

A PROSCRIPTIVE HOTEL-It has surprised ! s' that the Girard House, in Philadelphia the conduct of which is illiberal and anti-American in the extreme, can be patronized by an observing, intelligent public. We had the fact recently, of the proprietors being ar-raighed before Mayor Conrad; for a violation of the Sunday liquor law, and now testimony is adduced to show that the Boman Catholic lessees of the Girard exclude from sale on their premises all papers except those which
