TO THE LADIES IN GENERAL.

FRENCH LIQUID WASH-BLUE.

THE superiority of this preparation is evident, as a quarter spoonfull is sufficient for one Gallon Indigo, and being perfectly soluble in water and not so liable to lose strength or spoil upon the Linen or Muslin. This article neutralizes the golden tinge which so much exasperate reinsard. It contains no ingredients which could possibly be injurious to the most delicate fabric. Neither does it contain any acid, as the preparations which are sold for such purposes generally do. For sale at

CLOTHING.

Quality the true test of Cheapness.

CLOTHING! Clothing!! CLOTHING!!!

THE most extensive assortment of Clothing in the Schuylkill County, from $3 to $20 per cent. cheaper and better made than can be purchased elsewhere, is at "GOLD OAK HALL," corner of Centre and Mahantongo streets.

A magnificent assortment of FALL and WINTER CLOTHING, of the most fashionable styles, is now on hand and ready for sale at prices that DEFY COMPETITION. As every article sold at this establishment is manufactured in Pottsville, it is therefore expressly adapted to this region, and offers great advantages to purchasers over all the *cheap inferior City-made Clothing.*

ONE TRIAL will prove this, beyond all doubt, to any who are strangers to the fact; and those who have not yet purchased their FALL or WINTER Clothing, will do well to call and judge for themselves. An immense variety of
