be continues, "that the nomination of Gen. Score has never been advocated on Free Soil grounds or with any reference at all to feelings of opposi-tion to slavery. On the contrary, those who have worked to secure the present result in the State, have from the first and throughout earnestly contended against mixing the slavery question in either the nomination of the election. It has been their wish, and still is to fight the buttle on the old Wing consultation, and for ascertaining the opi- rals of our Locofoco neighbors, we may venture to wish, and still by to light the fattle of the old W hig grounds, such as the Whigs of the nation can unite upon, and such as they have always been united upon. They have said and still say. Let us leave this whole matter just where it is. It is not to be a mere trial of strength among the candiferm Whigs and all Northern Whigs and all Northern Whigs should agree mether opinions upon slavery. Nor is it necessary that they should startery. There is no question representations for Summer Visitors.—Last agree. There is no question involving slavery now before the country. But there are other questions of great importance, as to which all Will place the election of any man against Whigs are agreed, upon which a decision will be language and such the aims of the friends of Gen Scott in New York."

This we regard as a clincher, and ought to settle the question, though if it doesn't. we have no doubt there are a few more left of the same sort.

PENNSYLVANIA ABROAD.

SCOTT-THE UNION CARDIDATE. The Cincinnati Atlas, commenting on the icipated effect upon the people of the whole

larging of double sheet. We select the following the dispensation of patronage; not that success which appears solely in the exhibition of a numerical majority and a dominant party; but such success as shall exalt our Constitution to the place where it rightly belongs, and re-enthrone it in the hearts of the people as their legitimate ruler and true guide to that high destiny which is their birthstate. Substitute the following the distinct of the Million —continued, "McCallum's Timber Bridge," Railway Axles," &c., &c. Substitute of the Million and the the Mi

right in the future.

We want to bee a President nominated upon the broad basis of a piedge, expressed or implied, that he will faithfully support the Constitution, and rigidly enforce the laws of the United States. Upon idly enforce the laws of the United States. Upon no narrower platform than this do we desire him to stand; and here we believe that we speak the sentiments of the people. They require no Chief Magistrate with Northern feelings nor with Southern feelings. TRUTH and a true declarations. TRUTH and a true declarations "Committed to no section, but with views broad enough to include the whole," would inspire the souls of the masses to an exertion in favor of him who had the boldness to avow it, that would carry him to Presidential honors at the top of the highest popular flood that ever rolled between the St. Lawrence and the Gulf of Mexico.

popular flood that ever rolled between the St. Lawrence and the Gulf of Mexico.

We believe that the people are ready for a candidate upon such a platform. False issues, and feigned issues, and local issues, and temporary issues, and partial issues, have had their day. There is a feeling abroad that the renovation of the Government upon constitutional principles is necessary. They are prepared to hear the truth in that behalf, and understanding, to act upon its suggestions. There is a tale of an ancient city once stricken
