

THE FARMER

Mr. Speaker, the gentleman is not as old as I am, and has never seen so much of the practical operation of the system of punishment as I desire to do.

While a member of the General Assembly of this State, he brought in a bill for the abolition of public punishment at the whipping post. He made a speech thereon to which an elderly member replied somewhat as follows:

"Mr. Speaker, the gentleman is not as old as I am, and has never seen so much of the practical operation of the system of punishment as I desire to do."

Will be sold at Public Sale, on Wednesday, the 2nd day of January, 1884, at 11 o'clock in the forenoon, at the residence of John A. Brown, on the second floor of the building on the corner of Third and Market streets, Philadelphia, the following real estate:
