

SATURDAT, FEBRUART 4, 1857.

"SHATERS" AND THE CREAP TRAFFICKERS-Two classes affect communities with their pres. business, sithough the charges for transportation ence, and are the allied bane of business pros- are necessarily light.

perity. The first class embraces the "shavers," To increase the coal business, however, greater the men who make 24 per cent, per month, at the | facilities should be furnished for its shipment t expense of the necessities of the business commu- and distribution at Philadelphia. With a view to nity. With leech like tenacity these men ellog this object, as well as the more important one of to their victims until the last cent is extracted reducing the cost of Western, produce on ship-The blight of such an investment of cepitel, can board to its minimum, an act of Assembly authono where he so perceptible as in Pottsville. In rising the Company to extend the Philadelphi this Borough we need very badly, a large num-ber of small boases, with rents ranging from been procured, which will be submitted to the \$100 to \$150 per annum. The capital devoted to "shaving" if put to shat purpose would give commencement of the work which is anthorized. to "shaving" if put to that purpose would give | commencement of the work which it authorized an impetus to the growth of the Borough in The earnings of the Company for the year, from wealth and population; enhance the value of all sources, were \$4,720,193 71,

property and business, and prove a good paying nvestment. Were it also devoted to manufactur ing operations in connection with the erection of dwellings, which is one of the imperative wants of the Borough, the results would be most satisfactory to" the capitalist, the Borough, and land for advice, and a Homeopathie' physician the entire Region, for an impulse given to present interrogated the departed spirit of Hane. legitimate business here would act upon the County, as a stone thrown into the placid

waters of a tiny lake, sending the wavelets In every direction to its boundaries. A systsm of "shaving" in a business community affects not only those who directly submit to it, but avtends beyond that circle to the humblest member of the community. The exorbitant charges of 'the "shaver" must be borne by some one, and they fall indirectly it may be, upon the working- ham of Wilkesbarre, presiding. man. He feels it keenly in the depression of business consequent upon the system ; in the scarcity of comfortable little residences which capital rightly directed, would stud our Borough with, and in the almost total absence of those

manufactories, which give employment to the population of, and supply the necessities of a community, in piece of compelling that community. In piece of compelling that community is not charles Heffner, Luke Logan, T. manufactories, which give employment to the nity, to seek abroad the commonest article used in every day life. How important might the manufacturing interests of this Region be, were the capital now used to flooce it, directed to their es-

circulating medium of a place grows out of the profits of its business men, it is essential that the trade of the place should be equitably conducted, and fair profits accrue to every one engaged in business. If one or two men monopolize the bus pess of a town by their will o' wisp inducement to purchase cheap goods, or if a company carries out a similar plan of monopoly of the

Susiners of a place, to the detriment of other retailers, who desire but a fair profit on their saler, The laborer in patronising cheap stores will find

the change more keenly than capital. We do not advocate high or exorbitant charges. We simply any that it is to the interest of the entire commusity that it see in those stores where good articles are sold at a fair profit to the dealer. We have no faith in cheap stores and cheap men .---T a series Sat. We avoid them both. An ext of years has destroyed all faith in either. If Tues. " 8, our citizens will give this subject a little consided. Wed. " 4/ eration, we think that they will come with us to Ref. # 5, Ref. # 6, the conclusion, that of the two curses to a community like our own; it is difficult to decide which are first to be avoided, the "shavers" or "cheap traffickers." . How to MARE BUBINESS FLOURISH .-- In every. community, the life of business is. judicious advertising. Many of the colossal fortunes of the country have been built up by a system of advertising, liberal in some instances to a frightful extent. It paid however. The New York Ledger. first attracted attention by its peculiar system of advertising. Now its merits-it is probably, t be best of the centimental papers published-are | fully able to maintain its huge circulation. It still advertises however, recognizing the impor-Carbon. lie. Our remarks are intended more particularwhere. Dealers here should awaken to the fact think will be conducive to the interests of our

