Miners'

Saturday Morning, March 27.

take warning by the weakness of their op- Journal.

against the grain:

Pennsylvania, has the best chances at present, of being the candidate of the Democratic Convention to be held at Baltimore on the first of June; that Wistield Scott, of New Jersey, will most likely get the nomination of the Whig Convention in ly get the nomination of the wing Convention in Philadelphia, on the 17th of the same month; and that the Abolition Convention—otherwise called Free-Soil, Anti-Slavery, and Intervention—which is about to be called in July, will put forth the name of Charles Francis Adams, of Boston, or J. P. Hale, of New Hampshire, as their standard bearer. But of these three candidates put forward to the people of the United States by the three orshall not be elected President for the next term of

recent State Convention of Democrats in Pennsylvania, indicates beyond a doubt that James Buin the South, and in some degree elsewhere. Mr. Buchanan is the only candidate who has thus far twenty-six votes for the Presidency. All the other numerous candidates of the Democracy come enhbut Illinois is a minor State. The largest central State, New York, is divided among several. And thus we might run the whole round, leaving to Br-CRANAN alone the overruling fact that he

State a leading one in the lastory of Democratic that he will receive in convention the most of the Southern votes, and will, therefore, unquestion as far as appearance now indicate, be the candidate of the Baltimore Convention. The new platform of that body will be the one recently put forward by the Harrisburg Convention of last weet _ | cented. the Fugitive Slave law, in all its integrity, to be considered fixed and irrepealable on the statute book, with all the other measures and issues of the Democracy. In addition to these facts and infer-AN, and thus render certain and positive his nom-

But while recent events convince us that the chances are that Mr. Buchanan will receive the nomination at the Baltimore Convention, the same facts render his election in November next extremefacts render in selection in soverment extremely problematical. This uncertainty in his prospects does not arise from the mighty or magnificent popularity that may be credited to Gen. Scott. who our disaffected provinces of South Carolina their character, but wider in their character, but wider in their extent, than those from which they suffered in 1848. The restrict material and Georgia, says that paper. That he entains and heated—between the two can didates of 1848, produced a disorganization in the didates of 1848, produced a disorganization in the ranks, which drove off part to the Whags, who feeling towards American unity we may feeling towards American unity we may feeling towards a feeling towards and the control of the con VAN BUREN. Instead of this one cause of discontinuity, which operated so materially in 1848, there are now eight or ten growing out of the numerous candidates, all of whom will be disappointed, as MR. WEBSTER. What long scores of merit. show itself in the ranks of that party at this early Southern Union cries! It would be the day; and all the efforts of southing epistles and concultatory letters will amount to little, in opposite halm of Gilead to the pride of the unhorsed tion to the revenge, disappointment, and outman-agement among those who will be thrown aside. Who shall assure us but that The position and prospects of the Whige reverve encouragement not only from the desponding appearance of the Democrats, but also from their pearance of the Democrats, but also from their running to and from the land, and curious running to and from the land, and curious running to and fro in the land, and curious structed management of their leaders. Willight H. Seward, one of the shewidest stad most cunning of the Whig abolition leaders of the North will carry all his points and purposes in the approaching standard house. Convention, in Philadelphin. Gen. Scott wire the candidate. He also he only man who has now observed the scheme? Kassuth is locked upon by the adelphia. Gen. Scott with be the candidate. He is the only man who has any chance among the Whig States in the Centre, North, and Northwest. Mr. Webster has already, in the recent meeting in this city, received his final settlement, from the very fact that his nomination proceeded from the tanking and financial classes. The Southern States of rather the Whig portion of the Southern States of rather the Whig portion of the Southern States of rather the Whig portion of the Southern States of rather the Whig portion of the Southern States of rather the Whig portion of the Southern States of the Magyar has labored at the North, making friends at every step, the Austrian has been excessively stirring at the South, and whether or not we may settlown. South, and whether or not we may settlew ments to a logical or merely accidental sequence, is a question for thoughtful exami-1AYLOR planted minisci, win so, much success, in 748. His lattles will be enumerated, his victories counted by the dozen—but his opinions will be forgotten, and his statesmantike principles entirely overlooked. Yet the Whig masses at the North will understand the movement, and support him will understand the movement, and support hi

HARRISON.

