R. H. GRESSANG has been appointed agent for this county for the sale of "FIRK'S PATEM METALLIC BURIAL CARES," Which supercede all other kinds in use. Being perfectly sirright, it obvitses the necessity of hasty burials, and also preserves the body from immediate decomposition—They are particularly smitable for transporting the body from one place to another. The fare is covered with a tick glass, with metal top, which can be removed at any time, and the face of the corpse seen by its friends or relatives.