THE PRESERVINASIA RAILBOAD THE ADBUS! Report states that I wo miles of the second track of the Road has been completed. The report speaks strongly in regard to the tonnare tax, dolaring it to be embarraning to the road, and in direct violation of the Constitution of the United tates ; but the question can only be brought before the proper tribunal through other instrumen talities than the Company. Since the repeal of the tonnage tax on coal, the transportation of the ituminous variety has become an important branch of the company's business. It is deemed an important branch, in connection with other

fomes of the city, insunate and white! adies, so joyous to sight tod with visions of family O, poet encanton win the for power and acclaim I And stateman, still lusting for power and acclaim I A lesson from heaven falls fairful and fust-Fair maid, with the lillas all pale on thy brow-

He braitles on the boson, but parses thes now: Stoet babe-whom the angels are waiting above-Still alumber tonight on the boson of love. "Tis not to be watching or weak. Doath hath come! He wrestles to night with the stalwart and strong!

capital now used to flowce it, directed to their es-tablishment and maintenance. Another and probably the greatest curse to community, h found in chesp stores. As the some instances, as the rents of their houses.

Ball at Askland .- The first Annual Dre of the Citizen's Brass Band of Ashland, wil e given at the Mahanoy House, Ashland, on Mon day evening, February 23d. As the arrangements for the festive scene will be of the most liberal character, and the managers are gettlemen of es-perience in that line of amusement, we anticipate ent, we anticipat for the participants a glorious time.

FT Snow enough, "in all Conscience."-Upon he frozen snow of the great storm of a fortnight tailers, who desire but a fair profit on their sales, the circulating medium is stopped, and a check is placed upon the prosperity of the community.— The laborer in patronizing cheap stores will find n those running around the bases of 'our moun the short in partoning the bas been patronising on those running around the onses of our moun-too soon, to his cost, that he has been patronising tains, it is in some places, three and four feet 'chesp labor, for labor is affected by the prosperity deep. We will undoubtedly, have sleighing until ar disaster of a Region much sooner, and feels Spring. The roads in the county are hardly well broken yet. -----

