land, and received by the last Steamer. It

s important in the present aspect of affairs

The Europe. G. BY A PAPAL Coup D'ETAT.-We (Dubin He-ald) have received the following letter from a gen-tleman of great intelligence and the most ecrupu-lous verseiry. To every tittle of his narrative, therefore, the most implicit credit may be attach-ed ---- I have the honor of a prissi's acquaintance, whose connection with the most influential society of Romanism gives him the means of acquiring in-formation on every matter which relies to the main-

or nomanism gives him the means or acquiring in-formation on every matter which relates to the religi-ious or political events now aguaing the entire of Europe. In the course of a conversation with him yetterday, bearing upon the history of the Papacy, I adverted to the unprincipled act of Adrian IV, in bestowing, without having any claim whatever to it, or even a possible pretext, Ireland upon Henry II — After an elternized mustification of the act he relia

After an attempted justification of the act, he said

that there was now a rumor generally circulated among his brethren, and which he did not see ree-

son to question, that a similar Buil may at this ruo ment be in the possession of Louis Napoleon, con-ceding to him the British dominions, and that he

reduing to him the British domainons, and that he mapfit, at surv, opportune time, come and legally in-vade these islands, counting upon the aid of every genuine "Catholic" in the kingdom, which he would demand, and rightly, in the name of the Pope. "He telt assured all Roman Catholics would prompt-

PERSECUTION. - Mr. Leahy, a prose-

lyte from the Roman Catholic Church, has

been creating quite an excitement by his lec-

tures, in Baltimore, this week. It will be

recollected, by those who read the pamphlet

he published some three or four years ago,

containing his history, that he considers him-

self deeply aggrieved by the Catholic Church,

and having eventually apostatized from that;

faith, he makes some scathing disclosures in

his lectures, respecting his treatment by the

Romanists—hence the bitter persecution with 💪

which they everywhere pursue him. On

Monday night they had mobbed him, but for

D COUNTERFEITS, on the Harrisburg

Bank, \$10, also on the Wyoming Bank,

Wilkesbarre, are in girculation. The former

are well executed, but the latter, coarse, and can be readily detected, with examination.

IT DECIDED. - The opinion of the U.S.

Supreme Court, in the Gaines case, was de-

livered on Monday. It is against Mrs. G.,

on the ground of the alleged marriage be-

tween her mother and Clarke being invalid.
