BLOOMF LD M: SPICER, of Bucks County THOMAS H. BAIRD of Washington County MR. ANGELE ON RUM-CATHOLICISM.

Our "Slanderous Seissors." Here is the article, al uded to last week, which so excited Mr. Angele's "virtuous in- shoulder upon the great Temperance movedignation." It was copied from the Cayuga ment of the day, and in many cases openly (N. Y.) Chief, in reply, it will be seen, to oppose it, what is the natural inference, an article in the Freeman's Journal (Bishop as to the general sentiment of the church on Hughes' organ), complimenting Gov., Sey. that subject? If her people are in favor of mour for his veto of the P. ohibitory Liquor | this great reform, let us have some practi-Bill in the New York Legislature; and bore | cal, tangible evidence of it, the same as other the significant heading of "Brandy and Ca- people make known their views of this subtholicism." We copied it at the time with- ject, or as they themselves express their senout comment of any kind, commendatory timents on other topics; but until the do, or disapproving, leaving it entirely to the we shall take it for granted, that, since they good sense and intelligence of the reader to are not with us, they are against us. treat it as he pleased, endorsing its sentimente or not, as he liked, and drawing his Pricats, it is a well known fact, exercise alown conclusions therefrom; but we do now pro- most unlimited control over their people.pose to append our own-opinion on the subject, and if we can present the right sort of reasons, to thereby influence the reader in favor of our way of thinking.

First, the article so "slanderously sers. "VETO OF THE MAINE LIQUUR LAW - AT honor to Governor Seymour for simpling the profi-higacy of our present State legislation on the Lignor Hishman in his day, was hardly to be found. Bill as it descreed. It was conceived in sin and His thock were almost to a man tectotalers: brought forth in iniquity. The themness of the Governor, which has killed it for this year, is wore and its. Patrick's day and other similar octhy of great praise "-New Yord Freeman's Jour The Freeman's Agurnal is the organ of Bishop Hughes. We'ere not surprised at its hatred of Prohibition, or the venom of its expression. Every instrumentality which tends to elevate the people from the depths of ignorance, and to make them intelligent, manly, and self-telwing, is sure to meet a ferocious opposition from the organs of Our rouse will-not suffer from this avowat of description of that golden age of Schuylkill ne

reciness of their course and the justice and nece cause of so much rejoicing. Hostility from such more-determined exertions, and enlist a lin-have not before felt very deeply interested. We have watched the course of the controlling spirits of Romanism in this country, with sorrow and indignation. We are not a "Native American," as that term is understood. The native-tion of adopted citizen, if worthy, shall have our confidence and trateginal regard. But as an American and a transpiration of the confidence of the conf well to every interest—we execute the hand muck needs the blessings of a Prohibitory Law as the Irish. Coming to this country from the ignorance and poverties the old world, they enter into any avocation which will vield a livethood, and thoughtlessly plunge into the view of dankerness. The history of our pulses counts presents, a coloning detail of the number of our pulses counts presents, a alation. The datuming record of bond, each morning smoking holds up from the data, record, reveals the same starting facts. A very darge majority of our sinks of drunkenness are covined; by toreigners. The infamous business, though fearning potent for unfold evil, requires but a full newly potent for unfold evil, requires but a full newly potent for unfold evil, requires capital. Here congregate the poor, the immension of the immension of the mension of the most hortilia and bloody crimes. From these possible sources, a maddined and imbritted host go out

to stand at the pone and strike down the hest inte rests of society, and heap fresh and more aggrava ted wrongs upon the entren who his most as take. Thus, like netwe craters charred with the most de norstiging and destructive elements, these uncounted dens of vive annually felch forth their Stores suffrage, displacing our elections, supprise the parity and strength of our institutions, and trampling down the rathes and privileges of sufer law-paying critzens. Under the dictation of an institution of the rathes and privileges of sufer law-paying critzens. famous priesthood the ignorant and embitiered masses in the exercise of a common softcage, constantly are at wer with every inferior acced the true American of zen. It is need as to so that slaw which should put a stop to the water and a soft and a stop to the water and a soft and a stop to the water and a soft and a stop to the water and a soft and a stop to the would visit them, their remaints and thomes well thousand lower heles, and proved to a measors which would do them so true and did with the most pool of the measors. We have seen and controlled the description of the seen and the seen a