During the past two days, dame Nature has been in a melting mood, and much snow has disappeared in consequence. The thermometrical record for the week is as follows : P. R. & P. TELEGRAPH OFFICE, n his lecture. Before concluding, Mr. Loomis exhibited some idols, a spiritual sword, (to cut off the heads of evil apirita;) a funereal tablet, paper dresses which Pennsylvania Hall, Pottsville. } Jan. 31, 8 A. M. 26°, above sero-snowing ard hurned at the graves of relatives, etc. It is impossible in limited space to follow Mr. Loomis through all the details of his interesting locture. It abounded in information even to 120 4 those who are conversant with Chinese history ; mannars and customs, and was delivered in a con-Barough Election.—The following per-rons were on Monday last, elected officers for the Borough of Port Carbon, for the ensuing year: Chief Burgess—Rois Bull. Council—George B. Fisler, Ell Thompson, Mi-cheel McDonough. Schoil Directore—Dr. J. H. Wythe, Thomas versational, entertaining manner, quite refresh-ing in contrast with the stiff, formal habit of deby in contract with the stiff, formal habit of de-livery contracted by the mass of lecturers. These lectures of the Second Methodist Epis-copal Church have been quite a feature of the present winter's entertainments, and we congrat-ulate the managers on the success stiending their efforts to instruct and amute. The attendance Maloney. Justice of the Peace-Henry Shistler. on Tuesday evening was excellent. High Constable-Urlah Gane. Town Clerk-Orando Templin. Assessor-Michael D. Weand. 1 "Little Things."-The charming sentimen of the annexed neat lines are worthy of the fer-Assessore--- Charles Baber. James Gi file postical powers of the "Buckville Blacksmith." A find of good common sense is contained in the the exclusive' privilege to a party, of obtaining Auditors-John Bailey, Robert Allison, Jacob Sersinger. Although the Opposition have the majority in Port Carbon, they very judiciously placed men of cated to all his productions. We welcome the jes all parties on the successful licket. This course d'espris to cur columns; congratulate the author tance of being ever prominently before the pub- must prove antisfactory to the citizens of Port on its beauty, and commend it to attentive peru-Ile. Our remarks are intended more particular-ly to reach the business men of our own Borough. Business is depressed, and in a measure it is much the fault of those having articles daily w anied, which though on their shelves and in their drawers, might as well be in China as re-g ards usefulnees to their possessors or those who n ced them. Advertise them. Let purchasers know where they can get what they want in their own neighborhoud, without sending to Philadel-phis for it. People will not hunt up what they n eed. They inspect the advertising columns of a newspaper. A large number of our advertisements are from Politaelephia dealers, who get much cus-t om from Pottaville, for the simple reason, that a lthough the articles are on hand here, our deal rant, without going to much trouble, where to got them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, them. At times, we have hupted for articles here, the subject of any for articles here, the tarticles are on hand here, our deal there is a theored young man, and what is better, he dares to asy what the things to be true and right, even though it may coil time somfort-and right, even though it may coil time somfort-and right, even though it may coil time a comfort-and right, even though it may coil time of deal the true is an theory of the articles here, our deal the true is and there, our deal the true to any and ther sal. There is much in Little Things. There are little things remember'd. Trifles the they seem to be; That have an influence in shaping, Man's destiny. Incidents that passed in childhood Have a tendency evis now; To make a smile or cloud an gather, "Ou the br Words of advice still we cherise Tho' perhaps, the friend that gave The same, lies mouldering cold and lawly, In the grave. Little words of friendly chiding, Spoken in a gentle tone; Stamp more deep in our effections rant, without going to much trouble, where to get them. At times, we have hapted for articles here, and at last have sent abroad for them, learning subsequently, that they were on hand here, at here and that every man, woman and child is Bostevilla will here him. The chiding one. Little words of kind approval, Treasured are with misor care; really cheaper rates than we could purchase else-in Pottsville will hear him. Tickets for the balance of the course of fire And within the mem'ries garner, Hoarded are. where. Dealers here should awaken to the fact that by not advortising they keep on hand arti-cles unsold, which would be readily disposed of, were the fact of their existence generally known, and also learn that the aggregate retail business of the Borongh would be largely increased, mere the fact of a set in a noney they expend in the intellectual