ert their brains; if brains are wanting they have hands, and can work for their daily bread. The sense of independence is among the first of the manly virtues, and the being who barters it for gold is surely and emphati John and his ill-starred companions in Arctic | cally a serf.

four years old, yet he has done more than cir-eumnavigate the globe; he has visited and traversed India, Africa, Europe, South Ameri-ran exactly in the current of one of his own world do without them?! Those breathing moments in the tramping march of life; those little twilights in the broad and garish glare of noon, when pale yesterdays look beautiful through the shadows and faces "chauged" long ago, smiling sweetly again in the bush :

do, before the world turned them into war, drums and jarred them to pieces with tattoos. The ledger closes with a crash; the irondoored vaults come to with a bang; up go the shutters with a will; click goes the key in the lock. It is Saturday night, and business breathes free again. Homeward, ho! The door that has been ajar all the week gently closes behind him ; the world is shut out. Shut out? Shut in, rather. Here are his treasures after all, and not in the vault-save the record in the old family Bible-and not

in the Bank. May be you are a bachelor, forty and frosty. Then, poor fellow! Saturday night is nothing to you, just as you are nothing to anybody. Get a wife, blue eyed or black eyed, but above all true-eyed-get a little home, no matter how little, and a little sofa, just to hold two or two-and a-half in it, of a Saturday night; and then read this paragraph by the light of your wife's eves, and thank God and take courage.

The dim and dusty shops are swept up; the bammer is thrown down, the apron is doffed, and Labor hastens, with a light step, homeward bound.

"Saturday night," feebly murmurs the lanuishing, as she turns wearily upon her couch, and there is another to come. "Saturday night, at last!" whispers the

reeping above the dying, "and it is Sunday to-morrow, and-to-morrow !"

KEEP THE MOUTH SHUT DURING COLD WEA-HKR.-In the Jours al of Health, Dr. Hall advises everybody who goes out into the open ir from a warm apartment, to keep the mouth thut while walking or riding. He says :

"Before you leave the room, bundle up well -gloves, cloak comforter-shut your month before you open the street door, and keep it esolutely closed until you have walked brisktoy some ten minutes; then, if you keep on walking, or have reached your home, you may talk as much as you please. Not so doing, many a heart once happy and young now lies in the church-yard, that might have been young and happy still. But how? If you keep your mouth closed and walk rapidly, the air can only mach the lungs by a circuit of fact the surgeon, sailing-master, astronemer the nose and head, and becomes warmed beand naturalist, as well as captain and leader fore reaching the lungs, thus causing no de-

and naturansi, is went as captain and reader of the expedition. * This man of all work, and desperate daring and successful doing, is in height about five feet seven inches; in weight, say one hundred and thirty pounds or so, if health and rest would but give him leave to fill up his narangement; but if you converse, large drafts of cold air dash directly in upon the lungs, chilling the whole frame almost instantly. The walking throws the blood to the surface of the body, thus keeping up a vigorous circulation, making a cold impossible if you Greece on foot; he had visited Ceylon, the tural measure. His complexion is fair, his don't get into a cold bed too quick after you Upper Nile, and all the mythologic region of hair brown, and his eyes dark gray, with a Egypt; traversing the route, and making the hawk look. He is a hunter by every gift and get home. Neglect of these bring sickness and premature death to multitudes every acquaintance of the learned Lepsius, who grace and instinct that makes up the charac was then prosecuting his archeological rest ter; an excellent shot, and a brilliant horsevear.

man. He has escaped with whole bones from At home again, when the Mexican war all his adventures, but he has several wounds roke out, he asked to be removed from the which are troublesome ; and, with such gene-THE STILL SMALL' VOICE .-- It is not amid the scenes of wild excitement, that God is pleased to speak to his children.
