THE RESULT.

Contrary to the general impression, the ofplished much, but the result must be chiefly the County, and the general dissatisfaction

own party defeated him.

KREBS, the Independent Democratic candi-rewards to sweeten the many bitter disappointments date for Congress, has a majority of over 300 incident to every young enterprise. New friends considered a great Locofoco victory, but it is To meet the wants of our rapidly growing Boro', not a Whig defeat. The Whigs of Schuyl- the paper was enlarged to its present size. 300 below the State ticket-a little exertion would, therefore, have saved Kness beyond all power to reach him.

We publish a table elsewhere in to-day's must be met. paper, with the complete official returns of The State ticket has been carried against colocos have so long had control of the Public old fogies, you must be laid upon the shelf. ever, will show that the Whig vote through- new type and new press. Our old name of "Le. Somerset, out the State on their candidates is by no gion," will give place to that of "The Tamaqua Susqueh'a, Sulli'n & Wyo'ing, means full. Admitting, therefore, the ma- Gazatte." jority to be 10,000, it is evident that but lit-TON was then elected by only 200 majority, and immediately after Taylor swept the

State with 13,000 majority! The increased Whig vote in November, of result, without any assistance from the op-Scorr, though sticking/to their party ticket rything of local interest or advantage. Our facilion Tuesday last. We have therefore only creased. And now old Legion, a last, lingering, opposite Elizabethport, was ferried over alone, to be vigilant and active and the victory in FAREWELL." November is certain.

## JOHN C. NEVILLE, ESQ.

Hegins was not competent to sit in the trial of a case between Murphy and the Farmer's Bank of Schuylkill county. Judge Hegins directed a rule to be entered upon Neville to show cause why for presenting this document, his name should not be stricken from the list of Attorneys, the Judge alleging that the affidavit charged him with conduct describe week. ging that the affidavit charged him with conduct der of the week. Introductory Sermon by Rev. or that it was presented with any motive to insult. arged that his client would not consent to have withdraw it, as he was the mere agent of his client. The case was argued by Messrs. Cooper and Hughes in his favor, placing Nevillo clearly in the right, and showed the folly of the Judge's position. All would not avait however, Mr. Neville's name was stricken from the list and the Prothonstary was directed to erase the word "filed" written on the af-

## Local Affairs.

Newkirk, Schuylkill County .- This the State, as far as we have been able to colace is situated about one mile west of Tamaqua. | lect them up to the latest moment: The Editor of the Legion, after a recent visit gives the following account of its progress, improvements, &c :- "It contains already a large number of houses, and several more are in course of erecon. The town was laid out by the present Little Schuylkill Company, about three years ago.

The Company have sunk a Slope on the F veia, and erected the necessary buildings. A large engine nude by Carters & Allen, of this Borough, is York, used for hoisting. It is the intention to hoist cars Clinton by this Slope only, and to pump water from the Westmoreland, lope previously sunk, with which there is a connection by means of a tunnel. Attached to this new River Slope is an incline plane, to pass the loaded cars down towards the screens, which, at the same time, draws up the empty ones. In the Slope and on the plane wire ropes are used with much satisaction. These new improvements are leased by Messrs. Ratchiff & Co, who have, at the same ime, enlarged and elevated their former deposits, time, enlarged and elevated their former deposits, Northombers and put in a new and larger Breaker, said to be of superior character, made by Messrs. Carters & Allen. It is the proposed design of Messrs. Ratcliff & Co. to erect additional deposits during the winter, alongside of those at present in existing the winter, alongside of those at present in existing the matter. the winter, alongside of those at present in existence, and for which the walls have already been built. Adjacent to this operation Messrs. BOWMAN & RICHARDSON have considerably enlarged and improved their former deposits, and are only waiting

a favorable opportunity to make them available, by raising their Breaker and screens. At the southern end of this row of operations, the new deposits now approaching completion stand conspicuous. They are being erected by the lessees, Mesars. Wiggan ficial returns of the election in this County, & Son, to facilitate the shipments of Coal from the show that but a part of the Whig ticket is new Red Ash vein, cut in the Newkirk tunnel duelected, though fortunately that is by far the better part. We have elected our State Senator, Sheriff, one Assembly man and the Commissioner. Nagle, for Sheriff, leads off ment of the cold, A third and the Railroad and transhipmissioner. Nagle, for Sheriff, leads off ment of the coal. A third and top Roller has been Straub; 13th, Asa Packer; 14th, Galusha with near 500 majority. The universal placed upon the Breaker, to supersede the use of hammers in pounding the large lumps. The Newkirk tunnel is now being driven day and night, for the purpose of cutting a vein which lies to the north of the present ones, now being worked."
