Texas, advertised a parbecue, with better he expense of the tax-payers of the County. quor than usually furnished. When the people were assembled, a desperado in the crowd cried out, "Mr. Paul Denton, vour reverence has fied. You promised us not on. Alms-House, forlast year: & a good barbecue but better liquor. Where as the liquor ?" There!" answered the missionary, in

mones of thunder, and pointing his motionless finger at the matchless double spring gushing up in two strong columns, with a sound like a shout of joy from the bosom of the garth? "There!" he repeated, with a look terrible as the lightning, while his eaemy actually trembled on his feet; "there is the liquor which God, the Eternal, brews for all his children. " Not in the simmering still, over smoky fires, choked with poisonous gases, and sur-rounded with the steach of sickening odors institution, would more than produce enough and rank corruptions, doth your father in Heaven prepare the precious essence of life, &c.; made so from ordinary causes other the pure cold water. But in the green glade

and the child loves to play, there God brews | County have been forced to contribute annu-II: and down, low down in the deepest val- ally, as follows, for the support of the estabeys, where the fountain murmurs, upon the tall mountain tops, where the naked granite glitters like gold in the sun, where the storms crash, and away far out, on the music, and the big waves roap the chorus. sweeping the march of God; there he brews t. that beverage of life, health-giving water. And every where it is a thing of beauty, gleaming in the dew drop; singing in the cummer rain; shining in the ice gem, till pers manufactured in the Rum-holes of the the trees all seem turned to living jewels, spreading a golden veil over the setting sun, r a white gauze around the midnight moon; sporting in the cateract; sleeping in the glacier; dancing in the hail shower: folding its bright snow curtains softly about the wood is the sun-beam of heaven, all check- lowing significant facts: ered over with celestial flowers, by the myshand of refraction. Still always is it | Committed in seven months; beautiful—that blessed life water! no poison whose habits are thus specified: bubles on its brink; its foam brings not madness and murder; no blood stains its liquid glass; pale widows and starving orphane weep not burning tears in its depth; no drunkard's shricking ghost from the grave curses it in words of elemal despair! Speak out, my friends, would you exchange for the demon's drink, alcohol?"

Matrimonial Troubles of Clergymen The Supreme Court, in session at Greenield, Mass., has granted a divorce to a lady the wife of a clergyman, on the ground of his having deserted her. She was allowed \$100 alimony per year. The husband, it is aid, deserted his wife because she charged him with preaching in bad grammar, and had advised him to give up preaching until actergyman prays for a divorce on the ground put in one, for want of more, room. The last Grand Jury accordingly ordered more ill treatment and neglect in sickness.

By order of the Court.

Advanced in Sale made known at the time and place of the Court.

Advanced in Sale will be given. The supply this week is heavy, showing an in-

crease the supply, and meet, in some measure, the great demaid for Coal. But two months of the shipping season remains, and the Schlytkill Region is behind the supply to same period last year 51,918 tons, and the Lehigh 80,399 tons—in the aggregate 133,314 tons deficiency from these two regions.

The Conference of the Schlytkill Region SULKS—PLAIDS—SHAWLS—DE BEG E. MARTER & 300, 15 North Second Street.

Invite attention to their new Stock of Black Silks. Silks and elegant Goods at 631c., 75c., and 61. 138,314 tone deficiency from these two regions.

The Conf. Trade of the Shamokin region has epened, but with new operations the business moves slowly, and the quantity sent to market for he balance of the season will not exceed, if i eaches the quantity sent to market last year, which was 25,846 lons. We have been asked by several Operators why we did not bublish Mr. Hammekin's communica-

tion last week. The reason was simply this :-

it, not having had time to do so. After examining it, we found that it contained statements which might involve both the author and publisher in unwintry world; and weaving the many con- ty Commissioners, embracing a pirrod of operation with the friends of a Prohibitory necessary disculty, and therefore could not consent ored tris, that scraph's zone of the sky, not quite seven months, from 7th of dune to Liquor Law. We appeal to you as citizens to publish in that shape, particularly as it commissioners, and therefore could not consent to publish in that shape, particularly as it comained one or two statements which we knew were bought substance is remorselessly devoured unfounded. The author took the communication by this accursed traffic -accursed of God and away for the purpose of revising it and it was not man—we appeal to you as parents, who valman—we appeal to you as parents, who value both the temporal and spiritual welfare of the rising generation, to purify the pestilential moral atmosphere in which they are the recent frauds, we will not hesitate to lay before growing up; we appeal to you as friends of the public, we care not who it may affect, or where law and order, of sobriety, of morality and it may strife but we will not publish attacks upon virtue, as friends of humanity, we call upon any party, inless they are sustained by evidence, merely to satisfy private ends. We allude, or

course, to that portion of the communication t which we objected BY TELEGRAPH Freights from Rickmond: Freights from Rickmond: Providence. Albany, i. R. Island, REPORT OF SHIPMENTS From Richmond, for the week ending on Satur-pay, Sept. 4, 1853:

For Heating Public Buildings, Houses, Go. HESE-FURNACES are highly recommended by I HESE-FURNACES are highly recommended by a Scientific Persons and the late tamented bowning, as being the very best in use; they do not burn the air throw in into the room, but give a planant, healthy beat, and a perfect-system of Ventilation is connected with the Furnace. They are being used in all the School Houses, Public Bnitdings and Private Houses generally in our cities. They vary in size and price from \$20 to \$125. MARBLEIZED + ENAMBLED IRON MANTELS. MARBLEIZED & ENAMBLED IRON MANTELS.

We would call the attention of those about build tog to the beautiful articles above mentioned. The Enameled Mirror Mantels are beautifully iniald with pearl; also Parlor and Chamber Frame Grates, all of the most exquisite designs and the most elegant Enterts of the Martels, which have been so recently introduced. They are made in exact imitation of the norst varieties of marble, such as Egyptian, Lalian, Sienna, Corbellated and others, all of which for beauty of design, and exquisite false, tannot be surpassed. They are soid at about half the cost of marble, and will compare favorably with the best qualities of that material. Those which we have already set up, have attracted much attention and clicited expressions of the highest admiration. Ladies and genium the fact invited to examine our stock of Mantels before purchasing marble. core purchasing marble."
