THE COAL TRADE.

Lebigh,

We notice the New York Directors | Penna, R. R., including wheel toll on light cars, 5 miles, Camberland Valley R. R. bridge at Har-

risburg, 1 mile, Northern Central R. R., ascending grades of 52 and 60 fect per mile, for haul-age on 84 miles and use of cars, on 126 iles of main road, besides the laterals leading to the mines, and landage in the city of Baltimore,

Total charges from Pinegrove to Baltimore, 126 miles.

The Northern Central Railroad Company farnish the Coal cars for this business, and charge therefor ic per ton per mile for use of cars, and Ite per ton per mile for haulage and use of road. The Dauphin Company (who furnish no cars) charge lie per ton per mile for haulage and use of road, up grade of 33 feet per mile. These Companies, on grades of 33, 52, and 60

feet per mile, accending against the cones, charge only 11 cents per ton per mile for haulage, use of road and cars! The Reading Railroad Company, on level and descending grades, charge 2 1-5 cents per ton per

mile, or \$2 for 92 miles from Mt. Carbon to Richmond ! At the rates charged by the Dauphin and Northern Central Railroad Companies, and deemed by them sufficient, the Reading Railroad Company ought only to charge 92 miles at 11 cents, or but \$1 38-100 from Mt. Carbon to Richmond.

But this makes no allowance for the ascending grades of 60 feet per mile, over which the Northern Central Railrond Company work their Coslreducing the rates of the Reading in proportion to their boasted advantages in grade, they ought not at this moment to be charging more than \$1 per fon from Mt. Carbon to Richmond.

Coal for the market.

These calculations show how burdensome the present exactions are upon our business-exactions which if continued will ruin this region, and the

railroad too. Quantity of Coal sont by Railroad and Canal, for t 205 259 285 Boyd Rosser & Co's "Luke Fidler Col-liery" at Shamokin. rock ending on Thursday evening las Port Carbon. We have much to say, as soon as we get time to do so, about Shamokin and the Coal mines of that Schuylkill Haren, region. So far we have said hut little concerning Port Clinton, the Coal and Collieries of the middle field, not be-

cause we are, or were unwilling to give the information which our readers require concerning it, or Total for the week. hecause we are prejudiced, as some of the Shamo-Total by Railroad in 1855, kin people will have it; but because we think a certain class of speculators have already said too Total by Canal and Railroad much about the region,-more in fact than bas

done, or will do it, any good. By Railroad, The "Luke Fidler Colliery," on the Helfenstein By Canal. & Boyd tract, was opened by Rossers & Loyd, some seven or eight years ago. Since then the

firm has changed its name, to Boyd, Rossers & Co., Increase in 1855, so far. admitting Mr. Boyd into the concern, and at the Schuylkill County Railroads-1855: same time enlarged'their capacity for operation, by creeting a splendid new Breaker and other out."

The following is the quantity of Cosl transported over the different Refiroads in Schuylkill County, for the week ending on Thursday ovening last: side fixtures. Their new improvements, which are certainly admirably adapted for the purpose of Mine Hill and S. Haven R. R., 41, 47 19 preparing Coal, was designed by Kimber Cleaver.

" 12.649 05 huyikill Valley They contain many new features, which not only It. Carbon & Pt.
