

# Miners' Journal.

POTTSVILLE, PA.

SATURDAY, AUGUST 30, 1850.

The circulation of the Miners' Journal is equal to the accurate circulation of any TITLE other English paper published in the United States. The number of copies of the population, an advertisement inserted in its columns, is, of course, worth all the papers in our cities. The rates of advertising are always graded in proportion to the value of the paper.

## OUR PRINCIPLES.

### THE FREEDOM OF SPEECH.

### FREEDOM TO KANSAS.

NOT ANOTHER INCH OF SLAVE-TERRITORY.

The Union, Not, and Power, and the men who will carry out these Principles.

The flag upon which these principles are inscribed must fly over the land.

The men who are in the coming Presidential contests, have been found. They are John C. Fremont, of California, and Wm. L. Dayton, of New-York. We therefore add to the folds of the flag:

FREMONT, FREEDOM, THE CONSTITUTION AND THE UNION.
