""Here one of us may fall, And, like St. Panl's Catheral now, Be doomed to have a ball.

Wit and Gumar.

I do confers I did attach . Misconduct to your name!' If I withdraw the charge, will then Your rampod do the same?"

Said Mr. B., "I do seree:-But think of Honor's courts,-If we be off without a shot, There will be strange reports.

But look! the morning now is bright, Though cloudy it beguns Why can't we sim above, as if We had called out the sun?"

So up into the harmless air Their bullets they did send: And may all other duels have That upshot in the end.

DID TOU EVER?-Did you ever attempt to pass quickly around a corner close to the building in a busy street, without finding your-self suddenly in the arms of one of the oppo-tion of the oppo-tion of the oppo-tion of the oppo-tion of the business more than thirty year, can guarantee bis work at the lowest prices. building in a busystreet, without finding yoursite sex? Did you ever walk behind an old man with his cans stuck up under his arm, without his stopping suddenly, ruuning the eud of it into your right eye, seriously damaging that member? Did you ever ask the prettiest girl in the room to dance with vou. without being told that she was engaged for every set? Did you ever wander into a place where you were not particularly anxious to be known, without meeting some blundering fellow who hawled out at the top of his voice, "How are you, Jones?" Did you ever accept an invitation to go to church with a friend who owns "half a seat" without finding it jammed full with the friends of the other proprietor? Did you every buy a cigar with the last cent of change about you, without seeing Smith who gave you one yesterday, walking up and greeting you with a smile, just as you were making the selection?

The author of the Musikle Epic addresse the Rallst-bor in the following heroic strain : You are the institution for me-You are the place where a feller says what's To be done, and how to do it. Sposin' You hadn't been bilt. What then? Why we should Have had a tyrink a rulin of us, A hazin us round with troups of zoldiers! Amerky would hev prevailed—we would hev Had a inquisition, and tortures and sich "To rack the boucs of freemen" [from another poet.]

You are a great place for Irishmen to Carry shilalays to, and drink whiskey, and a Good many men by their own talking would Never her been heard of, but for you. Yos, You are a good affair, and a feller Can vote as much as he's simind to 'specially

You are a great institution, For I voted twelve times yesterday. Freeman's voice. farewell!

A WOMAN will cling to the chosen ob ject of her heart like a possum to a gum tree, SADDLE and Harness manufacturers, strings no ari can mend, and leaving a por-tion of her soul on the upper leather of your affections. She will sometimes see something to love where others will see nothing to ad-mire; and when her fondness is once fastened on a fellow, it sticks like glue and molasses in a bushy head of hair.

IN A KNOTTY PHOBLEM .--- The Chinese are said to have labored for centuries under great embarrassment, from not knowing how to make a barrel. They could without any difficulty make the staves, set them up, and "hoop them in, and indeed, with the help of a man inside, they could put the second head on, but how to get the man out after the barrel was headed-that was the question.

BOP ONE of "Pike's" noblemen intends applying for a patent for a machine which he says, when wound up and set in motion, will chase a hog over a ten acre lot, catch, yoke, and ring him, or by a slight change of gearing, it will chop him into sausages, work his bristles into shoe brushes, and manufacture his tail into a cork screw.

BOTA KNOTTY POINT SETTLED .- A Caviller in our vicinity, the other day, tried to put down his opponent with this question: "If Noah did send out a dove that never returned, where did it go to?" "Why," retorted his antagonist, "I suppose somebody shot i!"

AVEDL EXPLOSION-In metre : "The engine groaned, The wheels did creak, The stoam did whistle And the boiler did leak : The boiler was examined, They found it was rusted. And all of a sudden The old thing busted."

POETICAL GEN .- A distinguished memher of the Covingson bar, having in his youth been treated rather scornfully by a young lady to whom he paid his addresses, thus poured out his grief:

"Oh Em ! Oh, Em ! youv'e me forsaken, And that, too, without just cause; But when you find that you are mistaken, Til be far away in the ABRANSAWS!

MOP"SEE here, Gripps, I understand you have a superior way of curing hams. I should like to learn it." "Well, yes-I know very well how to cure them ; but the trouble

wery well how to cure them; but the frouble with me, just now, is to find out a way to pro-cure them !" A FLOWING STYLE:—"Dear me, how fluidly he does talk!" sid Mrs. Partington, recently; at a temperatice lecture; "I am al-ways rejoiced when he mounts the nostril, for his eloquence warms me in every nerve and cartridge of my body." SABCASTIC.—A woman has suggested that when men break their hearts, it is all the same as when a lobster breaks one of his

same as when a lobster breaks one of his claws-another sprouting immediately, and growing in its place.

SINCE it has become the fashion for men to confess their past errors very freely in books, it is boldly asserted that there is no material difference between an auto biograpby and a naughty-biography.

The Proprietor has succeeded (from directions of Pro-fessor Stone) in Combining the Oil and Lime so perfectly that the taste of the Oil, which is so naureous to persons generally is entirely overcome, and it can be taken by the most delicate females with pleasure. And as regards the benefil of this article over the pure oil, the following car, by Prof. Stone, is sufficient to convince the most scepical. The young lady was 24 years of age. "Har disease was one of unmixed phthesis, which had been expected to terminate in the course of a fow months, fatally. The upper part of both her lungs was filled with thebreles; and in some places were beginning to soften. The case was evidently a bad one. The treatment of cod liver oil was at first used, but without marked improve-ment. The phosphate of lime was then administered with the oil, and the result, as in the case of many others. CAUTION-On account of the great reputation of this Compound for all Lung Complaints, the subscriber would cution the afflicted against using any except that man-ufactured by him. as he has the only recipe in the U. States for combining the pure oil with Lines in a proper manner. Therefore as you value your health, purchase none except that manufactured by ALEXANDER R. WILBOR, Chemist.
