

DEATH OF VICE-PRESIDENT KING.

A telegraphic dispatch from Mobile states that Hon. W. B. King, accompanied by his wife and two children, arrived at Cuba, Ala., on Sunday, the 17th inst. His strength had been gradually failing since his arrival at Mobile, and on Monday evening he expired, in the 66th year of his age. He was born in North Carolina, which State he represented in Congress three terms, from 1811 to 1816. He then removed to Alabama, and upon its admission as a State into the Union, he was selected to represent it in the United States Senate, and served uninterruptedly from 1819 till 1844, when he was selected by President Polk as a Minister to Mexico. He returned to Alabama in 1845, and was elected to Congress by his constituents in 1846. He was re-elected in 1847, and served until his death as Vice-President. From July, 1836, he had always been President pro tempore of the Senate when he was compelled to resign his office in 1852. By his demise, Hon. David R. Atcherson is now acting Vice-President by virtue of his office as President of the Senate, and will be voted the salary attached to that office. President King occupied a high social position and always commanded the respect and esteem of his associates, and his kind and obliging disposition always drew around him a large circle of admiring friends.