ceen rum control ou cleen hole cere. We have seen to de-nighe Union, hundreds of goo ta. majort c tog pe jury from sunties to suntour, and with winkey-barren as flags between with reading the smears and voting at every wald in the city. It is so wherever this element centles. And those one control it are determined to court it at ... The rum-shop is a prelific founting of marketable, sufficient friges, ready at a ! Luies to be tas for more inte to our Legislature for ait, may be that the interperance, or the malignant he, that the measure, verseed by Got Segmeng, emanated from the than the most patronte desire to accomp is the purpose designed. THE CARSON LEAGUE ground against the leading Temperance We last week gave an outline of this novements of the day, and especially against League. We append a speech from Mr. the Maine Law. Is this not strong testimony that the Roman Catholics, as a body, Carson himself, pointing out more fully the or their Church (for, the church is but the objects of the League, and its beneficial recongregational name of the people) is not fa- sults when tried. Friends of Temperance, vorable to Temperance reform, and-since in various sections of the County, think of here can be but two sides to the question - the subject. The time for decisive action must consequently foster drunkenness? has arrived. Prepare to put on your armor The press of any particular class or party, for the contest. It is a glorious and a righleous cause, too: political, religious, scientific or profession-ENFOSCING THE LIQUOR LAWY. al, is naturally taken as the exponent of the

A great evil exists among us—a terrible evil. It a perpetual conflagration, whose livid diames is the up to heaven, "painting held on the sky, "!! It a fire in the first, in the second, in the third, in very ward and almost every block, it this great and so the various religious denominations, Methodist, Episcopal, Presbyterian, Baptist, &c., have, severally, papers established to explain and advocate their peculiar church, explain and advocate their peculiar church, explain and advocate their peculiar church. doctrines before the public; and we have doctrines before the doctrines before the doctrines before the promised we doctrines before the day doctrines to which they respectively belong, and thus to reflect their aggregate opinion on the prominent topics of the day. Judging by the same rule, the Roman Catholic press is the written representative of the opinion of that church; and if their papers the doctrines before the will be ourselved. It is proposed to suppress this traffic in Intoxicsting Liquors—the sale of the Traffic. It this can be done, the evil will be cured. Can this be done? It can. We are for the Maine that the public day and for the ventire suppression of the lockness. Law, and for the entire suppression of the heense system which regulates the sale of Intoxicating Liquors as a beverage. But such a law would be far as our observation extends) turn the cold of little value unless it were executed. If the laws we now have were faithfully executed niuch

could be effected for the suppression of the Liquor.

Traffic. Better and more arrangent lawaywould be valuelees if they were not executed.

THE CARSON LEAGUE provides for the execution of the laws we now have, limiting this treffic. The same provisions inscessary to secure the execution of these laws will be required to execute the Maine Law, or some similar law, when we get it. Beginning with the execution of the laws we now have touching this evil, we shall have our forces all marshalled and disciplined for the more strong towers of numbers, money and politicalize-tion. The Carson League meets this eleany in his

day, so long coming. We refer Mr. Angele to any one of our older citizens, for a full pectally when the business is both unplea ant and

why, we will not pretend to say—and was succeeded singly by two other Priests, who not only did not use any effort to keep their people soher and curb their intemperate appeting, but who were frequently drunk the weak of this cum has already been taked or the was removed because of this outrageous conduct, in a crunk can be designed to the support of the support of the support of the was removed because of this outrageous conduct, in a crunk can be designed to the support of the su cause of his outrageous conduct, in a drynlower and money for the suppression of a traileto, whose existence all or nearry all the the evils of ben fit, toward a number of our most respectable citizens quietly assembled at the church. And who is not conversant with the piece of scandal currently circulated throughout the County a year-or two ago, of one of our riast young men joining the Priest of a neighboring town in a spree, and section his jolly Reverence to dancing, in this motocking soles, for the anusement of a bar-toon crowd? and the worst part of the scandal was that it was but too true. No Priest, anywhere in the County, so far sweek how, since the days of Father Magin-nies, has ever thone anything toward Temperance's burning mounts not become in extent of the scandal was that it was but too true. No Priest, anywhere in the County, so far say we know, since the days of Father Magin-nies, has ever thone anything toward Temperance's burning mountain will consider the proposed, from the grins and money for the suppression of a traile to the substance all or nearly all the the cvils of intemperance in the the county assembled at the church. And who is not conversant with the piece of scandal currently circulated the preparence men con chase a thousand ruin-collers, and two make to those who insist that a Prohibitory Law is unconstitutional.

