State from open rebellion and civil war, but disons, and are our weakness, and our inno-

violent death, the one by the assasins of an upprincipled enemy, and the other by the treachery of bis triends." ""Webster and Scott remind us, in many "The W THE GOLD DOLLAR. "Webster and Scott remind us, in many if rich, in aimless, pitiless trifling? How The Washington Telegroph, referring to respects, of Cicero and Cæsar. Cicero was many, strange to say, marry for the inde-the proposition to coin gold dollars and halt not more distinguished in the Senate of Rome pendence they dare not otherwise claim. dollars in the form of a flat ring, thinks than Webster in the Senate of the United But the snare-paths open to us, the less fear it is a good idea for half dollars, but not for States ; and the most brilliant military cam- that we should go astry.

EATING AND DRINKING.

are not fond of cold meat. In the morning,

dollars ; and the reason is, that the present paigns of Cæsar are even transcended by the splendid line of victories achieved by Gene-tral Scott, from Vera Cruz to the city of Mex-men to be "happy wives and mothers;" inconvenience and its liability to be lost in seat, like the true philosopher, who believes that the pleasures of the world are worth en-joying. The great American orator overtops the example of his "illustrious predecessor:" wile and mother, and will enable her to find the spends the income of a millionaire on the and happiness." the paper would circulate almost exclusively. A sufficient number of gold dollars would,

in all probability, drive the paper dollars out The Poles seldom eat any breakfast, and of circulation-"a consummation deroutly to be wished."

PALPITATION OF THE HEART.

both men and women generally drink gin be vain, ambitious and corrupt ; while Scott is also considered as having a tull share of self-conceit, of "fuss and feathers," and as-pirations for the White House : but no one can charge him with corruption. Here the parallel between him and the Roman falls to the ground. In one point, Casar was fat the the ground. In one point, Cresar was far the dom furnishes the table either with spoons, that the physical signs of organic diseases of dom furnishes the table either with spoons, that the physical signs of organic diseases of superior of Scott-in the art of letter-writing: the state the test of guest, or his ser- the heart could be detected; and hence we have a state with heart could be detected; and hence we but his dinner was never curtailed to a "hasty plate of soup," and he had no Secretary Marcy sitting in savage judgment over his literary productions, and cutting them to pieces by his bulleting from the War Office. It is doubtless from this cause that Scott has become disgusted with letter writing ; while It is doubtless from this cause that Scott has become disgusted with letter writing: while Crear, never having been restricted, wrote as handsomely as he fought. If he won a bat-tle by superior skill and discipline, he de-scribed it in a style of equal superiority over all competitors. "The parallel might be further pursued, even to the unnatural fate of the two distin-mished Romans. Scott, like Crear has a guished Romans. Scott, like Cesar has a Every person of rank and means has his the effects will cease.

rery fair prospect of being elevated, upon his banquet hall in his house, devoted exclusive-

to very tair prospect of being elevated, upon his military glory; to the head of the govern-moot; and after reaching that exalted sta-tion, he may, possibly, like Cesar, and "Tippecance and Taylor, too," be murdered by his friends. True, there is some differ-ence between killing by poinards, and killing by kindness; but the result is about the same, and the fonew a like form which is seldom removed, until its original by kindness; but the result is about the same, and the fonew a like form which is seldom removed, until its original by kindness; but the result is about the same, and the fonew a like form which is seldom removed, until its original by kindness; but the result is about the same, and the fonew a like form which is equally offensive to sight and smell. The will versive the attention of no the attention of no the attention of the tollowing :- That we will versive the attention of the same attention of the same attention of the tollowing in the attention of the attention of the same and the funeral expenses alike. As for Mr. equally offensive to sight and smell. The

and the funeral expenses alike. As for Mr. Webster, it is to be feared that, like Cicero, after having saved the country—after having waited in patience so long, for "the good time coming," he will yet be destroyed by bis-enemies. Cicero was assassmated while attempting to escape, in a litter, from the rengennee of Antony; and Mr. Webster, we fear, will have to be carried off in a litter from the Philadelphia "Slanghter House Convention," the following being the pail-bearers:—Messes. J. W. Webb, Edward Cur-is, Tom Marsh, & Co." When the master asis twice for whoe, the post of the line of the strong eridence of his want of servant brings a double quantity, which they not only have strong eridence of his want of both drink alternately from the strong data intelligence, but that he will prove too stingy both drink alternately from the same glass without masing. The large quantities of to provide for his family, educate his children Trumerr in Love affairs is a proof vietuals brought from the kitchen are seldom for encourage institutions of learning in his

Trumertr in Love affairs is a proof vietuals brought from the kitchen are seidom vietuals to the feature of sincerity. "Do tell me," said a city vis-itor to a country lady. "If the report was generally steal what they do not ent. After To Goo has made no one absolute. The true that your hashand fainted away when the cloth is removed, the Poles retain their rich depend on the poor as well as the poor seats for a long time, while they excessively on the rich. The world is but a mere mag-indulge in wine. They are very dexterous nificent building, all the stones gradually "I believe I must coalirm the story, and I at carving, and will cut a partridge into six commented together, have a fancy," she added thoughtfully, "that holding it on the end of a fork.