The Anti-Slavery party, or the Free-Soilers, as they call themselves, will also be in the field, as during the last few Presidential elections. Their candidate will, undoubtedly, be Mr. Adams, of Boston, or Mr. Hale, of New Hampshire, and their Convention. Which is to meet at Pittsburg in July, will avail themselves of all the Kossum and intervention questions of the day, the repeal of the Figitive Slave Law, the agitation of Anti-Slavery, and everything of the like nature—Maize Liquor Law and all—which may have formed part of their programme in former years, or can be a topic of the

This appears to us to be the condition of the Presidential question at this moment, and the property of the nominations in midummer and the election in autumn. Mr. Buchanas will, in the election in autumn. Mr. Buchanas will, in the Democratic hard by the Democratic party, there is no one who we not be more certain of the electoral vote of Pe doubtedly, he the candidate of the Democrats; but, from their own internal dissensions, he will most like ly share the same tate which overtook Gen. Cass in 1848. Gen. Scott has the best chance of any one now in the field only his chances are made up fore. of the Anti-Slavery party, more than from the popularity of his own name or the strength and concentration of the party that will follow him."

In the dark days of yore— Those days of wondrous mysteries, When red-men roamed the forest wild, Their Lodges on the plan-'Twas ere the pule face came and drove, A wanderer in his tatherland, An exile doomed to roam 'I was when they smoked the Calumet. Or dug the hatchet from its bed, At war's invading sound-When warrior braves with martial shout Pealed forth the battle cry; And bill and vale resounded with, The war-dance booming high; When plumed and quivered for the fray, With bow and spear in hand, And hatchet in the wampum belt, Leap'd forth the warrior band-When Nature in her wild array, Vas decked in rosy prime More lovely shone the pranking dame, All in the olden time; When babbling brooks were sheen with flower Beneath the sylvan shade Where dark-eved Muidens of the woods, Their floral skill displayed-No noontide beam could pierce the shade,

Within that hosky del A spot if seemed where man, secure, Might calmly ever dwell; Where honey-bee, with drowey hum, Flitted from flower to flower Beguiled the mid-day hour-Where squirrels leaped from branch to branch And chattered in their glee; And dragon-flies in glittering mail, Skimm'd o'er the waters fre And where the dashing current toamed, And gemm'd and deck'd each tree and shrub

With flowers and verdant spray-Where dun deer drank the lucid stream, And hérons wheel'd on high, And eagles from their eyries sour'd, Aloft into the sky-'Tis said those sylvan solitudes, Dim glimmering and serene. Whose mystic scenes no eye had scann'd, No mortal foot-tep been-Were haunted by a fearful Gnome, were namined by a rearm chome,
A monster, fierce and dread;
Named by those children of the woods,
The demon Gungerged;
Who reamed the wold, a buge whar-wolf,
And Indian squaw and maid
Paled at the name of Gungerged,
If from the lodge they strayed.

And wail and lamentation loud.
Arose, and sore dismay,
When prowling stole the horrid Gnome, A young Pappoose nwny— And Prophet, Priest and conjurer, Their spells had tried in vnin, And the Great Spirit off invoked, The demon to restrain. At length the beauteous Lolaice,

Their old Chief's only child, Was carried by the Goblin eff, Into the darksome wild— Poor Lolalee, Poor Lolalee! By old and young adored,
Was lost; the Sachem bowed his head,
The tribe their loss deplored. In vain Mettoo, the youthful brave, Searched every monning glen-Alan! 'twas vain, sweet Lolalee, Was never seen again;
Nor from the day he stole away
Fair Lolalee, their pride,
On Nantic's banks was ever seen,
The Goblin or his Bride.
