to his constituents with his character as a been under discussion, and it will soon tle the professions of democratic Tepreze: is pretty well used up, and that the yes of t the plant of the second of the Penbeylfania are that, in 1844, the people of that Mr. Pole that a scured, on high authority, that Mr. Pole that a conditate for the Presiden. City. Was as good theriff man as his opponent, Mr. was the consequent of the training the term of Mr. Polk a tariff, cuact best, a short time previously, sing into greater that a short time previously, sing into greater that are was prospering and ri one enacted on free that are was repeated, and to add insuit to hjury, the casting vote in this functions that for the that a short is your in this functions.

to add insult to highly the casting vote in this husiness with fiven is casting vote in this who then ideubled the critical of Presidenti-the indignation felt in the trile was great; but with his party. His act was vot in popularity with its principles. He did There is a demo-crat than his was supered. There is a demowith its principles. He did there is a demo-crat than he was expected to a Dus section of the Union, in the main, dictain the principles, chalks out the course of the demorphic, and the only condition on which the interior of the party can be secured is by walking the the indicated to it by its autocrat.

Here is the whole matter in a nousel. Here are reasons given why you cannot trut Democratic répresentativo in Congress. Ho wirs two faces. One for his constituents at home; toother for his party at Washington. Therefore, where as this District is concerned, no man estnessi, and honestly a friend of Protection, can consistent wote for either William L. Dewart or Juseph w Cake. Setting apart their incapacity, they an utterly unreliable on the Tariff question, just as likely if elected, to vote in Congress for Free Trade as for any other Democratic measure. Our

advice to every workingman, is to cut them entire ly. Have nothing to do with them, if your desire to be represented by an entirely reliable man. Men of Schuylkill and Northumberland counties, you have presented for your consideration, James H. Campbell,

a gentleman, whose record while in Congress, before you without a blut or blemish on its fair pages. Mr. CAMPBELL's political enemies have assailed him through the columns of a venal gress, and circulated industriously throughout this Distriet, the most unmaniy and infamous expenses. CHARLER FOCHT, the People's endi-Flanders in regard to his Congressional career, yet they fear to most him on the stump, of that Institution. He is familiar with its econwhile the Congressional Globe, extracts from which we have given and which have been read to the people at mass meetings, plumply refutes the untruthful accusations. And who are the men] who in this crisic, bear testimony to the faithful Focur and Retrenchment. manner in which JANES H. CANFERLL stood up for the interests of his constituents on the floor of The duties of this office of late years, have been Congress, and who declare their confidence in him | sadly neglected ; or if dicharged at all, in so as the map for the time? - Do we find them in the careless a manner. that the unagetaf interests of tained atmosphere of the pot house, or smid cliques the County lines suffered, Here ight should the brown." of petty, office seeking partitans? LETTER FROM THE BUCKVILLE BLACK-SMITH. NEWRING, October 24, 1858. MESSNS. EDITORS:--Th the Mining Record of to day. I see a letter purporting to have been written by seine per-son who styles bines if a "Looker th" at the meeting we held in New Philadelphia on the evening of the 30th ult. He says that I commenced my address by giving the Workman's Advocate some hard knocks, and puffed up Mr. Campfeil, but that I was stopped short by John Murray saking me what Mr. Campbell had done that was of any use to his constituents. Now, sir. this same 'Looker 00" must critainly have been like bit friend Jock Murray, full of Larry O'Brien awhikky, or he never would have sold that I was stopped by Murray isking me that question. for I was commenting on an article in the Workman's Advocate relating to the People's Con-vention when Murray came up to the stand and with all the powers of his steatorian voice abouted cat to its utmost pilch that I was a liar, a calumbitor, a scenue drei, a rascal and a host of other 'questionable things with which I will not fill up your paper; at the same lime interlating thome gentlemanity oplicate by beau-time interlating them by store had blown itself off. I resumed my address and offered the same Mr. Murray the privilege of the stand from which to refuta saything I had said, informing him that as it was a Workingman's meeting all that we wanted was the truth, and that i courted discussion and would be glid to meet if. This only brought out another exhibition of his, assimine qualities and my otice was dreamed in the nolwe of his donkey braylogs. As soon as he got itred agin, I ap-pealed to the meeting if I should be heard of I on the free soil of America. Free speech should be drived by such bellowings. The andience cried out 'rgo, or and one or two of Murray's itends at last to thin away. I then finished my address and Mr. Edmunds commenced have a bellowing a while dok once more made bla appearame on the grained way its kade one more made bla appearame on the grained way ita soon as th he eyes. Two boilies are warranted to cure running of the ears ad blotches shiong the hair. Four to six boilies are warranted to cure corrupt and Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eroptions of the skin. Two on three hottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most

commenced to show him, but as soon as the fruit came, too strong for the party who were making a cat's paw of him, his brayings commenced spain, drowning Mr. Ed-mund's voice amid his yells, eaths and epithers. " Finding it useless to continue the meeting, we then concluded, and the thinking, respectable part of the andlence gathered around us and idenounced with indignation the conduct of Murray and his triends, waying that they hered we would not be base the blace One to two bottles are warranted to cure sick head-One to two bottles are warranted to regulate a costive with indignation the conduct of Burray and an arrange saying that they hoped we would not have the place with the idea that Murray and his abettora were any thing like a fair specimen of the cilizens of New Philas delphis. Some of them wither us to proceed the Murray, but this we declined doing, our cause having gained matched the display of the more non-more the disclay reading One to three bottles has cured the worst case of piles; a relief is always experienced; what a mercy to get re-lief in such as exeruciating disease!

No change of dist ever necessary—sai the best you an get and mough of it. Directions for use!—Additis, one tablespoonful per insy: Children over teo yeard, descritoponful; Children rum five to eight years, tempoonful. As no directions an be applied by all constitutions, take sufficient to perate on the bowsie twice a day.
