FROM ADAMS & CO'S. EXPRISS OFFICE. -This is to certify that we have used McLean's oleants Oil Lastment with perfect success. One of our Express Horses was lame from a hard warded. allous Swelling on the knee. We tried various 

Liniments and remedies to remove the disease, but one of thems done any good. We procured one dollar bottle of the Volcanic Oil Liniment, and it has removed the swelling and cured him. We therefore take pleasure in recommending thin Liniment publicly, for it is the best external reme-dy ever used. Jeauary 6th, 1854. St. Louir, Mo. Too the switch for a switch of the switch of the white feet, back. Any Betson A TO THE AFFLICTED.

We say, trills to longer with those common Lia-iments and remydics. Obtain a supply of the rem-edy for Rheumatian, Braises, Sprains, or any local pam, no diffusione how severe, a few applications warded. A. FARQUILA Potteville, August 19, 1654 53 31

Pain, no difference now sovers, a now applications will give relief. A tew small bottles will cleanse and heat the most loath-ome Sore, and it will heat any Wound, Fresh Cut, Burn or Scald, in an incredible short tice is hereby given to subscribers to the B Try i and you will be convinced of its wonder-fut efficiency. See silverrisement in another column in to-day's

sented some deeply interesting facts concerning vice and crime in. Pepal and Protestant countries. He possessed himself of the gov-erament returns of every Romanist govern-ment on the continent. The Boston Trans-cript condenses them, and gives the follow-in or mentics.

Kotatoes, do Timothy Need Clover do ing results : In Eogland four persons for a million, on the average, are committed for murder per year. In Irelaud there are inneceen to a million. In Belgium, a Catholic country, there are eighteen murders to a million. In France there are thirty-ope. Passing alto Austria we find thirty-siz. In Bavaria, also GENERAL NOTICES.

France there are thirty-opic. Passing the deal of Poluville. Austrin we find thirty-siz. In Bavaria, also Satholic, sixty-eight to the fullion, or it homes and a struct out there will be thirty-Goog into Italy, where Catholic influence the shanker's forther will be address of the Meahanics' forther will be address of t

The sboye lacts are all drawn from the civil and criminal record of the respective countries named. Now taking the whole of these countries together, we have seventy-five cases of murder for every million of people. In Protestant countries—England, for example, we have but four for every million. Aside from various other demoral-izing influences of Popery, the fact now to five cases. In Protestant countries for every million. Aside from various other demoral-izing influences of Popery, the fact now to
