1860. THE PROPLE'S COUNTY CONVENTION. THE TICE. ET.-The character of the People's Convention held at Schuylkill Haven on Monday last, was such as to inspire respect and confidence in jis ac-tion and ensure a warm support from the people for the ticket placed in nomination. Intelligeness and good social standing, were the characteristics of the delegate present. Such material is calcu-lated to work harmoniously, and the result as ve-succipated on Monday, when we witnessed the or-ganisation of the Convention was the nomination of a thoroughly good, strong ticket.
