two years old; but it is a question with others whether it is not better to allow them to form a

trunk, and either graft four or five feet from the oo ground, or perhaps better, graft the branches,

HEN MANURE .- More than one correspondent

has lately asked-How shall I prepare hen ma-

nure for use, and how and when should it be applied? To this we reply :- Have on Band a

will thoroughly manure an acre. It may be ap- .

melons, squashes, grape-vines, and, indeed, to

everything growing in a garden. It is quite as

FARNING IN MAINE .- The town of Excier, in .. enobscot county, Maine, is almost exclusively a

farming town, and a recent examination and es-

timate of its value by competant gentlemen, has .

led them to the declaration that 'it is worth now

at first, and this must not be boiled with the water

more than fifteen or iwenty minutes at the com-

heres to the skimmer, when it is held up, will

wish i to each pound of sugar put half a plot of

water, and the white of an egg to every four pounds; stir it together until the sugar is dis-

solved ; then set it over a gentle fire, stir it occa-

sionally, and take off the scum as it rises. After

a few boilings up, the sugar will rise so high as

show the state which it has reached.

The wild Dompteur stood an nonsense from Prescriptions. \*\*\* Praints, Oils, Glass, Dyesfulls, &c., in large nasor ment, wholesale and retail. JOHN G. BROWN & SON. June 26, '58 this simpl, and in a quarter of an hour he ami-ably bettime to a hymn of Watts, and it was

clear the would see no enemy in a Park. A rath A raibe coung horse from Vienna was next subjected to process. He also was ill bred rather the rather that tively vicious, and he became frightmed at the sommonest objects, when noth-ing allaged him by the sight of soldiers pullores. He was tradeally familiarized, by the Tamer, with the view with the ight of the obnoxious arfieles, and speedily aligned a wanaper to be freely fung

at him. Some Russiaus then the with a horse called Alexander. "I had a tool deal of trouble with his Sire," said Mr. P., "with a seems altogether a horse of another color." And so it proved, Alexander rather shying at us sound of a gun, but being apparently pleased with that of the rail-road. "A free goer," said Mr. Panch, "and I hope to see him at Ascot."

road, "A ree gour, san av ranch, "and a hope to see him at Ascot." Lastly came a Yankee horse cather President Sly Boots. The moment he cater deliberate old hoss, as you ain't in want of no tuching from me. Lookin' recund after Orgaer, air you? Never mind about cruisers. That's all square, yos Sir-roe. And you knows it all-fred well, eig hoss. Yew git out !" added Mr. Punch, with on of Mrs. Barney William's most brilliant squalis, President Sly Boots set up such an uncommo

hearty horse-laugh that Mr. Punch awoka .-- Lon don Punch. Doixo THE PRIEST .--- An Irishman made a and-

den ush into a druggist's shop, took from his pocket a soda-water bottle, filled to the brim with some pure liquor, and handing it across the countor exclaimed :--- "There, doctor, muff that will you ?" The doctor did as he want directed, and thits mont approved forms, adapted to the various departments of made and Commerce. Including General Deviation of the second diverse including General Commerces including General you ?" The doctor did as he was directed, and pronounced the liquid to be genuine, whiskey.---"Thank you, doctor," said the Irishman; "hand "Thank you, doctor, it to me sgain, if you plase." The doctor did as directed, and asked what he meanti "Och, then," said Pat, "if you will have it, the pricet told me not to drink any of this unless I got it from the doctor.' So here's your health, and the priest's bealth."

WE subjoin a specimen of New Haven literature said to be a bona fide correspondence: "SIR :- Your account has been standing for two years ; I must have it settled immediately." To which in reply : "Sin :- Things do usually settle by standing; I regrat that my account is an exception. If it bas been standing too long, suppose you let it run a little while."

BLISSFUL IGNORANCE. A genileman on board one of the Chelses boats, the other day, was cut-ting the leaves of a number of a new edition of Shakspeare, when an enlightened follow-traveller looked over his shoulder and remarked, "Shakspeare's plays, ch ? He keeps writin' of 'em, don't

he?" "Oh; yes," was the unchristian answer,

he ?" "Oh, yes," was the underistian answer, "Shakspeare's the hardest. working man in the world." Loarc.—A dog coming open mouthed at a ser-gennt on the march, he ran the spear of his hal-berd into his throat and killed him. The owner coming out, raved extremely that his dog was killed, and asked the sergeant why he could not as well have strack at him with the blankend of the halbert. "So I would," sail he, "if he had come at me with bis tail." Frances, Duke of Luxembourg, was a celebrated