The necessity of such a law may be speedily and two made in the reached Temperance organizations. One operation of the suppression of a traile to up sufficient and two suits of intemperance in the the citizent of the three citizents. The interposation of the first of the substance of the subs

we know, since the days of rather Magning in the contrary some of them have disgraced the exposed, from the grans and their profession, and sanctioned drunk-nness by the powerful influence retorm on bad example. The Ger. The Ger uiss, has ever done snything toward Temperance reform among his people; but on the contrary some of them have disgraced by the eye, flowing torients of its burning lave.

Moreover, reliable statistics show that the Rum shops of most our principal towns and ted from accomplishing his horrid purpose the strength of the same propertion of foreigners. These, are the places where the politics of the country are, in a great measure, shaped up; but thank God, we believe that day, with

ADDRESS OF THE Penusulvania State Temperance Convents FELLOW CITIZENS :-- The Temperance subject in politics. They have auxiously and earnestly endeavored to avoid this issue. Convention which met at Harrisburg on the 7th ult., was called to gether under the following resolution adopted by the State Temperance Convention, on the 27th of January

But the course persisted in by the last Leg-

salature in spite of entreaty and respected

remonstrange, has lett them no other alter-

A word in tegard to the popular vote pro-

They have noted their pleasure. It is our

itted to a popular vote. If this most reas

it was a small favor, assuredly,

last, to wit ! "Should the present Legislature refuse to pass a Prohibitory Law, with, or without referring its fepcal to a vote of the people, or should they pass any Bill which would month of June, to consist of delegates from the several Senatorial and Representative They chose to do as they have done before to disregard the known wishes of their con-Districts, in proportion to their representatives in the Legislature, and the State Central Committee, who shall determine the propriety and expediency of nominating a pleasure to velect true men, faithful men State Ticket, to be supported by the friends Prohibition.

of Prohibition."

Precisely this contingency occurred. The "Legislature refused to pass a Prohibitory Law with or without referring its repeal to a vote of the people." They refused to pass any Bill acceptable "to the friends of Prohibitor." All that they attempted was a belong. bition." All that they attempted was a modification of the liceuse law, a measure, the plactical brillity of which is to be tested, localities where a Democrat of known fidelilocalities where a Democrat of known fidelithe plactical infility of which is to be tested, but the inadequacy of which to remove the giant evil of the rum traffic is not a matter of conjecture or count. For more than one hundred and fifty years, the experiment has been tried in every form which legislative with any class of mention could device to render the license system safe; to make it a source of revenue, and yet guard against the blighting, desolating evils which follow in its train. How impotent and abortive these efforts have vided for by the last Legislature, to be "considered as the prayer of the voters of this proved, the history of the past sadly and conclusively shows. It would seem that wise een in the light of the past, the impractica-

legislators and Statesmen might easily have bility of divorcing the legalized traffic in ardeut spirits. If a fountain was sending forth poisonous streams, they would regard it as an insult to their intelligence, it legislatto should be asked by which the rills and the rivulets should be divested of their hurtly deadly power. If the Bohon Upas tree were sending forth its noxious exhalations, producing disease here, and death there, they would regard it as worse than trifling to top off its outer branches and nip in the bud, its poisonous flower, while its roots titled to remain firm and flourishwere perm We are not forgetful of the Apostolic injunction, "not to speak evil of dignities," but there is no divine precept forbidding us to pray that our rulers may be endowed with more wisdom than they have sometimes evinced. With the blessing of Heaven, and the combined efforts of the friends of Prohiarduous tark of executing more stringent laws bitton, we mean that men shall be elected to The finin power has intrenched itself in the carnest and resolute efforts to purify the the next Legislature, who will put forth fountain-men, who will exterpate the Bahon

