sind have found that medicine of great worth. Last November we were visited by a kind of inflam-matory fever, (the same 1 prevenue which greatly af-flicted our neighbors, the Brazhlans, fornenity a year) the symptoms of which had an matory to the yellow fever, and nearly three hundred perions fell tietras to the epidemic (a great number for a population as small as ours.) Our doctors timmed it the true yelow fever, but their skill was meficient to stop its progress, con-fining their mode of treatment to the use of quinne, and the application of leeches, forbidding the use of purgatives, and of course all the soldiers and salors, who were obliged to be sent to the Hospitals, as also I the Governor, several Magistrates, several officers, and in fact all those who were really afficted with the disease, fell victims under their mode of treatment. A month previous. I had received three dozen boxes of Dr. Wright's Pilts, which I presume were bought at your store by Messiz. Goldsmith, Newcomb & Farles, merchanne in your eigh roof, who were affilied these Pills to several under my roof, who were affilied these Pills to several two choises of eight Pills each completely cured them of the complaint. I then grave away heatly all my Pills to some twenty or thir-ty persons, and sill were relived and two there of the chantment. Thave, in conpequence, remitted to Messrs. Gold
