THE VERY BEST OLL ENOWN FOR

THE VORY BEST OIL KNOWN FOR MACHINER.

I EVLAN'S PATENT IMPROVED LUBRICATING OIL, sold and delivered by Honace Guistow & Co.; Berement of Yardley's Iron Store, Pottaville, Fa. who invite all Operators, Engineers, and others interested, to send in their orders and fey the article for themselves. Having of Oil is saving money. Those who have tried it speak of it as follows.

B. Bannan, Edutor Misser' Jeurnal—"After testing its qualities for three weeks, we are free to admit that, for fine machinery, it is superior to any Oil that we have used. It works clean and leaves no gimming substance to clog the machinery."

Gro. Downing, Engineer at John Werner's Machine Shap, Potteville, Fa.—"We have been using Bevlan's Patent Lubricating Oil about three weeks—It lasts at least one-third longer than the Oil in common use."

Gro. EIKELEY, Esgiscer, Salem Hill Mining Co.

his elevation is more rapid and fortuitous than that of any man ever before lifted into the Cabinet. -N. V. Tribune. Whatever motive may have led to the selection of the rest, the motive for selecting lames Campbell, of this State, for the high honor of a Cabinet appointment, caunot be mistaken. That individual has achieved nothing, either in law or politics, to entitle him to such distinction. By fraud and chi-cauery he procured from his party, in 1851, THE most extensive assortment of Clothing in schopialiticounty, from 20 a nomination for the Supreme Beach of this Clothing in schopialiticounty, from 20 to 20 per cent. cheaper and better mide than can be purchased elaywhere, is at was so plain, and the fraud used to procure this nomination so palpable, that a large portion of his party abandoned him, and he was plain, and shown an interest and the EV COM.

A magnificent assortment of FALL and WINTER CLUTHING, of the most fashionable styles, is now on hard and ready for sale atprices that DEFY COM.

PETITION. As every grifele solidat this establishment is manufactured in Pottsvike, it is, therefore, expressly adapted to this region, and offers great adversaries to the repressly adapted to this region, and offers great adversaries to the repressly adapted to this region, and offers great adversaries to the repressly adapted to this region, and offers great adversaries to the series of the series of qualifications, and the unitar means used to force him upon the party, the lact that he was a Catholic not having been carried against him. But the Catholic press series of loth of the fact that he was a Catholic not having been carried against him. But the Catholic press series of loth of the fact that he was a Catholic not having been passed to have FALL or WINTER and held it up as the one only cause of his defeat. From that moment he has been passed to 1820 to 1820. by who are strangers to the tact; and those who and held it up as the one only cause of his per port yet purchased their FALL or WINTER defeat. From that moment he has been palothing, will do well to call and judge for the masters. raded as a Catholic martyr, and his appointment has been demanded from the President elect as necessary to conciliate the Catholic | Sources of Increase - Smoothe con-

portion of his friends. He has yielded to the demand. He has consented to set the permicious example of appointing a man to con-ciliate a particular sect. He will live to re-The appointment of Campbell will essentially weaken the new administration. It may conciliate those who have demanded it: but it will cool the ardor and estrange the friendship of many whose support would be of far more service to the incoming President

the next administration. He should feel him-self under the great obligations to his particular friends, ourselves among the number, for reserving him for a Cabinet office.

taining its principles, opposed Judge Campbell, might and main, for the Supreme Judgeship. - Ed. Jour.] James Campbell, of Pennsylvania, is the delented candidate for Judge of the Supreme Court of this State, in 1851. He was ap-

Religious.

We recently expressed our opinion - pretty plainly, too --of the appointment of this of political power, which some of their orgentleman to a place in Mr. Piener's Cabinet. The following random selections from all years are at great pains to display: and usualty in a manner the most oftensive. Our FOOLISH ARROGANCE. our exchanges show that we are not alone in readers doubtless remember certain extracts which we recently published from a New James Campbell, of this State, whose nomination for Supreme Judge was so emphatically repudiated by the people, has been selected for a Cabinet office by General Pience. doubtless with a view of conclusing the Ca. geance of the papist voters. Let it be noted tholics, to whom he is so largely indebted for that when an issue is made to politics upon his election. This appointment, nothwith standing the endorsement of the Democratic l'mion, is by no means creditable to the President, nor fortunate for the party. It is well known that the Catholics in this State deknown that the Catholics in this State demanded a representation, as a religious denomination, upon the Supreme Bench, in the person of James Campbell. The Democraty for the purpose of securing the Romish influence and support, yielded to the usolent demand, and put Mr. Campbell upon the tacket.

The neonle however, recombeing the war.

State destructions then their government shall stand before the world or any other footing than as representing a Protestant constituency.

The disgraceful attitudes in which proved edly papast governments now stand by their own acts before the world, from France with its usurper, placed over the people by papal influence, down to the species ten-acre papal "beware of the insidious wiles of Foreign influence," rebuked the attempt of unprincipled political demagogues to jeopardize our free institutions by giving the Papal Power, as such, a representation upon the Supreme Bench of our Commonwealth—and Mr. Jns. Campbell was defeated.

There are thousands of young men go.

In any hour of trial.—Pritsburgh Gazette.

Mr. Guthrie is said to be a talented man appearance on the stage of politics. Mr. James Campbell, of Pennsylvania, is just litics as a trade, and law for a living—is a politic, affable and gentlemanly man, but was never suspected of being much of a lawyer. He is certainly a very lucky man, and is no doubt himself surprised to find that he has been selected as the most proper man to represent great State of Pennsylvania, in 1832, 237 millions.

In acousting profit of trial.—Pritsburgh Gazette.

Nr. Guthrie is said to be a talented man and a sololows: —in 1836, 639 millions; in 1839, 747 millions; in 1839, 747 millions; in 1841, 944 millions; in 1841, 944 millions; in 1843, 1945 millions; in 1845, 1945 millions; in 1845, 1945 millions; in 1845, 1945 millions; in 1846, 1074 millions; in 1845, 1947 millions; in 1848, 1068 millions; in 1849, 1225 millions; in 1859, 1132 millions; in 1849, 1225 millions; in 1859, 1132 millions. The consumption in Great Britain in 1846 for the unmarbent at the age of politics and the price of the motto, "vou gain more by our fives than our death."

Single AND MARRIED LIFE:

For forty one bachelors who attain the age of 43, there are 78 married men who do the same.—As age advances, the difference becomes more striking. At 60 there are only and the virtuous for his own sake, though no body were been married. At 70 there are 10 bachelors who attain the age of 43, there are 78 married men alive, for 98 who have clean for his own sake, though no body were to know it; as he would be 22 unmarried men alive, for 98 who have clean for his own sake, though no body were to know it; as he would be 22 unmarried men alive, for 98 who have clean for his own sake, though no body were to know it; as he would be 22 unmarried men alive, for 98 who have clean for his own sake, though no body were to know it; as he would be 22 unmarried men alive, for 98 who have been married. At 70 there are 10 bachelors who attain the age of the same.—As age advances, the diffe