County—few who witnessed it will ever for get it. But in the full tide of the success of the experiment, much to the regret of the whole community, Protestant and Catholic (by his own people loved him dearly, not-will tanding his severe discipline; and those will tand the control of the Constitution of the United States has settled this question definitely and forever, the Enquor Traffic has been amply dried and proved the Liquor Traffic has been amply dried and proved the Liquor Traffic has been amply dried and proved the Liquor traffic of the States and the most grait the Constitution of the United States to the States and the most grait the Constitution of the United States to the States of the States and the most grait the Constitution of the United States to the Constitution of the United States to the Constitution of the United States to the Constitution of the United States has settled thus question definitely and forever, the constitution of the United States has settled thus question definitely and forever, the constitution of the United States has settled thus question definitely and forever the Constitution of the United States has settled thus question definitely and forever the Constitution of the United States has settled thus question definitely and forever, the constitution of the United States has settled thus question definitely and forever the Liquor traffic the Constitution of the United States has settled thus question definitely and forever, the Supreme Court of the United States has settled thus question definitely and forever the Liquor traffic the Constitution of the United States has settled thus question definitely and forever the Liquor traffic the Constitution of the United States has settled thus question definitely and forever the Liquor traffic the Constitution of the United States has settled thus question definitely and forever the Liquor traffic the Constitution of the United States has settled thus question definitely and forever the Liquor traffic the Constitution of the Uni who differed with him in religious faith, respected and additived his eminent virtues as provide for the exist resulting from the higher trailing and the exercise of a man). Father Maginniss was removed—

wom thank Gul, we heliver that day, with the find who sought to effect herms. Aft is permission antiberaging and then have a surphis sufficient of the minority? True, they hill; but they were particular to the minority of the find who sought to effect herms. Aft is permission, and lepidites and the same testing at the extension of the the mg it downwards through the air chambers, placed within and on each side of the car into a box or tank suspended beneath the floor, from which it is conducted by air tubes opening up into the car through grates in several places along the aisic, thence out again through openings in the top.

The tank is of sufficient depth to hold a barrel or more of water, allowing a free passage of air above it. In connection with this water are pipes leading to a small rotary pump attached to the truck frame which is

pump attached to the trock frame which is driven by a belt passing around the axle of the car wheel, then back again to the tank and air chambers, where by a simple arrangement of diffusers the water in its passage is scattered into a fine spray falling into the tank to be used again. When the cars are in motion the air rushes in with great force, passing through the spray of water which washes down all smoke, einders or

ONE LOW PRICE to ask and take, suits of rybody. We only speak our sentiments when we ay that our Gentlemen frieinis who visu Philadel-ha, will be hand county treated, and can be shits according fitted to a matchless suit of clothes, at a very reasonable price, by calling at the celebrated one-price Clothing. House of LIPPINCOTT & CO., South-west corner of Fourth and Market streets. HOLLOWAY'S PILLS -Among all file

medicaments of the day, the names of which fill the common ear to nausea, we would not include Holloway's Pills, celebrated both here and in Eu-There is another error in the same sentence, which I will not now point out. Those who dwell in glass houses should not throw stones.

I have never professed to be a warm friend of the County School Journal. Since I made the Globe, and in every portion of the evrifice of the County School Journal. sease, thus operating in an extraordurary manner in most all disorders to which human nature is subject.—N. Y. True National Democrat.

For sale by John G. Brown, Clemens & Heisler J. C. Hughes, Pottsville; E. J. Fry, Tamaque Dr. J. Kel ar Burns Minersville. MCLEAN'S VOLCANIC DIL LINIMENT F. K. Burns, Druggist, at Minersville, we learn, has obtained a supply direct from the proprietor, St. Louis.
The Volcanic Oil Linement is truly a CELEBRA-

TED medicine, and has done more alleyinte human suffering than any romedy ever discovered,—One or two applications will relieve the most server Pain. Bruise or Sprain.

TWO Bottles will cure the fourest Ulcer of Sprain. Sore, and will heaf the most severe Burn or Scald without a scar.

Every Frantly should have a supply constantly on hand to be used in time of need.

TO MINERS, working in Goal Mines, we say to you detay not until you have obtained a supply -you will save a great deal of suffering and mon For HORSES, it is the only sure remedy

lameness, bruises, cuts, scratches, old sorez, sings, &c. Try it and you will be convinced.
