Mesers. W. &. S. B. Ives. Metchants, Salem:—
Gentlemen—For some years past I have adopted in my family, as a purgative, Dr. Wright's londan Vegetable /Pilis (for whom you are his agents in Salem) and have found that medicine of great worth.
Last November we were visited by a kind of inflam-Mexicans.

NOTICE TO PENALES.

NOTICE TO PENALES.

John Bull's Sarsaparilla is one of the greatest femals in edicines now in existence. In those numerous scares where the constitution is debilitated, the nerwous energy is lessened, when the efforts of nature or weak and defrient, or are profuse and over the vous energy, is lessened, when the efforts of nature wrought, when the face is pale and coloiless, the strength feeble and yielding, the spirit troubled and depressed, the health broken, mind shaken, and consequently, the happiness destroyed—then Bull's Sarsaparills is a sovereign remode or treatment.

A month profuse, I had a received three dozen boxes with a brush, the same as ordinary pass, to wood iron, this, zinc, canvass, paps, &c. I had deep were by Blesses. Goldsmith, Newcomb & ality and becomes fire-proof. It is particularly suitable for roofs of buildings, steambout a dear-decks rallroad bridges, fences, &c. A coofcoated with the article is equal to one of state, at a vast saving of expension, the health broken, mind shaken, and consequently, the happiness destroyed—then Bull's Sarsaparills is a sovereign remode.

A month provious, I had a received three dozen boxes with a brush, the same as ordinary pass, to wood iron, this, zinc, canvass, paps, &c. A toofcoated with the strength feedle and the complaint. I then grade with a wind a depression of the complaint. I then grade way nearly all two doses of eight Pulls of the complaint. I then grade with the same fever, and two doses of eight Pulls of the first at vast saving of expensions, and all word relieved as it were by enchanged the provided the provided three for roofs of buildings, steambout a dear-decks rall two doses of eight Pulls of the for roofs of buildings, steambout a dear-decks rall two doses of eight Pulls of the for roofs of buildings, steambout a dear-decks rall two doses of eight Pulls of the for roofs of buildings, steambout at dear-decks rall two doses of eight Pulls of the for roofs of buildings, steambout at dear-decks rall two

gave away nearly all my rills to some twenty of thirty persons, and all word relieved as it were by enchantment.

I have, in consequence, remitted to Messra. Gold smith, Newcomb and Farless, the sum of forty dollar sm the purchase of that quantity of this medicine, as foreg of you to deliver the Pilis as fresh as possible. I sequest you also to desire lir. Wright to have hid directions translated in French, which willtend greatly to circulate his Pilis not only here, but his on the other colonies where the population is more numerous. Escuse me, gentlemen, in the liberty I have taken to address you this letter, which, for the sake of humanity, I have been compelled to do, as I do not mean to speculate on an article which proved salutary to a number of poor people, and in fact most of the population is reduced to a state of indigence, and it would be sinful for any one to seek fucre in such a way.

Accept, gentlemen, the most respectful salutations of your very obedient servant.

The medicine is for sale, wholesale and retail, either in English, French, German or Spanish directions, at the Principal Office, 109 RACE Si., Philadelphia.

And for sale by

THIS Embrocation is prepared of ingredients which I form a very active, yet entirely safe and pleasant preparation. for Bheumatism, &c. The proprietor being aware that there are great quantities of trash in the country under the name of Embrocation, Lindonstead and Found Omdeldor, shadhully worthbear being aware that, there are great quantities of trash in the country under the name of Embrocation, Lininents, and Liquid Opodeldoc, absolutely worthless, nevertheless, feels great confidence in saying to the afficied, that this is superior to everything class in use. Hundreds of the most respectable persons and families have given their testimony in favor of its superiority. It operates in many cases tomediately, and persons who have been suffering under extreme pain in the side or limbs, or from bruises and syrains, have found instant relief from a thorough rubbing with this embrocation. Try it and you will not be disappointed. Price 25 cents per buttle.

CAUTION.

The late Joseph J. Jevy & Steel Pens, for sale here This late Joseph J. Jevy & Steel Pens, for sale here duty, in order to preserve the high reputation the above Pen has sustained for so many years in the government office's and throughout the commercial community, to adopt this mode of cautioning the public against a commercial Pen attempted to be palmed off as the original one, well calculated to deceive from the close imitation of the late Mr. J. ery Signature on the interior of the hid of each box, and also of the shape and labeling of the same. These spurious goods have been got up by certain parties not only to supply persons who sell cound the city, but also for the putpose of introducing in a legitimate form, through some portion of the trade to the public; repeated complaints of late have led to inquiry, which show, in some instances, they have succeeded in this. It lies, therefore, become expedient to establish a guidel for the detecting of three counterreits. All boxes will for the SOLE ALERT & have the SIGNATURE of the SOLE AGENT, 8. PHILLIPS, in his own handwriting on the outside:—
NOWE ARE GENERAL WITHOUT THIS, let them come from what source they may, and NIONE is furnished with the original Pen to sell under ARY curoustrances. The attention of stationers is particularly called to the forgoing facts, severaltawing been imposed upon. The Agent has the original book of certificates from the banks and government offices with him; also his appointment from the administrators in their own handwriting.

15 The subscriber has been appointed Sole Agent for the sale of these Pens in Schuylkill county, where the genuine article can be had. These Pens are used in the Custom Houses and Public Offices at Washington, and are pronounced the best Pens in Rec.
