Having experience in the business, and being datermined to supply kees customerss in preference to those abroad, he flatters himself that he will give entire satisfaction to the community. GEORGE J. HEHR.

JUST ARRIVED.

A Temperance Storn. THE following is too good to be lost We are not advocates of men whipping their vives, or wives their hasbands, but Mrs. Morgan did the thing up in such fine style, tomac; and Mount vernon, with its man-and the fruit of her eastigation was so excel- sion-liouse and smooth green lawn, was be-

ent, that we cannot find it in our heart to tore us. Having sent in our address, we ceasure her severely. There are a good received permission from the courteous many husbands who would be served just about right, it they had Mrs. Morgan to deal tate, to enter and survey the interior. We with them. MRS. MORGAN'S MAINE LAW.

would drink, and like most men in his class we accended the onken star-case, with its when in liquor generally beat his children and carved and antique balustrade; we stood at I sometimes his wife.

Mrs. Morgan was a notable woman, and and the bed where he died, were before us. oved her husband in spite of all, but after Nothing in the lofty drama of his existence years of patient forbearance, she came to the conclusion that Jimmy Margan, as she called him; should stop drinking whether or no. In other words, she manufactured a private Maide Law of her own.

The occasion was one day when Jimmy came home to dinner, half tipsy, which altowards happened when he stopped at the tay.

age about twice a week.
"Now you, Morgan," said she, as soon as he entered, "you've been at the whiskey botstood upon his dignity.
"Hoity, toity," said he, "how you put on airs. Give us some dinner, and don't

The half tipsy husband looked at her in as to the adjustment of his business affairs. imazement. For a moment he thought of He soon after became greatly distracted; and enforcing his will, as he had often done as, in the paroxysins which became more before, but whether he had not drunk quite frequent and violent, Mr. Lean, who was at

enough to arouse his courage, or whether his side, assisted him to turn, he, with kind-the blazing eye of his help-mate frightened ness, but with difficulty, ariculated, 'I fear him, he turned after a little hesitation, and I give you great trouble, sir-but-perhaps left the house. Of course he went straight to the tavern, as Mrs. Morgan rather expected he would, tion when you shall require it. And of course, when night came he was led home, thoroughly inebriated, as she rather wished he would be.

He had just sufficient reason left to wonder at the extraordinary care with which his ling, he straightened himself to his full length, him in bed. But this like everything clse, was soon forgotten in a stupid sleep.

She waited until satisfied that he was ennall but she knau ally as he could now use neither hands nor in to awake, but she stopped a moment at such | And now she brought forth a cart whip. Lear, in speechless grief, with folded hands, which she had borrowed that afternoon from bent over his pillow on the other.

Nought broke the stillness of his last mo-

"Now, Jimmy Morgan," said she aposrophising him, "I'll cure you of your beastly habits, or—please God—I'll whip you till the tick of the large clock in the hall as it measured off with pairful distinctnee, the last fleeting moments of his existence, and lailure will taste of galls. "I compared not brawny arm could lay it on, again, again, again, again, again, again, again, and it seemed as if she was never going to stop. And very soon the oftender roused from his stuper, saw what it nearer and nearer to its goal; the blood land the best; and I lound that I begun at the low mean and when anything is less that the best; and I lound that I begun at the local beautiful b was, and began to beg for increy. "Not till you have promised to leave off drinking," was the answer, and the blows descended more vigorously. than ever — "Swear to leave oil drinking then." — "Oh! you'll kill me, you'll kill me —"

"No, it will do you good. To think how drunk you were ten minutes ago, and now to see you rolling about so lively-never tell me, Jimmy Morgan, that I am killing you "Mercy, mercy, mercy," roared the criminal. "How can you Polly, use your husband so?" "I can and will." And another shower of blows descended. "Halloo, as much as you like, for it will do you good; only I can tell you one thing, it will not rouse the

couch!

historical.

COST OF SOLOMON'S TEMPLE.

jewels of many hues.
"The whole expense of this building,"

a still greate. sum toward the accomplish-ment of this g brious undertaking. In addi-

tion to these treasures, Solamon devoted the

greater part of the annual acome to the same purpose, and this was immense The yearly treasures, imported from Ophir amounted to four hundred and fifty tai ants.

neighbors. I fold them what I was going to do if you came home drunk again. Have you had enough? Will you promise at once, or are you going to hold out still?" Once, or are you going to note butter.

Oh, oh, oh," grouned the helpless husband, twisting and turning in every direction.

The timber was cedar and olive wood, covtion, but unable to escape the catagact of ered with plates of gold, and studded with blows, "oh, oh, oh.' "Will you promise? You'd better do it quick," resumed his inexorable spouse, "or says Prideaux," was so prodigious, as gives Pitt beat you to a jelly. These six years, reason to think that the talents whereby the sum is reckoned, were another sort of talents whereby the sum is reckoned, were another sort of talents whereby the sum is reckoned, were another sort of talents whereby the sum is reckoned, were another sort of talents whereby the sum is reckoned, were another sort of talents whereby the sum is reckoned. no longer. I've tried everything, and now I am trying whipping. You've best me of a far less value shan the Mosaic talten enough, and I'm paying you back. Promise at once, the quicker the better, for I'll not let you up till you do, even if it keep me here all night, and you're sick for a week afterwards."

