TT THE following sensible query appeared ition with all the manufactures of E n the JV/ng (Lancaster) on Tuesday last :

. . **DE CLODEONS**; Of Carbert's Palent-which he will also guaranfee, ranging in price, for dwellingst foolo 845 to 8125; for churches, from 675 to 2200. Melonicons delivered in Schuyikili county, at city CASHI PRITE, thus syving to the purchaser packing, freight and risk, which is an important consideration. SHALL BIGLER BE DEFEATED. There are now three anti-Nebraska candidates for Governor in the field-Mr. Pollock, Whig : Mr. Bradford, Native American ; and g to the purchase consideration. h is an important consideration. weral Melodeons of superior flore, on h B. diANNAN, Mr. Potts, Free Democrat. So far as we un handare advised, these gentlemen are all agreed Reversi includes and Agent for the sale of Nusic Deder and Agent for the sale of Plassa and Metodener on nearly every public question now before the prople. If the votes of the opponents - 21-of the administration shall be toolishly divided among the three, the election must ne-THE subscripter respectfully call, the Attention of the musical public generally, being meach of an superior tones insteaments from 6 for 7 Octaves, made in the most oceasing ble manner, and warranted in every tempert. They are offered at reacon-able prices, and will be packed and delivered to thus place free of any charges. Second Skill Pranes for sale. A. B. REIGHENBACH, Late F. C. Reichenhach & Son, No. 12 Bouth 7 in St., she ve the stand, Phalada. April 6, 1854 cessarily result in the traumph of Bigler; but if the anti-Administration strength can be concentrated on one man, our success will e morally certain. Shall not this union and concentration be effected ? Shall not personal preference give way to the demanda of the lotty patriotism which we trust ani-

mates every division of the enemies of our corrupt administration, and units them in a common determination to expel the Goths The Grant Plano and Music Establishment. from the capitol. HORACE WATERS,

GOT GOVERNOR BIGLER AND THE BEER 333 BROADWAY, NEW YORK louse Law .-- The West Chester Record HE BEST and MOST IMPROVED PIANOS an MELODEONS. T. Gubert & REPRESED FLANDS and MELODEONS. T. Gubert & Co.'s World's Frie nation Planes, will or without the Action, and its room frames and cherdar scales. The ment of the form frames and cherdar scales. traws attention to the fact, that while th iovernor has declined to sign the general bill which passed the Legislature requiring s is the well known to need furthe Gilbert's, Houdor Pianoz, an elcommendation. Gubert's Boundor Pianos, in ele-gao, instrument for small nooms. Baller and a ma-situd's Rions, of the old established from of Hall-stud's Rions, other how that may other house. House Waters' Fishes, manufactured expressions him, having great power of combined expressions for all Maters' Pishes, manufactured expressions having great power of combined electricity of him having great power of combined electricity of hum having great power of the bangest depot for Manual instruments in this contrast, altoring an opportunity for selections not to be failed electricity second-made Pianos at great bargeins. Prices from got to \$15 Every metable in this varianted or the manus tendende the stores and beer houses to apply to the Courts for a license, he did sign a bill requiring the stores and beer shops in Chester ud Delaware counties to go to the Courts. He has thus shown how much of sincerity there is in his profession of hostility to local laws, and triendship for general laws. The Courts in Chester and Delaware countie have relused to grant license under this law. while no restriction exists in any other county in the State, because of the refusal of ovornor Bigler to sign the bill. The credit of all the beer houses and liquor stores, man

and perhaps most of which are an absolu nuisance to the community, is due to Gov ernor nightis

uttog each other. As the story goes. Mr. rehibild Reeves, proprietor of the " Altoo a House," and his bar-keeper, very lauda bly undertook to bring to justice some deg gery" keepers, who had been violating th laws of the country in regard to the lique traffic, and arraigned them before one of th lustices of the Peace in that place, who bound them over to answer at next Court whereupon the "doggery" keepers turne ound, and as good citizens instituted pro whole thing, we suppose, will come before the Court, when "Doggery" will probably be fined, and "Altoona" cut short of License.

company have made arrangements to cade e the lease of the Catawissa railroad company in that portion of the road between, Milto and Williamsport. The road will therefor e untramelled by any conditions. The grahog on the road between the above points is nearly all completed, and workmen are now engaged in laying down the track. In few months the road from Milton to Willinm-port will be in running order: From Sunbury to Million the work, with the except tion of the bridge at Northumberland, is light, and can be ready early in the spring. The road from Milton to Danville and Catawissa will not be ready, we presume, unul some

107 HUMAN INGENUITY. -- The first section f the great cord for a Submarine Electric

Felegraph, destined to open a communicaher Globes. The use of Globes in teaching Geography can hard tion between the opposite shores of the Medly be over estimated, as a more 'correct' blea of the form of the Earth can be learned in a ringle day by the use of a Globe, than for months' study without il. No school oright to be without Globes and those who have children, and can affold it, could not binke better use of their money than by purchasing Globes for family use, to sindy at bome. The subscriber has been appointed Agent, by the manufacturer of these Globes, and can invisit them wholesale and retail, cheaper than they can be pro-inted in Poindetpole, or elsewhere. B; BANNAN. iterranean-by-way of the islands of Corsica, Sardinia, Malta, &c., has been completed in England, and is now on its way thither by steamers. It is 110 English miles in length and weighs 800 tons. It is composed of six

threads of copper, covered with guita per-cha, and enveloped by hemp cords, and fi-nally by 12 threads of iron. When this line is completed it will be of incalculable benefit Contrast and Retail Bookseiter and Stationer, Contra at., Pottsville, opposite Trinity Church June 17, 1854 to England and France, especially if the war the East continues.

I. A gentle heart is like a ripe fruit, which bends so low that it is at the mercy o every one who chooses to pluck it, while the harder truit keeps out of reach.
