The present License System-A Prohibitory Law. There are, doubiless, many who honestly but mistakenly oppose the Maine Law; tho by far the greater number, equally ignorant, find fault with it because they are interested, practice before the Convention is over .directly or indirectly, in the continuance of the Liquor truffic. The former cannot fuirle be reckoned among the enemies of the Law, since a little explanation of its essential features will render them, as upright and conscientious men, its warmss: advocates-to understand it is to admire. . It is much to be regretted that the operations in detail of a Prohibitory Law are so little known and ap- country for a consideration; we'll try to be precinted outside of the States where such enactments are in force, for its enemies are ready ar all times to denounce it, " on general principles," as udjust, tyrannical, destructive of the rights of private citizens, and altogether subversive of the ends of civil libthe friends of the Maine Law, without diserry and they do so mostly with impunity, since but few know enough about it, to contradict or correct them.