entertainment they will receive, be-sider baring the satisfaction of siding in a noble and integregate retail business. Little words of sweet endearme From some lov'd one, how they tell! On the heart, with force and make it Rise and swall. Little things-a mother's kisses, were they to adopt a systematic, and judicious and praiseworthy enterprise. Yet I do remember still; How they used to soothe and make my plan of advertising their goods. We have no sel-flab motive in suggesting this, as our advertising patronage is liberal and quite as large a: we can conveniently accommodate, without infringing on our reading matter. We suggest what we really Bosom thrill. Little tears are balmy dew-drops From the fountains of the heart; Come to wash with healing sweet - Sorrow's smart. Borough store-keepers. THE USURY LAWS.—An effort is insking by stock jobbers and men of kindred gambling pro-pensities, at the present session of the Legislature, to effect a represent session of the Legislature, to effect a represent session of the Legislature, to their repeal we are utterly opposed, for we consider it to the interest of the State to keep money cheap, and enforce rigidly the penalties against usury. In Europe money, the rate of which is regulated by the leading banks, is kept cheap, ns favorable to the warts of producers, and beneficial to business interests. In this country, where much is yet to be developed, and capital is required, it is highly important that the price of "Resolved-In Executive Committee- that the Little suiles are beauteous gleamings, Bright outpourings of the light; That-shine in every loving bosom, Ever bright. Little actions of unkindness, Seem forgotten when they're done But their memories haunt us after Years are gone. Little fuilts oft lesd to great ones. If allow'd to live and grow; Little voices oft entaileth, Loads of wee beneficial to business interests. In this country, where much is yet to be developed, and capital is required, it is highly important that the price of maney be kept low, and it is ouly by a strict ga-forcement of the laws, which it is proposed to re-peal, that an equilibrium can be maintained be-tween capital and the manufacturing interests.-In the West, the high prices' of money serve but speculative purposes in an inflated community.-Here at the East, our producers need money at oheap rates. By maintaining the usury laws and punishing the violators of them, we secure money in abundance at low rates. There is hardly abu-siness carried on legitimately, that will yield a profit of over 6 per cent. Money should not ex-pect more. One thing is certain, if the usury laws should be benefitted at the expense of the man-ufacturing interests, and the preponderance would tall fearfully sgainst the best interests of Penn-sylvania. We hope, therefore, that they will not be removed from the statute book. Iscratase or Pausemisw-Irs Carses.-The Things that seem of little momen Wrong or rightly understood: Form the minds of youth and make them Bad or good. And the minds which thus are formed When they are to manhood grown; Give the world of thought its bias, And its tonis. Little things, they should be cared for They are mighty in their way; And in earth's progressions have their Part to play. There are wheels that work within wheels Springs that act on other springs; In fact this world of ours is made of Little things. See that rain-drop gently falling, A little thing it seems to be; Drop on drop, and myriads of them Make a pra. That little grain of dust that's lying We have been requested to publish the follow-INCREASE OF PAUPERISH-ITS CAUSES .- The Scarcely seen by naked eye; INCREASE OF PAUPERISM-ITS CAUSES.-The Philadelphia North American in sh article on me-glected children and the increase of pauparism, makes the following astounding statement: "Pauparism has increased in the State of New York from one pauper to every one hundred and trenty three persons, in 1831, to one pauper to avery seventeen (inbabiliants in 1855). New York thes 42,000 paupers more to support than Ireland. There are two paupers in New York tobne in Ire-land, and while in Ireland the its has diminished tien per cent, in New York it has increased twen-Grains like it combine and form that Mountain high. three jest in the hands of the distributor. The re-port of the Treasurer shows an expenditure of \$515 15 for books £c., during the year, leaving \$17 38 to the credit of this Society, in account with the Penna. Bible Society, and \$37 70 in the Treasury. To this \$50 were added for constitu-ting new life members, and a collection of \$12 44 at this anniversary meeting: \$5 of which was a donation from the 2d. Methodist Church, and the life members constituted are Mrs. T. Bussel, Mrs. Parry, Mrs. Bartholomew, Mrs. Pollock, Mrs. Ridgway, by individual contributions of friends, Henry Clay Bussel by Mrs. A. Bussel, Miss Allen by her scholars, and Rev. Mc. Gracey by individual donations at the meeting. The annual report alluded with affectionate re-

