The execution is perfect. Mr. by Wiest of one third-part of all the costs, and convey Guert er will shortly give lessons in penmanship in the all their interest to Jacob Kobler. This Tressurer's t Pro-Slavery arrogance and cupidity. The Ad- eastern portion of the State. Where he has heretofor the is good. The sale was good and valid, as the land taught, he has deservedly reaped both honor and profit. was unsented at the time. The first question arising is cratic party is indvitable. Amid the crash how. Mr. Quertler's forte is the execution of ornamental por | whether the redemption in 1847 by Wiest is good. The tions of German text, in which certainly, he has no en law allows only two years within which to redeem. Af perior in the country. ter that time the redemption is too late and the sale be

comes absolute, unless in the case of the rights of mind children, who are allowed two years after coming of age Ap-The Literary Society .- The exercises of Tuesday en ning last embraced a lecture on the Times, by C. M. lira to redoem. As the case stands before us the red ham, Esq., a reading by Mr. Dodson, and a debate on the of the land was not good, and did not divest the title of question, should the judiciary be elective by the people, the plaintiff, which was decided in the negative. There was a fine The next question is, what part of the land was c

nce in attendance. veyed to Kohler by Leebrick and Parks's deed. Kohler After adjournment a business meeting was held, at said he bought two-thirds of the land, and one-third be made an agreement with Daniel Wiest to convey oneto meet engagements which would not be subject Vice President, Ell Eoven: Scretary, Jas. J. SEBERT, third of the land to him, upon his paying con third of all the costs. It is not defined what the costs were, but On motion of Eli Bowen, seconded by J. M. Wetherill probably one-third of what the land had already cost them was meant. This arreement, would give Wlest a right to call for a deed for one-third of the land upon

complyi & with the terms of the agreement. Valentim The exercises of the next meeting will be as follows: Savage says that about the first of January, 1847, he and two of his heighbors were about purchasing the Yound title to the land. Wheat hearing of it, they agreed that be from that country. After our banks stopped the Inaugural address by John Hughes, Esq., President, might also join, with them in the purchase. Subse elect; Reading by Wilson T. Harts; debate upon the question, "Is a Republician form of government preferaquently Wiest purchased the whole for himself. The Court said that if Wiest and his heirs repudiated Less ble to a limited Monarchy " Affirmative-Frank Carter

brick's agreement, it would vest the whole title in Leebrick and Parks, and consequently in Kohler. If that were all, there would be no difficulty with regardito the Be Shocking Occurr ence on the Mount Ourbon Rail
