

POTTSVILLE, PA. BATURDAY, APRIL 45, 1857.

the Courier and Enquirer, the Slave and the with debts, and retard the commercial and indus-Coolis trade, there can be no doubt that the for- trial growth of that city. mer is the lesser. As regards the procuring the When the Reading Railroad-which has The owner of the Slave may, in some cases, maltreat him, yet being his property, self-interest energetic, wide-awake, liberal rival, New York. induces him to bestow upon him a certain amount of care. The services of the Coelie are purchased Gladatone gives some account of the horrible

152 died on the passage. He says : "On arriving at Havans, after passing the Quarantine, the Coolie if he survive, is transferred to the highest hidder, who places him upon his plantation side by side with his slaves. His term of service is sight years; his labor as hard as his master considers he can sustain. He receives a small payment monthly, which makes his condition by a few dollars preferable to that of the slave. He is exposed to the same toil, watched by the same overselv, with whip in hand and sword at the side, ag the slave.

"On the other hand, his position is worse than that of this slave companion, inasmuch as his mas-

that of this slave companion, massmuch as his mas-ter's interest in him terminates after eight years. In proportion as the turn of service approaches its expiration, the motive for retaining the Coolie in life decreases. The slave's life is usually worked out as Chhan plentars have themselved. in the decreases. The sixve's life is usually worked out as Caban planters have themselves confessed to me, in ten years of full/work. The Chinese coolie, as every one who has lived on the Cuban plantations knows, reaches, his end on an everage, after a very finich, shorter term of labor. Again, the Chinaman does not bear the tropical heat with the same case with which the very conduct it. Many also have here used to the hands of the language for the langu the negro endurs it. Many also have been unsecustomed in their own country to hard manual labor; some that I have met have in former life filled professional or respectable positions in sofilled professional or respectable positions in so-ciety, and many prove themselves able to undertake the management of the steam engines in the sugar refinery or to fulfil duties in the machine shop. Add to the other sources of evil, the Chiness laborers are without exception males, and are compelled to live apart both from the white inhabitants and from the negro population, suffer-ing and vice are, as a consequence, tenfold in-

tive land." No people have a greater love of nect of making fortunes in a short time which citizens of South Ward, to take preliminary action i certainly has its swile but what are they compared vocates of the Coolin trade saw in it a relief to the system of slavery, and a means of restoring to their former state fine plantations, which, owing to the scarcity of laborers, had been neglected. April. Our thermometrical record is as sollows: ing to the scarcity of laborers, had been neglected.

The proposition to procure Coolies from China was undoubtedly a good one: the evils which now surround the Coolie trade, have arisen from the neglect to impore upon those engaged in it the proper restrictions. The Chinese are an industrious wife quiet people, and undoubtedly many trious and quiet people, and undoubtedly many careful investigation. The evils must be remedied

THE BONE OF CONTENTION.—In this country it evening last, as Mrs. Werger, wife of the keeper of the is the slavery queston. It must be a sore spot on Bull's Head Tavern, between here and Minersville, was the body politic, as Freedom and Slavery are naturally inimical, and wage upon each other unwill not be permitted to extend its area in this

You's tavern, injured herself very seriously. She was ses vitality, yet there is no danger of a discolution of the Union. For while the slaveholders are strong enough to create continued agitation, yet their numerical strength lacks the power to sever the bonds of Union. It will not be permitted. Now, how is this question to be met?

How settle the agitation with the consent of the that pertains to ornament and usefulness. Riding and States? The national doman, yet unappropriated. could, we think, with propriety, be devoted have been appointed a Committee of Arrangeme to the surpose of gradually abolishing slavery in Capt. M. Hesser, Dr. L. Royer, J. B. Keller, C. S. Lead. mustly for the purpose of emancipation. Scrip son to deliver an address, and publish a list of prem based on the yet innoccupied public lands, might ums, to agree on time for holding the Exhibition, and be issued, and devoted to the number of name to have general superintendence thereof. If Miss Spring based on the yet inoccupied public lands, might to have general superintendence thereof. If Miss Sprin be issued, and devoted to the purchase of negro alares, and to sending them to Africa, the proper delightful time for the Association. From appearan home of the negro, where thousands of acres of this week, we anticipate for June however, naught b rick, farille land remain to be reclaimed from | kicks and snow-birds, with a plantiful supply of Anth idleness, and where the negro can establish for racife in our stoves and furnaces. Wh hat weath the himself a form of government, similar to our own. The plan is feasible, and will prove the most effective and peaceable way of settling the slavery egitation; filling the Southern States with

held on Wednesday evening.

Mr. Graves was elected Principal of the Male Grav a free, white population, and elevating the South than it now occupies. Cutter, author of the "Song of Steam," the "Magnetic Telegraph," and other lyrics, which have received the highest encomium of the best American and English critics, lectured in this Borough on Thursday evening last, on the above named subject. Capt. Cutter's lecture was not anticipated, and in consequence, the attendance was not as large as it should have been. Those who were furturate enough to be present were delighted with the manner in which Capt. Cutter illustrated the importance of Postry: in its true sense, and the intimate relations which exist between us and those ancient nations which transmitted to posterity, through their poets, their history, sentiments, customs, etc. Capt. Cutter spoke of the effect which the ballads of a nation exert upon the peoplemore powerful than ramparts, arms, kingly power itself. We will not attempt to convey even a faint idea of the excellence of Capt. Cutter's lecture. At the earnest re quest of many who were deprived of the pleasure of hearing him on Thursday, he will lecture again this evening at the Town Hall. Those who desire a rare in tellectual treat, should make it a point to be present. eresting.
