FROM EUROPE:

The New York Herald published a statenent some days ago declared to be on reliable. authority, to the effect that a treaty bas actually been concluded between England and France, whereby Russia is to be made to evacuate the Principalities. An imperial decree, signed by the Emperor, appears in the Paris Monsteur of the 22d ult., reducing the duties on coal, within

restricted zone, from 50c. to 30c. The duty on wrought iron is also reduced from the to 18c., and on cast from 7c. to 5c., for the first year, and to 4c. for the second year. LATEST-BY THE ASIA. Nows from the Seat of War-NAPAL ACTIONS IN THE BLACK SEA. Liverpool dates to the 3d. No movement

of magnitude has occurred on the Danube, though skirmishes are frequent between the belligerants, resulting in severe losses occasionally, on both sides. In Asia, the Turkish successes continued o be very brilliant. The important fortress of Souchain Kale, and the fort Uringhette, have both been captured by the Turks. Hostilities have been commenced in the Black Sea. The Russian frigate Waldemir has been captured by a Turkish steamer. On the other hand a Russian ship has taken an Egyptian steamer, of ten guns, afteri desperate resistance. The combined English and French fleets

remain at their anchorage. 🕟 CONGRESSIONAL. France and Germany, in much was than the ordinary time required.

November 5, 1853 SENATE. -- Monday was principally occupied with the appointment of the various committees for the session. A petition was presented by Mr. Weller, of California, for the establishment of an Agricultural College in that State.

The President announced that he had recerved a communication transmitting certainresolutions adopted at a meeting of the merchants of the city of New York, held at the Merchants' Exchange, on the 30th of October last, remonstrating against the removal of Greene C. Bronson from the Collectorship. On motion of Mr. Seward, they were tabled. The election for Public Printer resulted in the choice of Beverly Tucker. Railroad oills are pouring into the House of Representatives. The Pacific Railroad

has not yet been brought forward -a special message from the President is expected when it does appear.

TA SENSIBLE SAVAGE.-While making the northwest passage, Capt. Maclure had an interview at Point Warren with a wild tribe of Arctic Indians, the chief of whom being asked why he went a great distance to trade BOOKS,
