"I will take your fare, ma'am,' s id the

driver. "'How much is it, Sir?' asked the lady. "'Four-and sixpence,' sail the driver, 'for

vourself and the little girl. "Well, now, that's a monstrony sight of money for a little girl's passage like that; her father, my husband, has been dead these two long years; and I never was so far from home in all my life. I live in the State of New South State of State of South State of South State of South State of South State of State of South State of S Hampshire. It is very unpleasant for a lady;

but I dare say neither of them gentlemen would see me, a lone widow, imposed upon." "'I'll take your fare, if you please,' repeat-

ed the driver, in a tone somewhat bordering upon impatience.

"'How much did you say it was?-threeand sixpence?' asked the lady.

"'Four and six, if you please, ma'am, politely answered the driver.

"'Oh! four-and sixpence!' And after a good deal of fumbling and shaking of her pockets, she at last produced a half-dollar and a York shilling, and put them into the driver's hand.

"" That's not enough ma'am,' said the driver; 'I want ninepence more.'

"'What! ain't we in York State?' she asked, eagerly.

"'No, ma'am,' replied the driver, 'it is six shillings, York money.'

""Well,' said the lady, 'I used to be quite good at reckoning, when I was to home in New Hampshire; but since I've got so far from home, I b'iieve I'm beginning to lose my mental faculties."

"I'll take that other ninepence, if you please,' said the driver, in a voice approaching a little nearer to impatience. At last, aftor making allusion three or four times more to her native State and her deceased husband Simon I (happy man!), she handed the driver his nine-

pence, and we were once more in motion. "'Do you think it's dangerous on this road?' began the lady, as soon as the door was closed; I am a very lengthy way from home, in the State of New Hampshire; and if anything should happen, I don't know what I should do. I'm quite unfamiliar with traveling. I'm a widow lady. My husband, this little girl's father, has been dead these two years come this spring, and I'm going with her to the Springs: she has got a dreadful bad complaint in her stomach. Are you

going to the Springs?' she asked of an invalid passenger. "He shook his head feebly in rep'y. "'Are you going, Sir ?' she said, addressing the humorist.

"No, he replied. 'I am not: and if I were-' But the contingency was inwardly pronounced.

"'Are you?' she asked, turning to me. "'No!

""Ah? I am very sorry. I should like to put myself under the care of some clever gentleman; it is awfal unpleasant for a lady to be so far from home without a protector. I am from the State of New Hampshire, and this is the first time I ever went a-traveling in my life. Do you know anybody in New

The following is rom a distinguished member of the medical profession : Erie, the critesof the Lakes, and all the Western roads, forming the grandest concentration of Rainroads in the State. 32 Sed the latest map of Fennsylvania (Barnise) Locomotives are running on a large part. There is also a valuable Saw Mill. upon the property, and Two Hun-dred and Thirty-five Lots in the town of SL ary's, which the subscribers get. In the town of SL ary's, which the subscribers get. In the town are Holels, Schools, Saw Mills, fine stores and every thing desired. About Seven Thousand Acress are now under cultivation, and the population numbers 2500. In the vicinity about ten thousand fices more is under cultivation. The land sufrounds these improvements. It is a spre-rior linestone soil, and unlike much Pennsylvania land.

from a distinguished member of the medical profession S. Paul, Janiarry 1, 1855 Prof. O. J. Word-DEAR Sin:-Unsolicited, I send you this certificate. After being nearly bald for a long time, and having tried all the half restoratives extant, and having no faith in any, I was induced, on hearing of yours, to give it a trial. I placed myself in the hands of a barber, and had in the dwell rubbed with a good, stiff brush, and the Restorative then applied and well-subbod in, till the scalp war all aclow. This I repeated every moring, and in three weeks the young hair appoared, and grew rapidly from August last up to the present time, and is now thick, black and strong-soft and pleas-ant to the touch, whireas, before it was harsh and wiry, what little there was of it, and that little there, was dis appearing rapidly. I still us your licetorative about twice a week, and shall soon have a good and perfect crop of ther. Now I have read of these things-and who has nott-but have near seen hitherto, any case in which of hair. Now I have read of these things-and who has not!-but have never seen hitherto, any case in which

any person shair was really bunchited by any of the hair ionics, &c., of the day; and it really gives me pleasure to record the result of my experience. I have recommended tonics, &c, or two day, and it reary gives he phase it is record the result of my experience. I have recommended your preparation to others, and it already has a large and general sale throughout the Territory. The people here saw its effects, and hav, confidence in it. All who have saw its effects, and har, confidence in it. All who have used it here will conjeids with me in what I have written. The supply you sent ins as the wholesale agents for the Terrifory, is already exhausted, and daily inquiries are inade for it. You deserve credit for your discovery. If, for one, return you thanks for the benefit it has done me, for I containly had dispaired long, long ago, of ever ef-fecting any such possibil. I constantiate you that your

There is no coal in New York, and, on jaccount of the situation, it possesses the advantage of nearness. It must shortly become immendoy valuable. Its location points its destiny to become the Poissville of that country. Friends and relatives as well as those having more There is and relatives, as well as those having more forting any such result. I complained you that your fortune (and a large one) is already made.
