Three to use bottles are warranted to cure the worst case of Ersshelas. One to two bottles are warranted to cure all humor in April 22, 1854 PHILAD'A. & READING RAIL ROAD. he eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. ' Four to six bottles are warranted to cure corrupt and NARY AND AFTER NOVEMBER 1st, 1854, until dirther notice, the following Rates of Freight will be charged per 100 pounds: running ulcers. One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the ase of ringworm: Two or three bottles are warranted — sure the most te case of rheum ARTICLES OF FREIGHT. Three to four bottles are warranted. cure the salt Five to eight bottles will cure the worst case of scrof-Dry Goods: Confectionery, Books, Carpet-ings, Cigars, Frosh Meat, Fish, Glass, &c / Anvils, Bran. Butter, Copper, Eggs, Ear-thenware, Grindstoacs, Groceries, Hemp Hams, Hardware, Hides, Hollow-ware, Leather, Machinery, Oysfers, Olis, Sceda, &c. ula. A benefit is always experienced from the first bottle, and a perfect curg is warranted when the above quantity and a perfect chieft is warhanted when the movel quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effects of it in every caso. So sure as water will extinguish fire, so sure will this cure humor: I never, sold a bottle of it but that sold another; after a trial it always speaks for itself.— There are two things about this herb that appear to mo-nemeristic first that it crows in our pastures. In some Ac., Ale, Beer, Cotton, Coffee, Grain, Bar Iron, Lead, Molasses, Nalls Spikes, Rice, Salt, Provisions, Sugar, Whiskey, &c., Brooms, Fire Bricks, Guano, Mill Stones, Pitch and Tar. Salt, Scrap Iron, Timber, and Lumber, &c., Bricks, Coke, Cord Wood, Clay, Gravel, Lumber, Markey, Manue, Manue, Manue, Markey, Manue, Markey, Markey, Manuel, Markey, Markey, Manuel, Markey, Manuel, Manu There are two things about this herb that appear to me surprising; first that it grows in our pactures, in some places quite ploutiful, and yet its value has never heen known until 1 discovered it in 1846—second, that it should cure all kinds of humor. In order to give some idea of the sudden rise and great popularity of the discovery. I will state that in April, 1853, I pedded fi and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of, the wholesale druggists who have been in the business twinty and thirty years, say that nothing in the annals of patent medicines was over like it. There is a universil pulse of it from all quarters. In myown pragitice Laiways kept it strictly for humors —but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected. Ice, Iron Ore, Limestone, 1 Iron. Plaster, Slate, &c., Flour, per barrel, Oct. 21 1854 PHILAD'A & READING RAILROAD. FFICE of the Philada. & R. R. Co. great and wonderful virtues have been found in it that I never suspected. Neveral cases of oplicptic fits--a disease which was al-ways considered incurable, have been cared by a few bot-tiles. O, what a intercy if it will prove effectual in all cases of that awful malady--there are but few who have is know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the layer, sick lieadache, Byspepsia. Athma, Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in dis-eases of the kidioyas. Act, the discovery has done more good than any multicine over known. nclined Plane, Nicetown, Germantown R. R. NO DOUBT, the most wonderful Hamburg. discovery of this age of progress. The following is from a distinguished member of the medical profession: Orwigsburg from a distinguished member of the medical profession: *St. Panl. Jonuary* 1, 1855. *Prof. O. J. Wood-DEAR Siz:-Unsolicited is a send you* this certificate. After being nearly half for a long time, and having tried all the half restoratives extant and having no faith in any, I was induced, on hearing of yours, to give it, a trial. I placed myself in the hands of a barber, and had my head well rubbed with a good, stiff brush, and the Restorative then applied and well rubbed in, till the scalp was all aglow. This I repeated every morning, and in three weeks the young hair appeared, and grew rapidly from August last up to the present time, and is now thick, black and strong-soft and pleas-ant to the fuerows of it, and that little there, was dis-appearing japidly. I still use your Restorative about twice a week, and show a good and perfect copp of hair. Now Lhave read of these things-and who has loard of Manag March 3, 1855 9.tf S. BRADFORD, Secretary. SCHUYLKILL NAVIGATION CO. FFICE Schuylkill Navigation Co., March 1st, 1855. The charge for the use of cars and for toll on Anthr rite Coal, carried on the Schuylkill Navigation, will be as follows, until July 1st, 1855: IT.OM fo Philadelphia. twice a week shid shall soon have a good and perfect crop of hair. Now have read of these things—out who has not—but have never seen hitherto, any case in which any person's hair was really benefited by any of the hair tonics, &c., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has alarge and general saie throughout the Territory. The people here saw its effects, and have, confidence in it. All who have used it here will coincide with me in what I have written. Plymouth Dam, Bridgeport. Port Kennedy, Valley Forge, Pawling's Dam, Port Providence Phenixville. used it here will conclud with the in what have written. The supply you sent us as the wholesale agents for the Torritory, is already exhausted, and daily inquiries are made for it; You deserve credit for your discovery. I, for one, rothern you thanks for the benefit it has done me, for 1 certainly had despaired long, long age, of ever ef-Royer's Ford, Portstown Land Port Union, Bi deborough, Reading. monarchical governments in existence, m his appearance, to the infinite delight of the gods in the gallery,

Signor Ballii Bolero Bundilbucker began by standing on his' head, and knocking his heels together, and then turning a series of inextricable and marvellous summersaults, he a'ighted upon his feet, took a drink of water. rabbed his slippers in some pulverised rosin, and-was at it again. In ten minutes he contrived to twist himself into more shapes than the most active imagination could conceive in a month, and finally, taking his toes in his teeth, and tying his arms in a bow-not around his neck, rolled off.

Then came a farce, which would have been very funny had it not been preceeded by the pean Steamers. October 13, 1555 tragical decds of Signor B.dero Bundilbucker, Everybody got married in the farce-all the bag-wiggel, you recless fathers, cut their unsuspicious children off, with a shilling each, and wrathfully thumped the stage with emphatic canes, and then consented to accommodate everybody by ending the play with relenting hearts.

The curtain came down-the orchestra went off-and Nubbins and his friends went ٥