1.571

The annual report alluded with affectionate gret to the decease of Mrs. Couch, late one of the managers of the Society, and closed with exhor-fation to perseverance in the noble work in which

uanity a sham merely to overthrow the existing religion of the Chinese, and thus destroy the gov-ernment, which it sustains. The history of Chi-ba, a country estimated to contain 6,000,000 square alles of territory, and a population em-bracing 360,000,000 souls, has been tolerably well handed down from the year 700 B. C... Mr. Loomis asked, why is it that a government so imwell handed down from the year 700 B.C. Mr. Loomis asked, wby is it that a government so im-mense as the Chinese, has not broken down of its own weight? His solution of the uystery is, in the first place, the spirit of implicit obscience to commands and authority, exacted by the Chinese father from his son, which principle is carried from grade to grade, from official to official, until the reaches the Emperor on his throne. Disole-dience is punishable with death. In the next place, in China, talent mourits its humblest possible seasor from the condition of the peasant boy to a seat next the Emperor on bis throne. A poor boy may enter a college or one of the universities of China, and after studying if he passes examina-

1. however far the miliguity and envy of h

to be made in the revenue and protective policy of the government. Ueneral Cameron apheld with so much ability and constancy, while in the Senate, the doctrine of protoc-tion, that all parties of Schuyikill appliended his course. And I have no doubt, with an examination made, I could produce the highest enconiums upon him from the very men who are now denouncing me for supporting him.-But this change is easy accounted for. They are expect-ants under Mr. Buchanan, and, by their hypocritical course, hope to hask under the smilles of cflicial patronage. Without any autholity to speak for General Camerons as to his course in the Senate, I feel satisfied he will not disappoint the expectations of his friends. Elected, as he has been by members of the several parties, he is wise and experienced ecough to avoid all extremes. He will no doubt, on the great questions coming before this body, bein a measure guided by the expressed will of the sate of through the State Legislations. While this is the basis of Democratic principles, it is so manifestly right that no party can take exceptions to it.

ICE. FOR THE MISERS' JOURNAL. FOR THE MISERS' JOURNAL. POTTEVILLE, Februry 4th, 1857. MESSRE. Ens:--Permit me to congratulate the lovera of a beautifut article of Ice the coming sesson, as I observe Mr. Jacob Christian is now engaged in storing some seven or eight hundred tons in the large Ice house on Centre street, above the York store, of as fine, transparent Ice as Nove the York store, of as fine, transparent Ice as tas ever been offered to the citizens of Pottaville. I also learned from Wm. Christian to day, that

The mercurial thermometer marked 49 degrees below merch. The mercurial thermometers were all frozen. Ser After the recent heavy snow storm; the Beading Bailroad had 25 locomotives disabled at ohe point, in andeavors to clear the track of snow. Market is said that Queen Victoria intends to present Captain Haristein with a sword. The New York Legislature has just voted him a \$500 medal. inty our a built with a thir appreciation of my constability to my constituents. I believe with this danation, their confidence is me will not be so much a ten as Mr. Buchanan's is in the two Sematars mentic ken as Mr. Buchanan's is in the two Semators mionion-coi. I alluded in the Sart part of my remarks big letter written by Mr. Buchanan in relation to Gen. Cameron's borner election to the United States Senate—an election which was brought about also by Democratic vota— The following is an extract of the letter. It contains a rebuke administered by Mr. Buchanan in 1845; that he himself may feel at this time with almost as wach force as our caluminations.

Medal. medal. Mhealing, Va., "Lucretia Borgia" and "Smike" on the same evening, with singular power and ability, it is stated. Mr. Thompson, the commercial editor of the New Tork Courier and Esquirer, who ab-sconded recently, has been everiated in England, and the stolen funds recovered. The abeleton of a man, who is life, must Almerit may invest the state of the second s and of these Democratic members of the legislature who, in union with the Whigs and Native Americans, elected him to the Senate; and stating that you deem it proper to afford me, as a Pennsylvanian. an opper-tunity to express my opinion concerning what you term 'this unnatural and unexpected vessil.' Whilst entertaining for you the most profound and grateful i-spect, I have arrived at the conclusion, after much re-flection, that it would be improper for me, especially einer J have become a member of President Folk's Cabi-net, to criticise or condemu the Legislature of a sover-eign State for electing whom they pleased to the Senate of the United States. Jealousy of Ideral Interference and foderal influence in State elections, ever has been, and i trust ever may be, a prevailing sentiment through-out the Democratic members who voted for another Demo-ration and the caucui nominee, I might justly be asked "who made me a ruler or a judge in this matter" They are responsible to the sovering neopole of their re-spective districts and counties, and in the hand of their constituents they hall be left, as far as I am concerned. Besides, I might add, that any interference on my part and the stolen fauls recovered. AT The skeleton of a man, who is life, must have been twenty-these feet, ten inches bigb, was recently, so it is stated, found near North Bend, Ohio. The story is rather too tall. A monster United Collisrics' Company is announced with a million capital, to produce mar-vellous dividends, of course. Let the shareholders look out lest "Parturit Mons macoutur ridiculus mus." - Aneck. ST A mother and four daughters, who all re-side in Northampton, Masa, have had septenteen husband among them.
