STILL ANOTHER REMARKABLE

AGENCY OF DR. SWAYNE'S
COMPOUND SYRUP OF WILDCHERRY.
READ, AND BE CONVINCED.
POINT OF ROCKS, Frederick County, Md., }
June 9th, 1851. }
DR. SWAYNE.—*Dear Sir:*—Believing it a duty I owe to the public, and in justice to you, I have thought proper to make known one of the most extraordinary cures, in my own case, that has ever been truly recorded. In the month of October last I was attacked with a severe gathering in my breast, which formed in large abscess, and also communicated to my Lungs, and very much afflicted them, and discharged large quantities of corruption, external and internal, that is, large quantities passed through my Lungs and threw up. My breath could also pass through my Lungs, and out through the cavity of my breast with apparent ease, attended with a violent cough, day and night, loss of appetite, and great debility, so much so that my physicians thought my case entirely hopeless and beyond the power of medicine. I continued in this wretched condition for a long time until I was reduced to a mere skeleton, and there seemed to be no hope for me, but having read in the public papers of the many wonderful cures performed by your CELEBRATED SYRUP OF WILD CHERRY, I immediately sent to Baltimore for five bottles and commenced its use, and to my great satisfaction and anxious family, the abcess or opening in my lungs began to heal, and the cough subside, and on using ten bottles I was restored to perfect health. I feel very grateful and firmly believe, that to your valuable medicine, under the blessings of Divine Providence, I am indebted for this great change, and I am happy to say that I am now enjoying as good health as I ever have.
For the satisfaction of those who are not acquainted with me, I append to this certificate the names of gentlemen well and favorably known to a large portion of the citizens of Maryland and Virginia, and will cheerfully answer all who are desirously afflicted to try your wonderful and invaluable Compound Syrup of Wild Cherry. Yours, *Very* Respectfully,
THOMAS DIXON.
The subscriber is well acquainted with Thomas Dixon, and can testify that he has been afflicted as above represented. I regard his recovery as almost a miracle. He is a worthy member of society.
JAMES R. DURBOROW,
Pastor of Berlin Circuit, Baltimore Conference.
We, the undersigned, residents of the Point of Rocks and vicinity, are acquainted with Thomas Dixon and know him to have been afflicted as above represented and was thought by his friends, as well as by our selves, beyond the reach of human, to be cured by the exclusive use of that inestimable remedy, *Dr. Swayne's Compound Syrup of Wild Cherry*, is now restored to perfect health, and we feel duty bound to recommend this valuable medicine to all who may be similarly afflicted.

Fred. Stuck, Merchant,	O. Thomas,
Lloyd C. Beall,	W. H. Lewis,
Samuel W. Hauser,	E. W. McGill,
William S. Watkins,	Philip Haines,
John Walter,	Philip Melgaubon.

The above invaluable medicine is the result of many years extensive practice in Philadelphia by Dr. Swayne.

Very Important Caution.
Remember no preparation of Wild Cherry is genuine, except the original article as prepared by Dr. Swayne. See that his *Portrait* is on the wrapper around each bottle. Until you obtain this Compound you will never know the real virtues of Wild Cherry.

DYSPEPSIA OR WORMS.
Swayne's Celebrated Vermifuge
A safe and effectual remedy for Worms, Dyspepsia, Cholera Morbus, Sickly or Dyspeptic children or adults, and the most useful Family Medicine ever offered to the Public.
J. J. AYERS, a highly respectable merchant of Williamsport, Pa., states: I have tried your Vermifuge in my own family, and can speak in the very highest terms of it. My wife is so much pleased with it she will use no other.
Remember: none is genuine except that in square bottles, with the portrait of Dr. SWAYNE on each wrapper.
☞ See that the name is spelt correctly,
SWAYNE.
Dr. Swayne's Sugar Coated Sarsaparilla and Extract of Yellow Dock.
These are undoubtedly the best Pills offered to the public, and no family should be without them. Safe and sure in their operation, without pruning or griping pain or unpleasant feelings. They are peculiarly adapted to cleanse and purify, thereby rendering it fit to nourish and invigorate the whole system. A few doses will oftentimes prevent a severe attack of sickness, and for complaints to which females are subject they are invaluable. No Pills can have a better effect than these for monthly irregularities which occasionally happen to women. They assist at the commencement of puberty; also when there is a check from cold, or improper exposure, and even at the time of their entire cessation. By taking this medicine women would be carried on through with the change of life without danger or infringement on their more youthful days of womanhood.
Be particular to obtain the genuine, see that they are in boxes turned out of the solid wood, covered with a red label with the signature of DR. SWAYNE thereon.
REMOVAL.
DR. SWAYNE, Proprietor of the widely celebrated COMPOUND SYRUP OF WILD CHERRY and other FAMILY MEDICINES, has removed his Principal Office from the corner of Eighth and Race streets to No. 4 NORTH SEVENTH Street, above Market, Philadelphia, where all orders must be addressed.

SILVER'S MINERAL PAINTS,
THE wonder of the age, nature's own productions. These Paints differ from all others in the market; they are not clays; they require little Oil, flow easily, and cover with a heavier body than white lead. They neither crack nor peel, and dry readily, making an ENAMEL OF STONE.
COLORS.—We have seven different colors, viz:—three Browns, two Chocolates, Black and Yellow, and by combination make every variety and shade of color.
BODY.—These Paints are superior in body (or covering property) to any yet discovered, and pound for pound will cover double the surface of white lead, zinc, or other metallic Paints.
IRON.—To Iron they furnish a perfect protection against rust, for they contain no metal, which like white lead acts destructively on the iron; in fact this Paint makes Iron doubly valuable for building purposes.
BRICK WORK.—They give to house walls a much heavier coating than other paints, and if sanding is required, nothing holds so firmly or finishes so well with it.
OLD ROOFS.—Give us a roof, never so old and leaky, Silver's Mineral Paints will make it cheaply new and more enduring than it ever was.
SHIPS using this extraordinary Mineral as we prepare it for them, will be proof against the action of hot suns, worms and salt water.
CAPITALISTS and BUILDERS are invited to make strict scrutiny into the merits of these Paints. They will find a very great reduction might be made in the cost of painting. These Paints are purely mineral; all clays and other impurities are washed out in preparing them for the market. They cost but half the price of white lead, and the same quantity will cover twice the surface, and last six times as long, which in fact reduces the price to one twelfth. Climate has no effect on this Paint, and is equally valuable in the cold Canadas or sunny Florida.
DIRECTIONS.—Use Linseed Oil, mix as thick as you can, and use as other paints. These Paints need but little dryer, and for priming are second coating in all housework they will be found far cheaper and, more durable than lead.
