A LL who wast Arrs of the real Collins & Co.

A make should be particular to notice the stamps,
as there are various counterfeits and indications
stamped Collins and labelled much like ours, which
are fraudulently sold in some parts of the United
States as our meaufacture. They are made in differ-States as our manufacture. They are made in different parts of the fountry by various are makers, and are generally of very inferior quality. The genuine Collins ares, which have acquired such an extensive reputation, are isvariably simpad. "COLLINS & CO. HABTFORD," and each are has a printed label with my signature. It is now more than Twenty-Five years since we commenced the business with the stamp of "Collins & Co., Hartford," and I do not know of any other are-maker by the name of Collins u the United States.

WESLEY'S ARGUMENT.-I beg leave the former was the senior, and withat a sound lawyer and a most amiable and high minded varying changes of season and climate; now to propose a short, clear, and strong argument to prove the divine inspiration of the gentieman, it is not at all remarkable that the latter should have declined opposing him. When he retired from the bench, Judge Pollock resumed the practice of his profession, with the settled determination, as is well known to the writer, and expressed to him in August last, not again to be a candidate for publishers. Had his own wrethers determined the manufacture of the invention of good men or angels, for they satisfied with the prima facts evidence afforther would or could make a book, and date for publishers. Had his own writing it, when it may be a candidate for publishers and apon to the scriptures. The Bible must be the invention either of good men or angels, bad men or devils, or of God. It could not be satisfied with the prima facts evidence afforther would or could make a book, and date for publishers. Had his own writing it, when it may be a candidate for publishers and apon to the continuous could not be satisfied with the prima facts evidence afforther would or could make a book, and date for publishers. date for public office. Had his own wishes been consulted. I am satisfied he would not now have been before the public as prominently as he is. He has yielded to the earn—leave the masculine face shall be promined as a string, "Thus saith the Lord," when it was their own invention: or of bad men, or developed as he is. He has yielded to the earn—leave the masculine face of commands all duty, forbids all sin, and commands all duty. now have been before the public as prominently as he is. He has yielded to the earhealth and comfort, we fly in the face of commands all duty, forbids all sia, and concern saying that his nomination has been effectively in the face of the saying that his nomination has been effectively in the face of the face of the saying that his nomination has been effectively in the face of the face must have been given by divine inspiration.

The Gouncil Biuffs Bugle says; "We "RURAL HOURS," by Miss Cooper, daughter | have been presented a beautiful specimen of of the late Fennimore Cooper. It so beau-tifully expresses the sentiments of all wo-ly came from Utah. The specimen was tamunion, of a Presbyterian church. He is a gentleman of fine manners and address, and an able and eloquent debater. Such is the Hon. James Pollock, the Wing candidate for Governor. The people of Pennsylvania will "Wo American women certainly owe a breadth. The emigrants shovel it up to use in forging horse shoes and repairing wagons. Nebraska is doubtless, abundanily supplied

A little boy ten years of age was drag -ged through the streets of Treuton, on Sun day last, in a beastly state of intoxication, by two drupken men, one of which was his