It was a good while better, the grincal of the temple at Jerusalem, if was a good while better, the grincal of the temple at Jerusalem, if valued by these talents, succeded the value of \$500,000,000 of our money which was enough wherewith to have built all that temple of the grincal of the grinca gave in. He thought his wife would live out at last, but when the castigator had pro-ent from Villipandus, the expense of the gave in. He thought his wife would live

compelled to succumb.

Sels alone was £546,296,299 sterling, and of silver ones £439,344,000. Added to this were the wages, provisions, and other neaver make as a free gilt, £6,763,976.

Mrs. Morgan gave him three or four sound cuts more, to "make asstrance doubly sure," before she administered the oath, which she did, at last, with the Bible in her hands, completing the ceremony by making sure," before she administered the oath, which she did, at last, with the Bible in her hands, completing the ceremony by making him kiss the book.

who had a did not be described as a free gift, £6,763,976.

He ace the creasure left by David amounted to £911,416,207. The princes of Israel, anin rated by this example, presented From that night Jimmy Morgan was never known to taste liquor. He told his neighbors that he had been so sick after his last spree, that he had resolved to join the temperance society; but he did not tell them what made him ill. Mrs. Morgan, 100, kept the secaet, nursing him through his bruises, which were neither few nor slight. However, as she said, "desperate diseases require ever, as she said, "desperate diseases require desperate remedies;" and so she never re-pented of the medicine she had administer-

ed, even though her husband did not earn a dollar for three weeks. Religious

FATHER GAVAZZI. The following is from a report of one of Father Gavazzi's late lectures in Boston. It commends sitself to the attention of Protestants more forcibly, we fear, than Protestants realize:

"I find in America say two million Catholics, including many German, French, Italian Catholics, who are not the blind slaves that many of the Irish Cathelics are—and about twenty-one millions Protestants. And Union, that majority. I preach no persecu- Congregational and Presbyterian denomination against the Roman Catholics, but don't tions. Thirteen are now under the superint for a single hour? be persecuted by them. This is not the way tendence of Baptists, thirteen of Methodists, to glorify America before Italy. Shall I eight of Episcopalians, and eleven of Rohave to say on my return, I find the American Catholies. Besides the above institu-

can people." By the way, we understand that some invite Father Gavazzi to give a course of Harvard colleges .- Boston Journal. lectures here; but the project was abandoned at the earnest request of some of "the solid men" of Providence, because they feared a riot would ensue. O, shame! say we to the descendants of Roger Williams. Has it come to this, that freedom of speech is no longer permitted in Rhode Island I-Provadence Journal.

ga - kasas 101 (other men, as we would a looking glast, and succeeded. This sight gave Timour courage at the moment, and he never forgot the lessitation.—Terence.

The value of gold vescompelled to succumb.

building and ornament amounted to £6,001. he alluded to Young America in the following style: "Our children show extraordinary precocity. The Miss drops the bib in sels alone was £546,206.200 sterling, and of many precocity. The Miss drops the bib in a style in the average and done in the style bodies in the style of the same of the sam education at 14. goes into business at 18. marries at 20, and is bankrupt at 21."

Moral.

THE LAW OF GOD. "Thou shalt love thy neighbor as thyself." This commandment is obligatory upon his annual tribute from dependent nations ! but if, in the most favorable position in Two hundred and fifteen years have passed away since the first college—Harvard University—was founded in our country; and versity—was founded in our country; and the college of those with the college of the college of those with the college of the at the close of the seventienth century, the number had increased to only three—Harvard, in Massachusetts; the Codege of William and Mary, in Virginia; and Yale, in Connecticut. But within the past century, a great change has come over the spice. à great change has come over the spirit of necessity. It begins with its beginning—it the scene. There are now one hundred and grows with its growth—the success of the twenty colleges in the United States. The one increases the virulence of the other number of undergraduates in these institutions is now more than ten thousand which; ways and everywhere the calamity, the increased by the students who are connected shame, and the ruin of some portion of Society. How, then, can he obey this divine injunction? How love his neighbor, when partments, amounts to about fourteen thousand. There are thirteen colleges in New he is poisoning him ?-sapping his strength about twenty-one millions Protestants. And I find that these twenty-one inillions Protestants are alread of these two millions Protestants are alread of these two millions Catholics! If a lecturer comes here to speak against the papal system, people are alread to go until the third or fourth lecture, for fear of a riot.

Saud. It neer are thirteen colleges in New England, sonie of which may be denominated noting this property—depraying his more classifications, deriving their students more or less from every State, and senting his health—killing his body, and destroying his soul? "Love worketh no sending forth their influence to all parts of the Union. These thirteein graduate about five hundred annually. Since their establishment, they have graduated twenty-five thous."

The whole history of intemperance answers the question of a riot. of a riot.

"O, shame!! if you have a Protestant gov. sand students. Most of the colleges of the with no countervaling good. To say noth. ernment; a Protestant Union; a Protestant United States have been tounded and directing of Christian obligation, what philanthromajority—stand up for that government, that ted by the clergy and other members of the pist, taking an intelligent view of the results. of the traffic, could consent But the subject has wider relations than we have yet indicated. · Law-makers have some responsibility in cans careless of life on railroads and steam- tions or those connected with them, there this matter.
