OUR MAILS-THE DIFFICULTY. We have just learned from Washington

that the Post Office Department has offered the Reading Rail Road company \$14,550 the full pay allowed by Congress for seven days service in the Third Class, and only requiring the Mail to be carried six days. The Company, we learn, ask \$200 a mile, which . The Philadelphia Mail now leaves this ranged as follows: place at 4 o'clock, in the afternoon, instead Miss Elizabeth Lessic, as Goddess of Liberty. of 6 A. M. Letters for places along the line must be mailed by 3 o'clock—those for Phil- ed. borne by

adelphia by 31. The change is more favorable to the business community here, though so far as our newspapers are concerned, we are worse off than before. NEW HAMPSHIRE'S CLAIMS.

Gen. Pierce possesses all the elements of popularity, and his selection is a compliment to New Hampshire, of which that small but uniformly Democratic State is well worthy.—*Bost. Post.* A very pretty paragraph-but is New Hampshire so "well worthy" of furnishing. a President to the United States, as here represented? The Albany Journal emphatically answers thus:--"New Hampshire is the very last State in the Union which should be honored by a special compliment from any party. We have nothing to say against either the intelligence or morality of her people; but we deny their Democracy. No community with a particle of pure Democracy in its composition, or entitled to the political respect of others, would tolerate the odious.

proscriptive and intolerant religious test which holds its place in the Constitution of New Hampshire. Was it this feature in the fundamental law of "this small but uniformly Democratic State" which rendered her especially deserving the complimentary in the good taste exhibited in the dress and arrangement of the good taste exhibits and the passing stanger may learn from it that there is the passing stanger may learn from it that there is the passing stanger may learn from it that there is the passing stanger may learn from it that there is the passing stanger may learn from it that there is the passing stanger may learn from it that there is the passing stanger may lea out the world. Out of New Hampshire. sanction it should be."

bers is quite terrific. We observe, however, seem to apprehend any difficulty with Engsame opinion. England could hardly be as Lecofocoism is throwing upwards of ff- G. H. May the smiles of Heaven rest upon your labors, and may the work thus auspiciously commenced be speedily carried on to its completion; and when we shall look up to the lofty eminence on which will be placed the statue of Henry Clay, may we also look up to, and though at an numble distance, endeavor to emulate the bright example of patriotism and philanthropy which he has set.

Receive the implements of your craft. To which Mr. H. replied: Right Worshipful Grand Master .- The good work commenced by the generous people of Schuvl-kill county, and this day entrusted to my cafe, shall

the last child that was rocked in it, for her friendship and encouragement, Clay and Webster, the David and Jonathan of America, stood almost alone to plead her cause, and with an eloquence that swept opposition like the hot blast of the desert, they passed resistance, maintained the rights of their brethren beyond the seas, and cheered them with assurances of a nation's fraternal regards.

Africa, too, long in chains and in darkness, shured the radiance of his enlarged philanthropy, for he stood prominent in that scheme of Colonization which provides a place where the black man may be himself again. His fostering care was first extended over the neucleus of what is now a Republic, employed by Providence as the agent through which to christianize the long-neglected sons of Ham, and elevate them to that position in their own land which they can never enjoy in this. And when the intelligence reaches them that their great father is dead, their hearts will sob with as deep a feeling as has been felt by any of us, and they will build his monument on the sea-shore, as we shall build it on the mountain brow.

Go where you will, you will find the foot-print of the gipt and see the massive works he has be done, and done well, in good faith, up to the square—and done promptly. C. Little, as R. W. D. G. M., then announced the contents of the stone as follows, with the annexed remarks : In accordance with a time-honored custom.

Besides the mere torm of thus collecting a few mementoes of the present generation; for the inspection of future ages, as relies of what once was; this ceremony may be considered as having an importhe Union stands in all its proud proportions.

Often had he thought to retire from public life to spend the evening of his days in the retirement of Ashland, where he might bless his family, till God should call him hence, but as oft was he called back, like the patriarch Jacob, to bless his children.

Ceremony may be considered as having an important symbolical meaning. In the selection of these articles, we significantly point to the Christian religion—the religion of the Bible—and the diffusion of knowledge, as the elementary basis of all national, as well as individual and social, character—the chief corner-stone of every moral edifice. dren.

There was yet one great work to be accomplished by him, which should terminate his career, and shed glory over all the rest-the re-union of a nation, separated the second time by strife which should never have had an existence.

shed glory over all the rest-ithe re-union of a nation, separated the second time by strike which should never have had an existence. It is still fresh in the memory of every one of you, and needs only to be referred to. God spared him to accomplish the work, but the enfeebled sage could not bear the shock; the sorrow that seized upon him drank up his spirits, and he ratified the covenant of union by the sagrifice of himself. Like the great leads of Lared Strike the sagrifice of those virtues, whose embers and recognise the great principal to the precise of our governmental organization, as the foundation of our national permanency and future growth.

As the column shall spring upward in its beauty and majesty, from this stone, toward the now happy home of Him, whom it is intended to honor, so may our united nation rise in strength and greatment of the practice of those virtues, whose embers and recognise the great principal to the spring the foundation of our national permanency and future growth. blems we here enclose. The ceremonies were concluded by another ode. also prepared by Mr. M'Gowan, followed by the benediction pronounced by Rev. Wm. C. Cooley.
