies of which were in the date of a number of persons in Pottsville, before revolution of 1845 broke out in France. No persone was attached to this prediction at the and the pamphletavas thrown aside as worthy to notice; but since it has, in many things, bene so remarkably verified, I can withhold its become. It was made on Christmas the color of this new messenger of God, for she will be converted unto the doctaines of this new messenger of God, for she will proclaim the religion of love, liberty, and justice, which also the the kingdom of eternal felicity will be introduced. The favor of heaven will gain descend upon men. The favor of heaven will take place, which has mong men, so will nature also shower its bounties upon them. A harvest will take place, which has mever been like it betore. The potatoe will no more suffer from disease, and the grape will be so abundant that the poorest will have plenty thereof.

Great discoveries will be made in the department of Mechanics, through which the slavish burden of labor will be much diminished. Neither will these and disadvantages to the laborers; and instead of being the property of a few, their influence will be felt by the mass, and no hatred and misondarstanding will exist between any classes. Being mitted by love in one faith they will worship one tord, out of goodness and mercy, will no more without the kingdom of eternal felicity will be introduced. The favor of heaven will lagan descend upon men.

The article below is a translation of a small Gerapumphlet, several copies of which were in the influence will be made in the department of Mechanics, through which the slavish burden of labor will be

VALUABLE PROPERTY POR SALE.

if it be asked, where are they? no one will be able to answer.

The Sings of Denmark, Sweden, and Norway will lay down their crowns voluntarily, and thus guard their lands against the storms which will visit all the rest of Europe at that time. These kindred nations will unite themselves into one brotherhood, without any acts of violence, and under the title of Scandinavian Republic, they will assist in fiastening the overthrow of the Russian Emperor. For, about this time, all mations will rise up against the Czar of Russia. Thousands and thousands of combatants will advance towards the North, where the Czar will have brought together the Morth, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the North, where the Czar will have brought together the County of Schuylkill, before the sudgest

North, where the Czar will have brought together his Asiatic hordes for the purpose of once more inundating Europe. Upon a plain, from whose centre in and for the eye can see no limit to it, these combatants will
rush upon one another, and their bloody slaughter
will continue for the space of eight days, when the
nations of Europe will, at last, come off victorious.
It will be the greatest battle that was ever fought,
and also the last, for then the kingdom of God
is the kingdom of love and justice, and in the name
of both these virtues, all natious of the Earth will
bind themselves in one brotherbood. Men will no
more ask one another, who art thou? and whence
comest thou? but will love one mother as brothers,
and none will regard himself better than another,
nor wiser and greater than his neighbor. Many
false apostles will arise and disseminate doctripes
that are an abomination to the Lord. Then a wo-

RUMORED DUEL.

The New York Times, of Wednesday, had a Telegraphic despatch from Baltimore of an anticipated duel between ex-Governor John-

aton and Senator Cooper. We have seen nothing to confirm such a umor since. Mr. Cooper, we observe, was in the Senate, as usual, on Thursday. The report probably originated in mistake, from the Richmond affair, in which one of the parties was named Johnson.

PENNSYLVAVNIA LEGISLATURE. This body has been principally engaged. since our last issue, with petitions, &c., from various parts of the State, relating, mostly, to matters of only local interest.

FROM CONGRESS. Spirited debates have been had in the Senate, on the bill making grants of the public lands to the old State, sfor purposes of education and improvement; on the subject of National Intervention, and the Compromise resolutions. Except these, nothing of importance has occurred, during the week, in either House.

P. S. A Resolution, offered in the Senate

without any definite action on it. The same day, in the House, a bill was

passed, making an appropriation for the relief of the Cuban prisoners pardoned by A bill was also reported to amend the Post-

age Law of the 3d of March 1851, which was read twice, and committed. It relates to newspapers, pamphlets, and other printed

THE TARIFF IN NEW JERSEY. A Tariff Resolution passed the New Jersey Legislature on Wednesday, asking addi-

tional duty on Coal and Iron, by a vote of 43 yeas to 14 nays-the nays were all Locofocos ! HENRY CLAY. Mr. CLAY's health, we are happy to

observe, is improving. He was able to ride

out, on Thursday, for the first time since his

illness, accompanied by his physician. WHAT'S IN the wind? Some eight or ten of Marshal Keyser's Police force orrived here vesterday and the day before,
